KINGSBURY PIANOS

AFTER all, the judgment of the public is a safe criterion of the merit of an article. When a piano has reached the highest degree of popularity in all parts of the country and is meeting with increasing favor every day, it is safe to assume that it is one on whose quality the people have agreed.

¶ We offer the Kingsbury as a piano which is pre-eminent in general favor and which therefore brings to our dealers all the advantages of established prestige.
