Records his playing exclusively for the

AMPICO

His reason for selecting the Ampico is given in the following letter:

"For a number of years, I have been keenly interested in the possibilities of the Reproducing Piano. I believe I have heard them all, not once, but many times, but *until I heard the Ampico, I never found one that I thought adequately reproduced the artist's playing.*

The Ampico astonished me, for it reproduces the artist with *unbelievable fidelity.* It not

merely reproduces his phrasing and nuances, but *it holds you as if the artist himself were playing,* so vividly are the personality and spirit of his playing mirrored.

It is for this reason that I have decided to record my playing for the Ampico exclusively.

MISCHA LEVITZKI"

There is but one AMPICO. It is obtainable only in the following pianos:
