Single Copies 10 Cents  
\$2.00 Per Year

## *Steinway Leadership*

**I**N every field of endeavor there is one acknowledged leader—one product that stands out prominently and alone, and is representative of the best of that industry.

Such is the position of leadership held by the Steinway among pianos—a position accepted and recognized alike by the industry, the profession and the public.

This prestige of the Steinway makes the representation of that instrument by the dealer an asset that is close to being invaluable.
