How to get to event venue from BER

The closest airport to the event venue is [Berlin Brandenburg Airport \(BER\)](#). At BER, you can arrive at or depart from Terminals 1 or 2, which are just a [few minutes' walk](#) from each other. The journey from BER to the hotel takes approximately one hour by public transportation or taxi.

Due to construction work, S-Bahn service to and from the Berlin Brandenburg Airport (BER) is currently disrupted, with no service available between BER and Adlershof. Replacement buses are operating, but we recommend using regional trains or the Airport Express (FEX) for a more

convenient journey. For additional information about the traffic disruptions to BER, please [click here](#).

Public transportation (train)

The railway station at the Berlin brandenburg Airport is located in Terminal 1 on level U2. To plan your journey, please visit the [VBB website](#).

How to buy tickets: Berlin Brandenburg Airport is located in Berlin fare zone C. For a single trip, you need a Berlin ABC ticket (EUR 4,40). Tickets must be purchased and validated before travelling. The ticket machines and devices for ticket validation are easily recognisable by their red colour. Ticket validating machines can be found next to the ticket machines and on the train platforms.

Taxi

Call "Taxi Berlin" at +49 30 202020 (English-speaking line) or another taxi company listed on [www.visitberlin.com](#).

At BER, it is advisable to proceed to the designated taxi stop. This will help you avoid fraudulent taxi drivers who may charge inflated fares. Authorised taxis can be identified by their Berlin license plates and the license number displayed on the rear window of the vehicle. Please note that license numbers higher than 8 000 do not exist in Berlin. The taxi journey from BER to hotel venue takes approximately 1 hour, depending on traffic.

How to get to event venue by car

If you arrive by car, you may park in the hotel's underground car park, which has a total of 70 parking spots (entrance via Alex-Wedding-Straße). Parking fees are € 24.00 per night. There are also two electric car charging stations available. Note that parking is not guaranteed and cannot be reserved in advance.
