Provision of training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.	Scripps tailored a very specific EDI training that helped Management gain a better understanding of biases that may impact hiring practices. By attending the mandatory training the management team developed a better understanding of EEO and discrimination prevention. All newly hired employees are required to participate in the EDI training sessions.
	All managers are required to attend annual training on Equal Employment Opportunity laws that guide Scripps' recruiting efforts and how to help ensure hiring practices are fair and lawful. These training sessions are organized by Legal and are designed to prevent discrimination in hiring and to ensure equal employment opportunity.
Participation in other activities designed by the station employment unit reasonably calculated to further the goal of disseminating information as to employment opportunities in broadcasting to job candidates who might otherwise be unaware of such opportunities.	KSHB Meteorologist spoke 1/24/23 at the Guadalupe Center in Kansas City about his career as a meteorologist and how he has progressed to his current role and what education it took to get there. He facilitated a Q&A session where attendees were able to ask him questions about his role.
