欢迎光临

The Warehouse Hotel was first built in 1895 along the Singapore River as part of the Straits of Malacca trade route. At that time, the area was a hotbed of secret societies, underground activities and liquor distilleries.

Today, while much of that history has disappeared, The Warehouse Hotel has been meticulously restored as a modern 37-room boutique hotel, focusing on heritage and local culture. Since 2017, we've been delivering thoughtful hospitality with beautifully designed rooms, classic local dishes from our flagship Po Restaurant and crafted cocktails in the vibrant neighbourhood of Robertson Quay.

NOT JUST A HOTEL, BUT AN EXPERIENCE

Your event comes alive at The Warehouse Hotel whether it's a casual cocktail reception, a workshop or a product launch, or an intimate celebration. Pick a date and leave the rest to us.
