chuckesmee

The animatronic doll, The legend... **CHUCKESMEE!**

She's not only a fan favorite, but she was *almost* the star of Breaking Dawn Part 2, plus she's huge on TikTok! [Chuckesmee](#) (aka the Renesmee doll used in filming) calls the Forever Twilight in Forks Collection home. There was only one of her ever crafted for filming and we're lucky enough to have her as a part of the Collection.

The question remains, is Chuckesmee haunted or not? You'll just have to visit and see!

MEMORABILIA and more

Beyond costumes, props, and books, The Collection features Forks-centric pieces, as well as original artwork inspired by the the Twilight story.
