

empower hour

Self care is much easier said than done.

With so much going on, taking care of our own wellbeing often gets pushed to the bottom of our priority list.

Empower Hour is a **free** group for young people aged 12-25 with a focus on practical tips for looking after your wellbeing - that is, your mental, emotional, social and physical health. You can attend one or some or all if you wish.

Come along and we'll share a variety of tools for building a healthy headspace.

Topics covered can include:

- Anxiety
- Depression
- Body image
- Bullying
- Anger management
- Zen zone
- Work and study pathways
- And much more!
