**About H2H/CMRAVE:** Helmets to Hardhats (H2H) is a national program that connects veterans, transitioning active-duty military service members, National Guard, and Reservists with skilled training and quality career opportunities in the construction industry. The program was created by the Center for Military Recruitment, Assessment, and Veterans Employment, a 501(c)(3) non-profit, joint labor-management driven entity. The program is designed to help military service members successfully transition back into civilian life by offering them the means to secure a quality career in the construction industry. Over the last twenty years, Helmets to Hardhats has built a solid network of relationships and communication lines that are unique and invaluable to our nation's veterans, transitioning active-duty service members, National Guard, and Reservists. In this time, H2H has helped over 42,000 military service members find quality careers and training in the construction industry.
