Your Excellencies,

Thank you for your work on crafting the Zero Draft Political Declaration, an inspirational and action-oriented plan for accelerating achievement of the SDGs.

The Volunteers stakeholder group respectfully requests the insertion of one word in paragraph 18, highlighted below in ALL CAPS:

18. We commit to enhancing global, regional, national and local partnerships for Sustainable Development Goals, engaging all relevant stakeholders, including civil society, the private sector, academia, **VOLUNTEERS**, and youth, recognizing the important contribution they can make toward achieving the 2030 Agenda.

Thank you again for your efforts and for your consideration.

Sincerely,

David Styers
