Summary of Legislation

The bill extends the Employee Ownership Revolving Loan Fund in the Office of Economic Development (OEDIT) through July 1, 2025, which is scheduled to repeal July 1, 2022, and allows OEDIT to modify the program's eligibility criteria and loan requirements.

Background

House Bill 17-1214 created the revolving loan fund program in OEDIT. Although OEDIT has received initial federal funds for the program, program requirements in statute have made it effectively inaccessible to recipients.

Assessment of No Fiscal Impact

The bill modifies statute to allow OEDIT additional flexibility to implement an existing program. It will not increase state or local revenue or expenditures and is assessed as having no fiscal impact.

Effective Date

The bill was signed into law by the Governor on May 21, 2021, and takes effect September 7, 2021, assuming no referendum petition is filed.
