## ADDRESS OF THE GRAND MASTER 2021-2022

First, I want to thank all of the Brethren for their support during my year of service as your Grand Master. The warmth, friendship, and brotherly love was felt by me and I thank you. The prevailing peace and harmony was apparent and appreciated by me, and I am sure, by all of the Brethren.

Our fraternity is very fortunate to have our elected officers of the Grand Lodge. I am proud of them and fully expect the elected line to serve with distinction.

I want to thank and am truly indebted to our District Deputy Grand Masters and District Grand Lecturers. The feedback I have received from the Districts has been positive. The DDGMs and DGLs were always present when I called for them to join me within their Districts. Often times, I'd have several DDGMs and DGLs at a meeting indicating that several appointed officers had traveled long distances to join me for the Masonic functions. Thank you my worthy Brothers. Your service has been deeply appreciated.

I've received encouragement and support from many of our Past Grand Masters. Their confidence and support have helped me to travel and serve you with candor and confidence.

I want to thank the men and women at our Grand Lodge office for their zeal and steady operation of that office. I appreciate them very much. They have always stepped up to assist me when I requested help, and they operate that office smoothly. A special thanks goes to our Grand Secretary who was always supportive of me and my goal to see as many Brethren and Masonic Lodges as I could, and to bring peace, harmony and positivity to our fraternity. Our Grand Secretary made every effort to see that I was prepared to represent our Grand Lodge in other Grand Jurisdictions in a most positive light. That, I believe, I have done and I thank our Grand Secretary M:W: Steven A. Pence.

I selected a number of Brothers to be my Grand Master's Aids to travel and promote my agenda around the state. I am pleased with their work and believe this should be done more often. Thank you to my Grand Master's Aides.

To my family, who understood my desire to give back to our fraternity for all of the love, assistance, and moral support that was given to me, my mother and my siblings, I thank them from the bottom of my heart. I had a debt to pay, and a mission to accomplish and my family, a big family, gave me the freedom and love to accomplish this mission.

I also owe a debt of gratitude to our Grand Photographers. I have had many visits at many functions throughout the State and they were usually there to take photographs in order to memorialize the occasions and I thank you for your service, love and devotion to the craft.

I want to thank the Charles F. Buck Demolay for their hard work and camaraderie. When I have called on them, they have always shown up. Brother Danny Dowden and wife, Jackie, are doing great work. I love and value the Louisiana Demolay.

I have had the pleasure of making over 140 visits during my service as Grand Master. I attended the Grand Lodge of Florida session and was well received, as would be expected. We then traveled to St. Francisville for "The Day The War Stopped" ceremonies and took pictures with the actors, the Lt. Governor Brother Billy Nungesser, and members of other Grand Lodge representatives. We then went to Houston for the Imperial Shrine Session. Upon returning from the Imperial Shrine Session, I traveled to Metairie Lodge No. 444, and was extremely pleased to present a 60 year certificate for the Grand Lodge of Florida to an aged Brother and Veteran. We then had a wonderful Homecoming at Sam Todd Lodge No. 182. Despite heavy rain, the lodge located at the intersection of Hwys 112 and 113, in Sugartown Louisiana, crowded over 150 people, fed them all very well, and had a wonderful Grand Lodge reception as well.

## ADDRESS OF THE GRAND MASTER 2021-2022

We then traveled to Bossier City, Louisiana, for the 100th Anniversary Celebration at Martin McClanahan Lodge No. 384 and enjoyed a wonderful fish fry and a TV interview with the local Fox affiliate. The next day found us at Slidell Lodge No. 311 for a "Bring a Friend" night and another warm reception. The next night had us at Andrew Jackson Lodge No. 428, in Arabi, Louisiana, for Past Masters' Night. The following night found us at Cervantes Lodge No. 5 and a Grand Lodge reception at the only foreign language lodge in Louisiana. Many visits continued like this for most of the year. As stated above, over 140 visits were made to various lodges, appendant bodies and others.

I, and other members of the elected line attended the S.E. Conference of Grand Masters, the Conference of Grand Masters of North America, the Grand Lodge Sessions of Florida, West Virginia, Kentucky, and Arkansas. I also visited the Valley of Houston Scottish Rite Bodies and sent a video message to the Grand Lodge of Texas session. I was, and am, proud to represent the Grand Lodge of the State of Louisiana, F. & A.M. The entire list is in the advanced proceedings.

The Grand Representative of Italy requested a meeting at our Grand Lodge and this was done on Friday, July 30, 2021. Photos were taken, gifts were exchanged and we toured the offices and the Library and museum. The visit was very favorable and I was able to send greetings and a gift to the Grand Master of Italy.

I received many invitations from local lodges and appendant bodies throughout the year, and I made every effort to make every visit. All visits were made with alacrity as I love to be with the Brethren and Masonic families. The visits were cheerful and usually well attended. This I will miss.

State of the Order

Please understand that I am always a positive person. That being said, I believe Freemasonry in Louisiana, as well as elsewhere, is on an upswing.

We are still losing numbers for two reasons. Many of our older members are passing away and while we are now doing more degree work, we are not raising Master Masons as fast as we are losing our elder Master Masons. We are also losing Masons for non-payment of dues. We have been studying various means to remedy that issue. I trust that plan will be announced very soon.

To the families of our departed Brethren, I offer my sympathy and condolences. May God give you comfort and strength. When time and my schedule permitted, I attended these final services. We will remember those Brethren at a Necrology service on Sunday, March 27, 2022.

As I have stated on many occasions during my travels, life is a series of decisions and the key is to make the correct decision. When you make the correct decision not only are you happy, but you also bless those near and dear to you. An incorrect decision not only hurts you but those near and dear to you. Also, try not to coast, because you can only coast downhill. Endeavor to be a climber. Finally, it has truly been a blessing to serve you and your Grand Lodge. I have been honored and humbled by your support.

May God continue to bless you, your family and the Grand Lodge of Louisiana, F. & A.M.

M:W: Terrell "Terry" Fowler  
Grand Master 2021-2022

## DIRECTIVES ISSUED BY THE GRAND MASTER

May, 17, 2021

Governor John Bel Edwards announced additional easing of mask requirements. Further, the Center for Disease Control has issued new guidelines on gatherings, lifting many of their previously restrictive recommendations.

Therefore, I am issuing the following directive to allow our constituent lodges to resume further activities, without restrictions.

- Commencing May 17, 2021 Lodges may hold Stated and Special Communications, including meetings involving public attendance.
- Meals are allowed in the usual manner prior to Covid-19 mandates and restrictions.
- Lodges are encouraged to have hand sanitizer available in the Lodge building.
- Worshipful Masters will see that their Lodges are adhering to the Center For Disease Control guidelines and those mandates of our State and Local governing bodies in Louisiana.

Members and their families are strongly encouraged to receive one of the Covid-19 vaccines. Most importantly, all Louisiana Masons are strongly encouraged NOT to attend Lodge if they have any signs of illness or do not feel comfortable attending Lodge at the present time. Masons must self-screen for any signs or symptoms of COVID-19 before attending any Lodge meeting. Those individuals considered to be "at-risk", including those who are 65 or older, and especially those with chronic lung disease; moderate to severe asthma; chronic heart disease; severe obesity; diabetes; chronic kidney disease undergoing dialysis; liver disease; weakened immune system or other risk factors are encouraged not to attend Lodge. You are the sole decision-maker as to whether you should attend Lodge. There is nothing more important at this time than the continued well-being of our Louisiana Masons.

Fraternally,

Terrell D. "Terry" Fowler  
Grand Master

August 2, 2021

Today, Governor John Bel Edwards announced at statewide mask mandate for all indoor gatherings. This mandate is effective Wednesday, August 4, 2021. Further, this mirrors the Center for Disease Control new recommendations on indoor gatherings regardless of being vaccinated or unvaccinated.

Therefore, I am issuing the following directive to allow our constituent lodges to continue activities, with the following restrictions:

- Effective Tuesday, August 3, 2021, Lodges may continue to hold Stated and Special Communications, **excluding** all meetings involving public attendance.
- Masks must be worn at all times while indoors, except while eating meals.
- Meals are permissible in the usual manner, with recommendations to having dedicated servers.
- Lodges are encouraged to have hand sanitizer available in the Lodge building and practice social distancing
- Worshipful Masters will see that their Lodges are adhering to the Center For Disease Control guidelines and those mandates of our State and local governing bodies in Louisiana.

September 13, 2021

Governor John Bel Edwards continued the mask mandate for all indoor gatherings until September 29th. Further, this mirrors the Center for Disease Control new recommendations on indoor gatherings regardless of being vaccinated or unvaccinated.

Therefore, I am updating the Directive dated August 2, 2021, allowing our constituent lodges to continue activities, with the following restrictions:

- Effective Tuesday, September 13, 2021, Lodges may continue to hold Stated and Special Communications, including all meetings involving public attendance.
- Masks must be worn at all times while indoors, except while eating meals.
- Meals are permissible in the usual manner, with recommendations to having dedicated servers.
- Lodges are encouraged to have hand sanitizer available in the Lodge building and practice social distancing.
- Worshipful Masters will see that their Lodges are adhering to the Center For Disease Control guidelines and those mandates of our State and local governing bodies in Louisiana.

Our members and their families in southeast Louisiana are not only dealing with the impact of Covid-19 but are now also dealing with recovery from Hurricane Ida. Several Lodges sustained significant damage, as did the homes of the member of those Lodges. Stated Communications may not be possible at this time. You are the sole decision-maker as to whether you should attend lodge. There is nothing more important at this time than the continued well-being of our Louisiana Masons.

Fraternally,

Terrell D. "Terry" Fowler  
Grand Master

## DIRECTIVES ISSUED BY THE GRAND MASTER

October 26, 2021

Governor John Bel Edwards did not extend the mask mandate beyond October 26th, except in certain circumstances involving public schools.

Therefore, I am cancelling all previously issued Directives. Lodges may hold Stated and Special Communications, including all meetings involving public attendance without restrictions.

I encourage Worshipful Masters and Lodge Members to use common sense, with the health of our brothers and families in mind when gathering.

Fraternally,

Terrell D. "Terry" Fowler  
Grand Master

## REPORT OF THE GRAND SECRETARY

### *REPORT OF THE GRAND SECRETARY 2021-2022*

The dedication, loyalty, efficiency, diligence and hard work of the Grand Lodge staff is acknowledged and greatly appreciated.

### **MEMBERSHIP MILESTONE CERTIFICATES**

The Grand Secretary of the Grand Lodge is authorized to issue certificates to all members in good standing in a Lodge of this Grand Jurisdiction when they have attained twenty-five, fifty, sixty, or seventy-five years of cumulative, not necessarily continuous, good standing in the Masonic Fraternity. These certificates may be presented at any time during the anniversary calendar year. During 2022, we issued 248 twenty-five-year certificates, 167 fifty-year certificates, 103 sixty-year certificates and 70 seventy-year certificates.

### **CENTENNIAL PLAQUES**

The Grand Lodge, through the office of the Grand Secretary obtains a commemorative plaque for each Lodge which has completed one hundred years of cumulative existence under a valid charter. During 2013 Plaques were presented to each of the following Lodges, to-wit:

Forum Lodge No. 395, Alexandria Lodge No. 398, William D. White Lodge No. 408, Indivisible Friends Lodge No. 404, Cedar Grove Lodge No. 403, New River Lodge No. 402, Calcasieu Lodge No. 400, Sam B. Dryfuse Lodge No. 396, and Solomon Lodge No. 221.

### **EMPLOYMENT TAXES**

Generally, Lodges which employ a secretary, or other employee, who is compensated by a token salary or remission of dues is not liable for employment taxes. If, however, the compensation is \$50.00 or more in a calendar quarter, such taxes may be due. Exemption of a fraternal order from payment of income taxes does not extend to pay roll taxes.

### **FEDERAL REPORTING REQUIREMENTS**

All non-profit groups with an income of less than \$50,000.00 are now required to file a 990 N by E-mail. Such filings must be made by May 15th of each year. Failure to file for a period of three (3) years will result in the revocation of the tax-exempt status of the Lodge. Those Lodges with an income in excess of \$50,000.00 per annum are required to file a form 990. Lodges which lose their exempt status will be required to reapply for the exemption and pay a reinstatement fee to the Internal Revenue Service. Otherwise all dues and other income will have to be accounted for and perhaps be taxable.

### **STATE AND LOCAL SALES TAX**

Non-profit domestic civic, educational, historical, charitable, fraternal or religious organizations may be exempted from collecting Louisiana sales taxes on goods sold as a fund-raiser. Should the Lodge be challenged by a Revenue Deputy, the Department of Revenue has prepared a form for use in claiming the exemption, pursuant to the provisions of R.S. 47: 305. 14. Such Exemptions must be claimed on an annual basis. Exemption from collecting sales taxes does not exempt the Lodges from paying State and local sales taxes on purchases by the Lodge.

### **HANDBOOK OF MASONIC LAW**

The Handbook of Masonic Law is an essential for Worshipful Masters and Lodge Secretaries. The Handbook is updated after each Annual Grand Communication and the updates are distributed. Frequently the possessors of the books fail to insert the updates and, consequently, the usefulness of the Handbook is greatly diminished. Copies of the Handbook and the updates are available from the Grand Lodge Service Committee. The Handbook, in digital format, is also available to all Master Masons through the members' individual Grandview portal.

## REPORT OF THE GRAND SECRETARY

### **MASONIC DIRECTORY**

A revised Masonic Directory is published each year. It contains a list of Lodges in various arrangements. There is also a list which contains the name and contact information for the Worshipful Master and Secretary of each Lodge as well as dates and times of meetings and the location of the Lodge. (This information is taken from the officer reports filed by the Lodges. The Worshipful Master and Secretary of each Lodge should review the directory and advise the Grand Lodge of any errors pertaining to their Lodge.) The directory also contains a list of Grand Lodge officers, a list of Past Grand Masters, information relative to the make-up of the Masonic Districts and a listing of the Grand Lodge Boards and Committees with names etc. for the members of each. One copy of the directory is furnished to each Lodge. Additional copies may be purchased from the Service Committee for a nominal price.

### **LISTS OF SUSPENSIONS AND EXPULSIONS**

Lists of suspensions and expulsions are issued annually. A copy is furnished to each District Deputy Grand Master and Lodge Secretary to facilitate review for plural members who may have been suspended in another Lodge. It is extremely important for Lodge officers to review these lists inasmuch as a brother suspended for any cause in one Lodge is automatically suspended from any other Lodge or Masonic Order of which he is a member and is, therefore, ineligible to engage in Masonic Communication.

### **CESSION OF LODGES**

During the year 2021 and the beginning of the year 2022 the following merges were completed, to-wit:

1. Welsh Lodge No. 232 with Jennings Lodge No. 249, effective July 16, 2021, with Jennings Lodge No. 249 as the surviving Lodge;
2. Dalley Lodge No. 265 with Eros Lodge No. 295, effective January 12, 2022, with Eros Lodge No. 295 as the surviving lodge;
3. Marrero Lodge No. 479 with New Borne Lodge No. 500, effective March 4, 2022, with New Borne Lodge No. 500 the surviving Lodge.

### **FINANCIAL DATA**

The budget, financial data and review by the Certified Public Accountant are addressed separately in the proceedings of which this report is a part.

### **CONCLUSION**

I wish to express my gratitude and appreciation to the Grand Lodge staff, the Brethren throughout this Grand Jurisdiction, the Grand Lodge officers for assistance, cooperation, and the opportunity to serve Freemasonry.

M:W: Steven Pence, P.G.M.  
Grand Secretary 2021-2022

**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2021*

**Note 1 - Summary of Significant Accounting Policies**

Organization

Masonic Home Educational Foundation, Inc. (The Foundation) is a nonprofit organization organized under the laws of the State of Louisiana. The Foundation was established for the purpose of providing funds to college students and the use of its earnings is restricted to this purpose. The Scholarship Committee of the Board of Directors reviews and selects applicants for assistance.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Foundation and changes therein are classified and reported as follows:

*Unrestricted net assets* - Net assets not subject to donor-imposed stipulations.

*Temporarily restricted net assets* - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

*Permanently restricted net assets* - Net assets subject to donor-imposed stipulations that they be maintained permanently by The Foundation. Generally, the donors of these assets permit The Foundation to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Income Taxes

The Foundation is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Foundation is not classified as a "private foundation" by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Foundation would be required to purchase these services if donated services were not available.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Note 2 - Fair Value Measurement**

FASB ACS 820-10, Fair Value Measurement, defines fair value, establishes a framework for measuring fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurement and enhances disclosure requirements for fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of the fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

**MASONIC HOME EDUCATIONAL FOUNDATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2021*

---

- Level 1 - Represented by quoted prices that are available in an active market. Level 1 securities include highly liquid government bonds, treasury securities, mortgage products and exchange traded equities.
- Level 2 - Represented by assets and liabilities similar to Level 1 where quoted prices are not available, but observable, either directly or indirectly through corroboration with observable market data and estimated using pricing models or discounted cash flows. Level 2 securities would include U.S. agency securities, mortgage-backed agency securities, obligations of states and political subdivisions, and certain corporate, asset backed securities, and swap agreements.
- Level 3 - Represented by financial instruments where there is limited activity or unobservable market prices and pricing models significant to determining the fair value measurement include the reporting entity's own assumptions about the market risk. Level 3 securities would include hedge funds, private equity securities, and private investments in public entities.

Fair value of assets measured on a recurring basis at September 30, 2021 are as follows:

<u>Description</u>	<u>Fair Value Measurement at September 30, 2021 Using</u>			<u>Level 3</u>
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	
Investments	\$4,516,204	\$4,516,204	\$ -	\$ -

**Note 3 - Investments and Marketable Securities**

The Foundation has three investment accounts held at two national investment companies. The accounts have investments in several different marketable securities and cash investments.

Investment income for 2021 is summarized as follows:

Interest and Dividends	\$ 165,065
Realized/Unrealized gain/(loss)	<u>606,481</u>
Total Investment Income/(Loss)	\$ 771,546

**Note 4 - Concentration of Credit Risk**

Financial instruments that potentially subject the Foundation to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make the investments less valuable.

**Note 5 - Income Taxes**

The Foundation's tax returns for the years ended September 30, 2019 through September 30, 2021, remain open and subject to examination by taxing authorities.

**Note 6 - Related Party Activity**

The Foundation is governed by a Board of Directors which is comprised of some of the same individuals which serve as Board Members of Grand Lodge of Louisiana, Inc., Masonic Learning Center, Inc and Masonic Library Museum, Inc. The rent and payroll expenses presented in the Statement of Activities are a reimbursement to the Masonic Home Properties and Charities for processing of educational expenses. The Masonic Home Educational Foundation, also received \$32,649 of support from Grand Lodge of Louisiana F & AM. As of the September 30, 2021, The Foundation owed Grand Lodge of Louisiana F & AM \$0.00.

**Note 7 - Subsequent Events**

The Foundation has no material subsequent events that would require disclosure. Subsequent events have been evaluated through February 1, 2022, which is the date the financial statements were available for issuance.

**Note 1 - Summary of Significant Accounting Policies**

Organization

Masonic Learning Center of LA, Inc. (The Center) is a nonprofit organization organized under the laws of the State of Louisiana. The Center was established for the purpose of providing assistance to students by funding educational expenses related to dyslexia training for students at the elementary school level.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as follows:

*Unrestricted net assets* - Net assets not subject to donor-imposed stipulations.

*Temporarily restricted net assets* - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of The Center and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

*Permanently restricted net assets* - Net assets subject to donor-imposed stipulations that they be maintained permanently by The Center. Generally, the donors of these assets permit The Center to use all or part of the income earned on any related investments for general or specific purposes.

Contributions

Contributions are recorded as received. Unconditional promises to give are recorded as they are made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Investments

Accounting for Fair Value Measurements (FASB ASC 820-10-50-1) requires disclosures of financial assets and liabilities that are re-measured at fair value at least annually. FASB ASC 820-10-50-1 establishes a three tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Income Taxes

The Center is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Center is not classified as a "private foundation" by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Center would be required to purchase these services if donated services were not available.

The Center uses various locations to implement the dyslexia program. Many of these locations are other non-profit organizations. The fair value of the use of these locations has been determined by management to be immaterial. Accordingly, no non-cash support for the use of these locations is recorded in these financial statements.

**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2021*

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Note 2 – Fair Value Measurement**

FASB ACS 820-10, Fair Value Measurement, defines fair value, establishes a framework for measuring fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurement and enhances disclosure requirements for fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of the fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

Level 1 – Represented by quoted prices that are available in an active market. Level 1 securities include highly liquid government bonds, treasury securities, mortgage products and exchange traded equities.

Level 2 – Represented by assets and liabilities similar to Level 1 where quoted prices are not available, but observable, either directly or indirectly through corroboration with observable market data and estimated using pricing models or discounted cash flows. Level 2 securities would include U.S. agency securities, mortgage-backed agency securities, obligations of states and political subdivisions, and certain corporate, asset backed securities, and swap agreements.

Level 3 – Represented by financial instruments where there is limited activity or unobservable market prices and pricing models significant to determining the fair value measurement include the reporting entity's own assumptions about the market risk. Level 3 securities would include hedge funds, private equity securities, and private investments in public entities.

Fair value of assets measured on a recurring basis at September 30, 2021 are as follows:

Description	Fair Value Measurement at September 30, 2021 Using			
	Fair Value	Level 1	Level 2	Level 3
Cash	\$188,903	\$188,903	\$ -	\$ -
Investments	\$524,602	\$524,602	-	-

**Note 3 – Investments and Marketable Securities**

The Center has one investment account at a national investment company. The account has investments in several different marketable securities and cash investments.

Investment income for 2021 is summarized as follows:

Interest income	\$19,300
Realized/Unrealized gain/(loss)	<u>\$84,978</u>
Total Investment Income/(Loss)	<u>\$104,278</u>

**Note 4 – Income Taxes**

The Center's tax returns for the years ended September 30, 2019 through September 30, 2021, remain open and subject to examination by taxing authorities.

**Note 5 – Concentration of Credit Risk**

Financial instruments that potentially subject The Center to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make the investments less valuable.

**Note 6 – Related Party Activity**

The Center is governed by a Board of Directors which is comprised of the same individuals which serve as Board of Trustees for the Masonic Home Properties and Charities (a program service of the Grand Lodge of Louisiana F & AM). The administrative expenses presented in the Statement of Activities are a reimbursement to the Masonic Home Properties and Charities for processing of educational expenses. The Masonic Learning Center, also received \$223,506 of support from Grand Lodge of Louisiana F & AM. At September 30, 2021, Grand Lodge of Louisiana F & AM owed the Center \$517,331.

**Note 7 – Subsequent Events**

The Center has no material subsequent events that would require disclosure. Subsequent events have been evaluated through February 1, 2022 which is the date the financial statements were available for issuance.

**Note 1 – Summary of Significant Accounting Policies**

Organization

Masonic Library/Museum Foundation of Louisiana, Inc. (The Museum) is a nonprofit organization organized under the laws of the State of Louisiana. The Museum was established for the purpose of preserving records, artifacts and memorabilia concerning the Fraternity of Masonry in general and Louisiana Masonry in particular, and to display items of history and masonic history to present time.

The Museum currently displays and preserves items on loan from the Grand Lodge of Louisiana. The Museum does not own any of the artifacts and memorabilia that it houses. The loan of items is indefinite and will remain in effect until the Grand Lodge of Louisiana or the Museum ends the agreement.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as with donor restrictions and without donor restrictions.

Contributions

All Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions. Contributions of fixed assets or resources to purchase them are reported as with donor restrictions. In absence of donor restrictions to the contrary, restrictions on those contributions expire when the assets are placed in service. When a temporary restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the period as the contribution is received, the revenue is shown as without donor restrictions.

Financial Statement Presentation

The Museum is required to report information regarding its financial position and activities according to two classes of net assets (without donor restrictions and with donor restrictions) based upon the existence or absence of donor-imposed restrictions. Contributions received are recorded as support without donor restrictions or with donor restrictions, depending upon the existence and/or nature of any donor restrictions.

Income Taxes

The Museum is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Furthermore, The Museum is not classified as a "private foundation" by the Internal Revenue Service. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability (or asset) if the organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the organization, and has concluded that as of September 30, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements

Cash and Cash Equivalents

Cash and cash equivalents represent unrestricted bank deposits and highly liquid investments with original maturities of three months or less.

Donated Supplies and Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills. Both contributed supplies and services are recorded if The Museum would be required to purchase these services if donated services were not available.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Note 2 – Fair Value Measurement**

The Lodge utilizes fair value measurements to record certain assets and to determine fair value disclosures. In accordance with FASB ASC Topic 820, "Fair Value Measurements" fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the prices that are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows.

**MASONIC LIBRARY/MUSEUM FOUNDATION OF LA., INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2021*

Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

ASC Topic 820 establishes a three-tier fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value, as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Lodge has the ability to access.

Level 2 - Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not active and other inputs that are observable or can be corroborated by observable market data.

Level 3 - Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

**Note 3 - Investments and Marketable Securities**

The Museum has one investment account at a national investment company. The account has investments in several different marketable securities and cash investments.

Investment income for 2021 is summarized as follows:

Interest income	\$4,370
Realized/Unrealized Gain/(Loss)	<u>\$45,945</u>
Total Investment Income/(Loss)	<u>\$50,315</u>

**Note 4 - Endowment**

Net assets with donor restrictions include of donor restricted endowment funds invested in perpetuity. The Lodge's endowment consists of various individual funds established for the purpose of funding charitable causes, the dyslexia program of the Masonic Learning Center, and scholarship expense of the Masonic Home Educational Foundation. Investment return associated with the Lodge's endowment is classified and reported based on the existence or absence of donor-imposed restrictions.

The Lodge has interpreted applicable law and the endowment agreements to require preserving the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. The Lodge considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

1. The duration and preservation of the funds.
2. The purposes of the Museum and the donor-restricted endowment funds.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Museum.
7. The investment policies of the Museum.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Museum to retain as a fund of perpetual duration. No such deficiencies exist as of September 30, 2021.

The Museum has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to provide adequate liquidity, maximize returns on all funds, and achieve full employment of all available funds as earning assets. The Museum has an active Finance Committee that meets regularly to ensure the objectives of the investment policy are being met and that strategies used to meet the objectives are in accordance with the Museum's investment policy.

During the year ended September 30, 2021, the Museum had the following endowment related activities:

	<u>With Donor Restrictions</u>
Endowment net assets, September 30, 2020	\$ 99,044
Amount appropriated for expenditures	<u>0</u>
Endowment net assets, September 30, 2021	<u>\$ 99,044</u>

**Note 5 – Concentration of Credit Risk**

Financial instruments that potentially subject the Foundation to credit risk include investments in mutual funds, stocks, and bonds. Future changes in economic and market conditions may make the investments less valuable.

Accounts receivables are immaterial, and therefore no consideration was made to the concentration of their credit risk.

**Note 6 – Income Taxes**

The Museum’s tax return for the years ended September 30, 2019 through September 30, 2021, remain open and subject to examination by taxing authorities.

**Note 7 – Related Party Activity**

The Museum is governed by a Board of Directors which is comprised of some of the same individuals to which serve as Board of Directors of Grand Lodge of LA Inc., Masonic Home Educational Foundation, and Masonic Learning Center. The administrative expenses presented in the Statement of Activities are a reimbursement to the Masonic Home Properties and Charities for processing of educational expenses. The Museum also received \$0 of support from Grand Lodge of Louisiana F & AM. At September 30, 2021, Grand Lodge F & AM owed the Museum \$0.

**Note 8 – Subsequent Events**

The Museum has no material subsequent events that would require disclosure. Subsequent events have been evaluated through February 3, 2022, which is the date the financial statements were available for issuance.

**Note 1 – Nature of Activities and Significant Accounting Policies**

Nature of Activities

The Grand Lodge of Louisiana F. & A.M. (The Lodge) was established as a Fraternal Organization.

The Lodge has several funds which are included in these financial statements. The funds and purposes are listed below.

Fraternal - This is the C-10 fraternal that directly services membership. The membership dues flow in and expenses are paid for membership purposes. Most of the payrolls come out of this account.

Service Committee - This is the "store" that has all the Masonic items that can be purchased. Inventory is its biggest asset and physical inventory is taken once a year at year end.

Charities and Benevolence - These are monies collected from Lodges to help out the other Lodges in need.

Charities and Benevolence Fund A - This fund was set up to help former employees and associates of Grand Lodge.

Special Purpose - This fund was set up to collect and pay monies for Masonic conferences, etc. A certain amount is transferred from the Fraternal each year to help with the cost of conferences for members.

LA Freemason - This is the publication put out by Grand Lodge on a semi-annual basis. Part of the dues sent to Grand Lodge includes an assessment from the members to defray the cost of publishing the magazine. That assessment is transferred to LA Freemason each year after the dues come in.

**GRAND LODGE OF LOUISIANA F. & A.M.**  
**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2021*

---

Disaster Fund - This fund was for members to contribute to when there is a disaster. For example, when Hurricane Katrina hit in 2005, money was donated and used to aid victims of the hurricane.

Thibodaux Cemetery - This is a cemetery owned by The Lodge in Thibodaux, LA.

Masonic Cemetery - Located in New Orleans, this cemetery is funded by monies received from families of those buried there and from the income of these investments. These funds are used to maintain the cemetery.

Perpetual Membership - This program was started so members can pay a onetime fee and not have to pay annual dues. Grand Lodge uses the income from the principal invested to pay the local lodge dues for that member.

Masonic Endowment - These monies were donated over the years so that charitable causes could be funded.

Masonic Home Endowment - These monies were donated as 501 (c) (3) for purposes of paying expenses for the care of the children when the home was operated as a children's home. Since the Home has closed, the income from the endowment goes to the Masonic Learning Center (dyslexia program) and the other ½ to the Masonic Home Education Foundation to fund scholarships.

Masonic Charities - This is the old "Masonic Home for Children." Back in 1996, the C-3 funds (those given to the home as charitable donations) & C-10 funds (those given to the home by Grand Lodge) were split. The C-3 funds are used for charitable purposes. The C-10 funds are used for fraternal membership purposes.

#### Significant Accounting Policies

Significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

#### Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of The Center and changes therein are classified and reported as with donor restrictions and without donor restrictions.

#### Contributions

All Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions. Contributions of fixed assets or resources to purchase them are reported as with donor restrictions. In absence of donor restrictions to the contrary, restrictions on those contributions expire when the assets are placed in service. When a temporary restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the period as the contribution is received, the revenue is shown as without donor restrictions.

#### Promises to Give

The Lodge does not engage in any fund-raising activities and does not receive any pledges. Accordingly, no such activity has been recorded in these financial statements.

#### Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

#### Financial Statement Presentation

The Lodge is required to report information regarding its financial position and activities according to two classes of net assets (without donor restrictions and with donor restrictions) based upon the existence or absence of donor-imposed restrictions. Contributions received are recorded as support without donor restrictions or with donor restrictions, depending upon the existence and/or nature of any donor restrictions.

#### Income Taxes

The Lodge is a not-for-profit organization that is exempt from income taxes under Section 501 (c) (10) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in the accompanying financial statements. In addition, the Lodge has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code.

**GRAND LODGE OF LOUISIANA F. & A.M.**  
**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2021*

---

Cash and Cash Equivalents

Cash and cash equivalents represent bank deposits and highly liquid investments with original maturities of three months or less.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt and equity securities are valued at their fair value in statements of financial position. Unrealized gains and losses are included in the change in net assets.

Functional Allocation of Expenses

The cost of providing the Lodge's programs and other activities is summarized on a functional basis in the statement of activities and statement of functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited.

Other support services include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Lodge.

Compensated Absences

The Lodge has no policy relating to compensated absences. The compensated absences are not material to the financial statements as of September 30, 2021.

Property and Equipment

Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as contributions without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as contributions with donor restrictions. Property and equipment are depreciated over their useful lives using the straight-line method. Useful lives are determined by IRS regulations.

**Note 2 – Investments**

The Lodge has several investment accounts with several national investment companies. The accounts are invested in several different marketable securities and cash investments.

**Note 5 – Related Party**

The Lodge is governed by a Board of Directors which is comprised of some of the same individuals which serve on the Board of Directors for the Masonic Learning Center, Inc., the Masonic Home Educational Foundation, the Masonic Educational Foundation, and the Masonic Library/Museum.

Masonic Home Educational Foundation paid the Lodge \$9,000 in rent and \$6,000 in payroll reimbursement.

As of September 30, 2021, there were payables to two of the other Masonic entities. The amount due to the Masonic Learning Center, Inc. is \$486,188, and the amount due to Masonic Home Educational Foundation is \$32,649.

**Note 6 – Restrictions on Net Assets**

The Lodge has a program (Perpetual Membership) where a member can pay a lump sum amount for a lifetime membership. This can also be paid in installments. The earnings from the lump sum and/or installments are transferred to the lodges each year in order to pay that member's dues. These funds have been set aside in investment accounts which, as of September 30, 2021, total \$5,333,293.

The Lodge has certain net assets that are with donor restrictions. These assets are comprised of contributions made to the endowment funds of the Lodge, the income from which has been used to fund certain charitable purposes. The net assets in these endowment funds are restricted by its original donors to endow these aforementioned purposes. The two endowment funds are the Masonic Endowment and the Masonic Home Endowment. Details of the endowment funds can be found in Note 7.

**Note 7 – Endowment**

Net assets with donor restrictions include of donor restricted endowment funds invested in perpetuity. The Lodge's endowment consists of various individual funds established for the purpose of funding charitable causes, the dyslexia program of the Masonic Learning Center, and scholarship expense of the Masonic Home Educational Foundation. Investment return associated with the Lodge's endowment is classified and reported based on the existence or absence of donor-imposed restrictions.

The Lodge has interpreted applicable law and the endowment agreements to require preserving the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. The Lodge considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

1. The duration and preservation of the funds.
2. The purposes of the Lodge and the donor-restricted endowment funds.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of investments.
6. Other resources of the Lodge.
7. The investment policies of the Lodge.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Lodge to retain as a fund of perpetual duration. No such deficiencies exist as of September 30, 2021.

The Lodge has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to provide adequate liquidity, maximize returns on all funds, and achieve full employment of all available funds as earning assets. The Lodge has an active Finance Committee that meets regularly to ensure the objectives of the investment policy are being met and that strategies used to meet the objectives are in accordance with the Lodge's investment policy.

During the year ended September 30, 2021, the Lodge had the following endowment related activities:

	<u>Net Assets with Donor Restrictions</u>
Endowment net assets, September 30, 2020	\$2,921,049
Contributions	-
Investment income/(loss)	732,532
Distributions for endowment purposes	(74,837)
Amounts appropriated for expenditure	<u>-</u>
Endowment net assets, September 30, 2021	<u>\$3,578,744</u>

**NOTES TO FINANCIAL STATEMENTS**  
*For the Year Ended September 30, 2021*

**Note 8 – Concentrations of Credit Risk**

Financial instruments that potentially subject the Lodge to credit risk include investments in mutual funds, stocks and bonds. Future changes in economic and market conditions may make investments less valuable.

The Lodge maintains cash balances with national and regional banks. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At September 30, 2021 cash on deposit that was in excess of the federally insured limits was \$76,773.

Accounts receivables are immaterial, and therefore no consideration was made to the concentration of their credit risk.

**Note 9 – Collections**

The museum also contains memorabilia from the old Masonic Home for Children which operated from 1923 until 1994 as a home for needy children. It includes such things as an old dentistry chair from the infirmary as well as musical instruments from the old band formed in the 1920s at the Home. Files are kept of former residents for genealogical tracking.

The services performed consist of the availability for research and study by the general public. The availability of periodicals and clipping services, biographical data, card catalogue, Grand Lodge Proceedings and proceedings of Grand Lodges from other states, and other services performed by libraries generally.

**Note 10 – Income Tax**

The Lodge's tax returns for the years ended September 30, 2019 through September 30, 2021, remain open and subject to examination by taxing authorities.

**Note 11 – Subsequent Events**

The Lodge has no material subsequent events that would require disclosure. Subsequent events have been evaluated through February 3, 2022, which is the date the financial statements were available for issuance.

## PROPOSED RESOLUTIONS

### 211th ANNUAL GRAND COMMUNICATION

#### RESOLUTION 2022-03(cont)

WHEREAS, The Board of Trustees for Masonic Home Properties and Charities (prior "Home Board") had responsibility for dealing with all properties owned by the Grand Lodge of Louisiana, whose name was changed in 2008 to the Board of Trustees for Masonic Charities, composed of seven elected members serving staggered 7 year terms, and the elected Grand Line as ex-officio members, and in addition to its other responsibilities, said Board of Trustees is now authorized and empowered to sell, alienate, lease and otherwise deal with property and/or real estate (outside Alexandria) held by their charities: and

WHEREAS, in 2009, the Board of Trustees for Fraternal Properties was created, comprised of the elected Grand Lodge Officers and Junior Past Grand Master, to act for the Grand Lodge in dealing with Grand Lodge Fraternal Properties (in Alexandria); and

WHEREAS, the personnel of the two Boards are somewhat overlapping, with the respective members often seeking the advice and consensus of both groups in dealing with our real estate without consideration of boundaries; and

WHEREAS, historical experience has shown the implied purpose of the said dichotomy of responsibility has been resolved, and no useful purpose is now demonstrated for the separation of responsibilities as the Grand Line serves on both Boards during their respective terms in office; and

WHEREAS, it is in the best interest of the Grand Lodge that the distinction be dissolved and the Board of Trustees for Masonic Charities, which membership already includes the elected Grand Line, be authorized and empowered to deal with all Grand Lodge real estate on behalf of the Grand Lodge of Louisiana without geographical distinction.

THEREFORE, BE IT RESOLVED that The Board of Trustees for Masonic Charities henceforth be authorized and empowered to sell, alienate, lease and otherwise deal with real property owned by the Grand Lodge in its Fraternal capacity; provided, however, that any such action should be taken only when approved by a favorable vote by a majority of the Board members, and further provided the Grand Master shall have the power to cast a deciding vote in the event of a tie.

BE IT FURTHER RESOLVED, that the duties of the Board of Trustees for Fraternal Properties being merged with those of the Board of Trustees for Masonic Charities, the said Board of Trustees of Fraternal Properties be abolished.

#### RESOLUTION 2022-04

Author: Steven S. A. Pence, P.G.M., G.S.- Joppa Lodge No. 362

Refer to: The Handbook of Masonic Law, General Regulations, Article XII, Section 1, paragraph 4, page 57.

**Whereas**, the Grand Lodge processes Certificates of Demit for many members, holding plural memberships, merely wanting to withdraw their membership from a particular lodge while retaining membership in another Lodge under this Jurisdiction; and

**Whereas**, the Grand Lodge places a special note on the Certificate of Demit in these instances reading *"This Demit cancels his membership in (Lodge), however he retains his membership with (Lodge or Lodges) where he affiliated on the plural membership plan of the Grand Lodge. This demit is therefore, not to be used for affiliation purposes. It remains only as a matter of record."*; and

**Whereas**, the Grandview database provides for a *Withdrawal* option in a member's history; and

**Whereas**, a Certificate of Withdrawal From Plural Membership is a more appropriate document for instances of plural members desiring to leave the roll of a lodge while retaining membership in other lodges.

## PROPOSED RESOLUTIONS

### 211th ANNUAL GRAND COMMUNICATION

#### RESOLUTION 2022-04(cont)

**Therefore** be it resolved, the following revisions to the Handbook of Masonic Law shall be made:

**General Regulations, Article XII Particular Provisions, Section 1**, inserting a new paragraph after the current fourth paragraph and revising specific paragraphs thereafter shall be made:

A brother, holding plural memberships, desiring to withdraw from a Lodge must apply in writing, electronic or otherwise, for a certificate of withdrawal from plural membership. A certificate of withdrawal from plural membership is used only for recording purposes and cannot be used for affiliation. The granting of a withdrawal upon oral request is null and void.

An application for a demit or certificate of withdrawal from plural membership may be withdrawn by the brother who requested it, prior to the Lodge secretary completing the forms.

The granting of a demit or withdrawal in error by a Lodge shall be corrected by the adoption of a motion declaring the former procedure null and void.

A demit issued by a regular Lodge recognized by this Grand Lodge must be accepted as evidence that the demitted Mason received the degrees regularly in his original Lodge. *(No change)*

A Lodge cannot refuse to grant a demit or certificate of withdrawal from plural membership to a brother in good standing who has paid his dues and assessments provided no charges of un-masonic conduct in a Lodge, or charges in a Court, are pending. The Lodge does not vote or recommend the issuance of a demit or certificate of withdrawal. The Secretary advises the Lodge a demit or certificate of withdrawal has been issued. The certificate of demit or certificate of withdrawal from plural membership granted by a Lodge must be issued promptly by the Secretary on the form approved by the Grand Lodge. A duplicate certificate of demit shall be issued upon request of a demitted member who claims that the original was never received, or has been lost or destroyed. No charges shall be made for a demit or certificate of withdrawal.

A Lodge shall refuse to grant a demit or certificate of withdrawal from plural membership to:

- a. A member who has not paid all dues and assessments for which he is liable (including the year in which the demit or withdrawal is granted), less any amount which may be remitted by the Lodge.
- b. A member who has committed an offense and is charged in Court.
- c. A member charged with un-masonic conduct until after he is cleared.

**General Regulations, Article VI, Section 10, second paragraph**, reading in part:  
 "... He shall present with his application for affiliation a duly attested certificate of his standing in the Lodge of which he is a member; if he is elected, he thereby becomes a member of the Lodge with which he filed his petition for affiliation and the Secretary of said Lodge shall certify to the fact of such election to the Lodge issuing the certificate of good standing and the petitioner shall thereupon be dropped from the roll of membership of such issuing Lodge and his membership then shall be terminated as if by demit ... "

Changed to read:

" ... He shall present with his application for affiliation a duly attested certificate of his standing in the Lodge of which he is a member; if he is elected, he thereby becomes a member of the Lodge with which he filed his petition for affiliation and the Secretary of said Lodge shall certify to the fact of such election to the Lodge issuing the certificate of good standing and the petitioner shall remain on the roll of membership of such issuing Lodge ... "

## PROPOSED RESOLUTIONS

### 211th ANNUAL GRAND COMMUNICATION

#### RESOLUTION 2022-05(Cont)

**WHEREAS**, The Perpetual Membership program began with an Edict in 1990 for the purpose of perpetually securing a supplemental revenue source for our constituent Lodges, as well as for our Grand Lodge and,

**WHEREAS**, over time devaluation, due to inflation, significantly reduces the purchasing power of the income from the program because the payments remain frozen at the rate that was in effect when the member enrolled in the Perpetual Membership program, and,

**WHEREAS**, this increasing shortfall of revenue to the Lodges is borne by ever increasing, higher yearly dues to the regular members to make up for the lost purchasing power from the Perpetual Membership Program, and,

**WHEREAS**, the Grand Lodge of the State of Louisiana has issued annual Edicts suspending and amending portions of the Perpetual Membership Program pending a resolution to address the shortfalls, and,

**WHEREAS**, the previously proposed resolutions to amend the Perpetual Membership Program have not passed the Grand Lodge sessions due in part to differing opinions on the amount of increase and reasons for the changes, and,

**WHEREAS**, the Committee to Manage Perpetual Memberships has taken into account comments from Masons from various constituent Lodges and the Grand Lodge Line for the State of Louisiana to address all sides of the this discussion for the Peace and Harmony of Masonry in Louisiana, and,

**WHEREAS**, the proposed resolution is submitted to address the concerns of both the Grand Lodge of the State of Louisiana and constituent Lodges to protect the interest of the Grand Lodge of the State of Louisiana while preserving the constituent Lodges current factor for determining the constituent Lodges payment, and,

**WHEREAS**, to preserve Peace and Harmony in all regulated Lodges and the Grand Lodge of the State of Louisiana the proposed resolution allows those constituent Lodges who would like to continue to participate in the Perpetual Membership Program to do so while allowing for constituent Lodges to opt out of portions of the Perpetual Membership Program or increase the factor used to determine the rate at which the Full Perpetual Membership Payments are calculated, and,

**WHEREAS**, all current Perpetual Members and well-regulated constituent Lodges have an interest in the value of the payments the proposed resolution ensures that all current Perpetual Memberships remain intact while providing a means for constituent Lodges to retain or release Perpetual Memberships should a Mason choose to transfer to another Lodge,

**THEREFORE BE IT RESOLVED**, that the Handbook of Masonic Law, Digest of Edicts, section on Perpetual Memberships, Pages 100-100C, be amended to conform with the following revisions;

#### I.

A. Any member in good standing and possessing a current dues card in a particular Lodge of this Grand Jurisdiction may become a Perpetual Member in that Lodge pursuant to the provisions of this section *If the Lodge has not opted out of the Perpetual membership program covered in Section C in accordance with Section B below at the time of the application.*

## PROPOSED RESOLUTIONS

### 211th ANNUAL GRAND COMMUNICATION

#### RESOLUTION 2022-05(Cont)

#### II.

B. *Any Lodge may opt out of the Perpetual Membership program defined in Section C and other Sections specific to Section C following a two-thirds vote of the membership present at a regularly stated meeting where due notice of the intent to vote on Perpetual Memberships has been provided to all members. Should a Lodge vote to opt out of the Perpetual membership program it shall immediately follow applicable laws in the HOML for amending their bylaws to reflect the change. Following the vote to opt out, application for Perpetual Memberships shall be held in abeyance pending review and approval of the amended bylaws by the Grand Lodge of the State of Louisiana. Any subsequent changes must be done in accordance with the HOML regarding changes to bylaws. In no way will opting out of Section C affect Honorary Perpetual Memberships, Memorial Perpetual Memberships, or Perpetual Memorials as outlined in sections "S", "T", and "U" below nor will it affect any Perpetual Memberships covered under Section R that arise due to a Lodge consolidating, surrendering its charter or having its charter arrested. All Perpetual Memberships purchased prior to the vote shall remain intact in accordance with the terms at the time the Perpetual Membership became effective or that the installment plan was initiated in accordance with Section E below.*

#### III.

C. *The member desiring a Perpetual Membership shall apply to the Secretary of his Lodge during the first quarter of the calendar year, for such membership on forms prescribed by the Grand Lodge and shall tender therewith a **minimum of 20 times the sum of the annual dues with an internal factor of 1.0 plus all per capita due the Grand Lodge of Louisiana with an internal factor of 2.5.** A lodge may elect to increase either internal factor to a number greater than provided in this section, but in no event shall either of the internal factors be less than the respective internal factors provided in this section. The Lodge Secretary shall complete his part of the application and shall forward the same together with the full fee due, to the Grand Secretary. The date of the application shall be the date the Grand Secretary certified he received the application.*

The application may be made subsequent to the first quarter of the calendar year but, if so made shall not become effective during that calendar year and, if the application is made later than the end of the first quarter of the calendar year, the member shall owe Lodge dues for the year following the year in which the application is made.

*Base Formula:  $20 X (1.0 X \text{ local dues} + 2.5 X \text{ Per Capita})$*

*Example: On January 1, 2022 Lodge dues are \$25.00 and Per Capita is \$29.50*  
 $\bullet 20 X (1.0 X \$25.00 + 2.5 X \$29.50) = \$1975.00$

#### IV.

D. *Alternatively, a member may pay the fee for fully paid Perpetual Membership via his personal credit card. Should the member choose that opportunity, the same formula stated in paragraph one (1) of Section B shall be used with the inclusion of a transaction fee at the prevailing rate based on the purchase price. The credit card is called in to the designated Grand Lodge Perpetual Membership Administrator to conclude the transaction.*

#### V.

E. *The Perpetual Membership fee may optionally be paid in five (5) equal annual installments in addition to regular Lodge dues. Use the formula provide in Section C above and divide by 5 to determine the installment payment for five (5) successive years, plus lodge dues and per capita.*

*Example: On January 1, 2022 Lodge dues are \$25.00 and Per Capita is \$29.50 with 5 equal installments.*

$\bullet 20 x (1.0 X \$25.00 + 2.5 X \$29.50) = \$1975.00$

$\bullet \$1975.00 + 5 = \$395.00 \text{ yearly installment plus Lodge dues and per capita for 5 successive years}$

## PROPOSED RESOLUTIONS

### 211th ANNUAL GRAND COMMUNICATION

#### RESOLUTION 2022-05(Cont)

When purchased under the five (5) year option, a Member becomes Perpetual when the final installment is paid. Annual installments shall be due and payable on or before the tenth day of December in successive years. After enrolling under this option, a Member may revert to the single payment method at any time. Failure to pay any installment due by December 10th in the year due constitutes voluntary withdrawal from the program. After the initial payment, a Member may suspend participation and subsequently reenroll in the program with credit for payment made, but on the basis of new calculations using dues structure at the time of re-enrollment *regardless of whether or not a Lodge has opted out of the Perpetual Membership program in accordance with Section C above.*

VI.

F. The application shall be signed by the applicant and have the certification of the Lodge Secretary. The application shall not become effective until the applicant's record has been certified by the Grand Secretary. The application shall contain thereon the computation upon which the Perpetual Membership fee is predicated. If the Grand Secretary determines that the minimum fee, tendered by the applicant is in excess of that required, he shall have the power to correct the application and the Lodge Secretary's computations of the fee, accept the application as corrected and refund any excess fee to the applicant through the particular Lodge Secretary. If the fee tendered is insufficient, the Grand Secretary shall return the application and fee to the constituent Lodge Secretary for correction and resubmittal. A copy of the completed and accepted Perpetual Membership application and a certificate of Perpetual Membership shall be furnished to the applicant and his Lodge by the Grand Secretary when appropriate. The provisions shall be construed so as to permit the Grand Secretary to use computerized records.

VII.

G. Any payment toward the Perpetual Membership fee shall not be refunded except under circumstances determined by the Grand Secretary to be mistakes of fact rendering the applicant ineligible for Perpetual Membership as of the date of application.

VIII.

H. After the applicant's Perpetual Membership has been accepted by the Grand Secretary, the Perpetual Membership fee shall be paid over to the Grand Treasurer as required in Article II, Section 3, of the General Regulations. The funds shall be placed collectively in restricted Perpetual Membership accounts. These funds shall be accounted for on an individual Lodge basis, listing the amount to a person paid into the fund for both Lodge dues and per capita and any assessments in effect. The funds shall be accounted for separately, by the Grand Treasurer; from all other Grand Lodge funds. The annual accounting for said funds shall comply with generally accepted accounting principles for review and auditing purposes.

IX.

I. To protect the Lodge from future Grand Lodge per capita tax increases on Perpetual Members, the per capita tax will be replaced with a proportionate ratio payment based on Lodge annual dues and Grand Lodge per capita tax. The proportionate ratio is fixed at the time a Brother becomes a perpetual Member.

X.

J. A Perpetual Member shall owe no further dues to the Lodge of which he is a member after the effective date of his Perpetual Membership. A dues card shall be issued annually to every Perpetual Member in good standing by the Lodge Secretary which shall denote that his dues have been paid in perpetuity.

## PROPOSED RESOLUTIONS

### 211th ANNUAL GRAND COMMUNICATION

#### RESOLUTION 2022-05(Cont)

##### XI.

K. The Perpetual Membership fee shall be considered principal and shall never be spent except as provided hereinbelow. Interest derived from the funds collectively invested, less administrative charges and adequate reserves, shall be paid annually to each Constituent Lodge on a prorated basis for each Perpetual Member prior to January 15 of the ensuing year, provided that no distribution shall be made for the Perpetual Member who purchased the membership later than the end of the first quarter of the year, during the year following the year of the purchase. Total proportionate ratio payments shall not exceed a rate of return of five (5%) per cent. Administrative charges covers cost of operation of the program including certificates, forms, accounting, auditing and advisor's fee.

##### XII.

L. When purchased under the five (5) year option, all earnings on payments made toward the perpetual membership fee will be retained in the Reserve Fund created herein, with distribution being made only when the Perpetual Membership fee is fully paid, and the participating member no longer pays dues. In the event a participating member dies, demits, is suspended or expelled or withdraws from the program prior to making the fifth (5th) or final installment, only the earned interest, less administrative fees, and contributions to reserves, shall be distributed under the proportionate ratio formula not to exceed a rate of return of 5% in any event.

##### XIII.

M. There is hereby created a reserve fund to offset future interest shortfall, funded by interest in excess of five (5) percent on all investments of Perpetual Membership funds, as calculated on June 30th of each year. Reserves shall be deemed adequate when said fund reaches an amount equal to 10% of total fund principal. 2. *The disbursement shall be made at the time of the next regular payment.*

##### XIV.

N. *The HOML permits plural memberships.* The obtaining of Perpetual Membership in one Lodge by a plural member shall have no effect on his membership in the other Lodges to which he belongs. *As many Lodges assist members in the purchase of Perpetual Memberships and to protect their investment, as well as, the long term investment of allowing perpetual memberships to be purchased in their lodges* a Perpetual Member may not transfer his Perpetual Membership to another Lodge of which he is a plural member *without a vote of the Lodge Membership resulting in a two-thirds vote of the membership present approving the transfer. If approved the Perpetual Membership shall only be transferred to another lodge in which the member is in good standing that at the time of proposed transfer allows perpetual memberships in accordance with Sections B and C. This shall not affect the movement of a Perpetual Membership for other reasons as outlined and allowed in the HOML.* If the Lodge to which the Perpetual Membership is transferred has lower dues, including per capita tax, than the Lodge from which Perpetual Membership is transferred the entire amount paid for the Perpetual Membership shall nevertheless, be transferred. If the Lodge to which the Perpetual Membership is transferred has higher dues, including per capita tax, than did the originating Lodge at the time of purchase of the Perpetual Membership, the member shall remit an amount equivalent to the difference between the original cost of the existing Perpetual membership and the cost of a Perpetual Membership in the Lodge to which it is transferred, computed as of the date of the transfer. If the member wishes to retain his plural membership in the Lodge from which he transfers his Perpetual Membership, he shall pay the Lodges' regular dues and per capita tax for the year in which the transfer is made and any subsequent years so long as he retains his plural membership.

## PROPOSED RESOLUTIONS

### 211th ANNUAL GRAND COMMUNICATION

#### RESOLUTION 2022-10(cont)

Whereas, the Grand Master of the Grand Lodge of the State of Louisiana, Free and Accepted Masons, has a duty to protect the honor, good order, and harmony of the Craft in this State; and

Whereas, Article IV of the General Regulations of the Handbook on Masonic Law fails to provide a clear, comprehensive, efficient, and fair procedure to hear the merits of charges of un-Masonic conduct in the Grand Lodge; and

Whereas, as a result of the lack of any such procedure, members have been denied a fair opportunity to be heard in a timely manner or have been subjected to changing forms of procedure; and

Whereas, every Mason in the State of Louisiana accused of un-Masonic conduct and tried by the Grand Lodge deserves a fair, speedy, and just trial by an impartial fact-finder; and

Whereas, it is desirable to have a consistent and enduring form of procedure that provides due process protections to the accused and ensures fair play; and

Whereas, finally settling on one, lasting procedure will prevent further issuance of edicts that the voting delegates of the Grand Lodge have repeatedly refused to adopt; and

Whereas, this Resolution will apply only to those cases that Article VII of the General Regulations of the Handbook of Masonic Law explicitly states must be tried by the Grand Lodge and to no other cases; and

Whereas, this Resolution shall not affect or alter in any way trials held by Constituent Lodges under Article VII of the General Regulations of the Handbook of Masonic Law; now, therefore, be it

*RESOLVED*, that the Handbook of Masonic Law, General Regulations, Article IV be amended to read as follows, the bolded and underlined language being added thereto and the stricken language being deleted therefrom:

#### ARTICLE IV.

##### **Trials and Punishments in Grand Lodge.**

Section 1. *Applicability, Interpretation, and Consistency with Related Law.*

a. *Applicability:*

i. *Article VII Applies to Suspensions by Grand Master:* The Grand Master may suspend a Louisiana Mason not specified in General Regulations, Article VII, Section 1(b)(4) from his Masonic rights and privileges or from office pending trial on charges of un-Masonic conduct for egregious behavior which, in his judgement, would cause disharmony so severe that the member's further exercise of his Masonic rights and privileges or office threatens the operations of the Lodge(s) to which the member belongs. In all such cases, proceedings shall be governed by and follow the procedures for trials in Constituent Lodges of General Regulations, Article VII and not this Article.

ii. *This Article Applies to Cases Not Subject to Article VII:* For every case specified in General Regulations, Article VII, Section 1(b)(4) that can be tried only by the Grand Lodge, proceedings shall be governed by and follow the procedures of this Article and not General Regulations, Article VII.

b. *Interpretation:* The provisions of this Article shall be interpreted and applied to administer fair, impartial, and equal justice and to protect the honor, good order, and harmony of the Craft. In case of any unclear or ambiguous provision, the provision shall be interpreted and applied in the manner most favorable to the accused Brother.

## PROPOSED RESOLUTIONS

### 211th ANNUAL GRAND COMMUNICATION

#### RESOLUTION 2022-11(cont)

**Sec. 714. Setting of Trial**

- A. The Trial Commission shall set the trial date within sixty (60) days after the Accused received the charges, whether he answers or not; provided, however, if he answers and names profane witnesses, or if the prosecutor has profane witnesses, then the trial date will be set by the Trial Commission after the taking of the testimony of all profane witnesses.
- B. The Grand Secretary shall notify the Accused and witnesses, except profane witnesses, of the time and date that the trial will be held in writing either by certified mail, return receipt requested, or by personal service.

**Sec. 715. Order of Trial**

- A. The trial shall commence with prayer, followed by the reading of the charges and the answer.
- B. The Prosecutor and the Accused, or their representatives, may make an opening statement.
- C. The Prosecutor may then call witnesses and present evidence, provided that only those witnesses and evidence disclosed to the Accused, if requested by the Accused, shall be permitted.
- D. Upon conclusion of the Prosecutor's case, the Accused may then call witnesses and present evidence, provided that only those witnesses and evidence disclosed to the Prosecutor, if requested by the Prosecutor, shall be permitted.
- E. Each member of the Trial Commission, the prosecutor, and the Accused or his counsel shall be permitted to ask questions of any witness.
- F. After all evidence is in, the Prosecutor and the Accused, or their representatives, may argue the case with the Prosecutor having the privilege of opening and closing the argument.
- G. The Trial Commission may, in its discretion, recess the trial from time to time and place to place as it deems necessary.
- H. The proceedings of the Trial Commission shall be strictly confidential, except as provided herein.

**Sec. 716. Recordation**

- A. All proceedings before the Trial Commission must be recorded and reduced to a verbatim transcript under the direction of the Grand Secretary. Further, all evidence and other records of the Trial Commission must be maintained by the Grand Secretary.

**Sec. 717. Evidence When Accused is Convicted of a Crime:**

- A. If a brother has been convicted of a crime and sentenced to penal servitude, the Prosecutor need only introduce a certified copy of the charges, verdict and sentence, which establishes a prima facie case and relieves the Prosecutor of offering further proof.
- B. Should the request of the Prosecutor or Trial Commission for a certified copy of the Court record be refused, then a written certification of the Court charges, verdict and sentence by a brother may be introduced in lieu of the Court copy.
- C. The Trial Commission may disregard the verdict in any court trial, which does not always prove guilt or innocence in a Lodge trial.
- D. A Brother may be guilty of gross un-masonic conduct and yet be acquitted in Court, for there are many offenses that violate the moral law that do not violate the criminal law.
- E. The evidence in the Court may be presented to the Trial Commission, but the accused has the right to offer proof of mitigating circumstances, absence of moral turpitude and even innocence; all of which the Trial Commission should consider in arriving at its decision on guilt and degree of punishment.

**Sec. 718. Voting**

- A. The commission, after conclusion of closing arguments, shall retire to vote. All members of the Commission must vote, provided no member thereof shall be entitled to vote who was not present during the entire trial. A majority vote cast shall convict.

## PROPOSED RESOLUTIONS

### 211th ANNUAL GRAND COMMUNICATION

#### RESOLUTION 2022-11(cont)

- B. The Trial Commission shall only vote on sentencing after it has voted to convict. Even if the Accused has appeared and admitted his guilt, a vote to convict must still be taken as, due to mitigation, absence of moral turpitude, etc., the Trial Commission may find the Accused not guilty. Thus, a vote to convict is necessary before any vote on sentencing may take place. Guilt is NEVER presumed.
- C. Voting on Sentence After Conviction:
  - 1) The vote on the sentence shall be taken in the following order for the different degrees of punishment.
    - a) First, expulsion, for which a unanimous vote shall be necessary;
    - b) Second, suspension, for which a two-thirds vote shall be necessary.
      - a. If the Trial Commission votes to suspend a brother, it must then decide, by two-thirds vote, what the appropriate length of suspension shall be up to twenty (20) years.
      - b. Should the Trial Commission be unable, by two-thirds vote, to determine an appropriate length of suspension, the Accused shall be automatically suspended for a year and a day, thus necessitating his application to be reinstated as provided herein.

## PROPOSED RESOLUTIONS

### 211th ANNUAL GRAND COMMUNICATION

#### RESOLUTION 2022-12

Author: Shawn Williams, P.M., D.D.G.M.- Gerard H. Barrois No. 469

HOML; General Regulations; Article VII.; Sections:10.c and 11.a; Pg. 50

**Whereas:** Mason At Large is a masonic term used in our General Regulations to refer to a formally suspended or expelled member, and

**Whereas:** Article VII Section 10.c states that in case the Grand Lodge has in the past increased the penalty or sentence imposed by a Lodge, the Grand Lodge, itself, may thereafter, upon recommendation of the Committee on appeals and Grievances, reinstate the brother as a "Mason-at Large". If such brother does not succeed in affiliating with a constituent Lodge of this Grand Jurisdiction before the next Grand Communication of the Grand Lodge, he shall revert to the status possessed by him before the last action of the Grand Lodge., and

**Whereas:** Article VII Section 11.a General Provisions states A brother who has been expelled or indefinitely suspended cannot be restored to Masonic privileges except by the Grand Lodge on the recommendation of the Lodge which expelled or indefinitely suspended him. Applications for reinstatement shall be received at stated meetings only. The Lodge, by appropriate motion upon majority vote of the members present at such stated meeting, has the right to refuse to accept an application for reinstatement, The applicant shall be notified of such action of the Lodge. And

**Whereas:** a member who is expelled or indefinitely suspended, whether by the Lodge or the Grand Lodge, was in fact expelled after the trial of said lodge. And

**Whereas:** If the previous statement is true, than Article VII, Section 10.c is in direct conflict with Article VII Section 11.a. and

**Whereas:** Article VII Section 11.a was added to the General Regulations in 2009, and Article 10.c was already a part of the General Regulations, it is obvious the Grand Lodge voted to have Article VII Section 11/a take precedent over Article VII Section 10.c. and

**Whereas:** If the Committee on Law and Jurisprudence did not find the conflict in 2009, that does not alter the intent of Article VII Section 11.a. and

**Whereas:** if Article VII Section 11.a supersedes Section 10.c, then "Mason at Large" would only be available to members in good standing whose lodge turns in its charters. Those members would be "Masons at Large" for one year, and if not affiliated with another Lodge within the Grand Jurisdiction of Louisiana, would be dropped from the rolls of masonry until which time they reapply.

#### **Therefore, Be It Resolved**

**Article VII Section 10.c should be eliminated** from the Handbook of Masonic Law, and no person who is suspended or expelled either by the Grand Lodge or by the lodge conducting the trial, shall be allowed readmittance into the fraternity except under Article VII Section 11.a.

**RESOLUTIONS**

**Resolutions timely filed, along with No.'s 2019-10, 2020-08, 2021-04, 2021-09 to be considered and at this Grand Communication, are:**

**RESOLUTION NO. 2019-10** as amended, proposes to amend the law on 50 year member exemptions from dues, fees and assessments, to limit the exemptions on those members who become 50 years members on or after January 1, 2021, and plural members who have attained that status after January 1, 2021, to have the exemption apply to the number's home lodge only.

As this effect of this resolution would be to amend the HOML, CONSTITUTION, Article VIII, Section 1, page 10, as well as Digest of Edicts, DUES, FEES and ASSESSMENTS, page 80-81, it must be received by a favorable vote of a majority of a quorum, which it has, be published in the Proceedings, which it has, lay over to the next Annual Grand Communication, which it has, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION NO. 2020-08**, as amended, proposes to increase the Per Capita Dues One Dollar (\$1.00) per year during each of the next 10 years, commencing in 2022, for each member borne on the rolls of the Lodge during the year except those exempted by Constitution, Article VIII, Sec. 1. The prior provisions for an annual increase expired in 2018.

As this resolution proposes to amend Digest of Edicts, it must be received by a favorable vote of a quorum, lay over from one session to another, which it has, and be adopted by a favorable vote of two-thirds of a quorum of delegates. Your committee notes Resolution 2022-07 deals with the same subject matter, and the two resolutions should be considered at one and the same time.

## THE REPORT OF THE COMMITTEE ON MASONIC LAW AND JURISPRUDENCE (cont)

**RESOLUTION 2021-4:** Proposes to amend Constitution, Article IV, Section 3, to provide in those instances when competent authority prohibits the assembly of persons in numbers sufficient to provide a quorum of Grand Lodge, the required ballot, whether printed or electronic, contain the name of the candidate for Grand Junior Warden who has been recommended by a majority vote of Past Grand Masters.

Current law makes no provision for electronic balloting, or for nomination or election of a Grand Junior Warden under these circumstances.

As the adoption would amend Constitution, Article IV, Section 3, paragraphs 4 and 5, it must be received by a favorable majority vote of a quorum, which it has, lay over to the next annual communication for which it has, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2021-9:** Proposes that Widows Sons Louisiane, a motorcycle riding association, be made an appendant body of the Grand Lodge of Louisiana.

Your committee notes the HOML makes no provision for requirements for status as an appendant body, which by custom and practice has included Shrine Temples, Scottish Rite Bodies, York Rite, Grottoes, Order of Demolay, International Order of Rainbow Girls, Order of Eastern Star, Order of the Amaranth Inc., and Daughters of the Nile, all of whom have their own rules and regulations.

We also note the current existence of Louisiana Motorcycle Lodge No. 13.

This resolution was amended to provide for referral only to the Committee on Recognition for report at next Annual Grand Communication.

**RESOLUTION 2022-01:** proposes to fix the time and place for the Annual Grand Communication for the year 2024, to commence on or about the day prescribed in the Handbook of Masonic Law, General Regulations, Article 1, Section 1, or such other date set by the Grand Lodge in Annual Communication assembled, and that it be conducted in the City of Alexandria, Louisiana.

The proposed resolution is in compliance with and does not amend the Handbook of Masonic Law; the presumptive Grand Master for that time is the author, and it is routine. It must be received by a majority vote of a quorum of delegates lay over from one session to the next, and be adopted by a simple favorable majority vote of a quorum of delegates.

**RESOLUTION 2022-02:** proposes to amend Digest of Edicts, ESOTERIC WORK, to codify the prohibition on use of coded memory aids of any type in the recitation of the catechism of any degree, as intended in the promulgation of this printed coded memory aids, which "are allowed in teaching the rituals of catechism, opening, conferral and closing the Lodge in each of the degrees and the floor-work in relation thereto, but not for use during opening and closing the Lodge in any degree and/or conferring of degrees".

As this resolution proposes to amend the Digest of Edicts, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2022-03:** Provides that the Board of Trustees for Masonic Charities henceforth be authorized and empowered to sell, alienate, lease and otherwise deal with all real property owned by the Grand Lodge in its fraternal Capacity; provided however that any such action should be taken only when approved by a favorable vote by a majority of the Board Members; further provided the Grand Master shall have the power to cast a deciding vote in the event of a tie. (This is as it was prior to 2009.) Further, that the Board of Trustees for Fraternal Properties be dissolved and abolished, as it will have no further duties.

As this resolution would amend General Regulations, Art. 1, Sec. 2(T), page 14 and Article X, Section 5, page 56, it must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2022-4:** provides for the creation and use of a Certificate of Withdrawal in lieu of a Certificate of Demit for plural members merely desiring to withdraw from a particular Lodge while retaining membership in another Lodge or Lodges in this jurisdiction.

2022

## THE REPORT OF THE COMMITTEE ON MASONIC LAW AND JURISPRUDENCE (cont)

Your committee notes the Grandview database already provides for the use of this option, and a Certificate of Withdrawal clarifies the intent of the withdrawing Brother without raising any peripheral issues relating to membership in other Lodges of which he is a member.

As this resolution would amend the Handbook of Masonic Law, General Regulations (several provisions) and Digest of Edicts to provide for both Certificates of Demit and Withdrawal, it must be received by a favorable majority of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable two-thirds of a quorum of delegates.

**RESOLUTION 2022-05:** proposes to amend the requirements for Perpetual Membership to allow Perpetual Memberships in accordance with prior law, provided the Lodge in which he petitions for Perpetual Membership has not opted out of the program, and the applicant tenders a) a minimum of twenty times the annual dues (or more as required by the Lodge), plus fifty times per capita due the Grand Lodge of Louisiana, OR b) the promise to pay the aforesaid sums in five equal installments in addition to regular Lodge dues.

The resolution provides for method and forms to be used in applying for Perpetual Membership, and distribution of funds.

As the resolution would amend Digest of Edicts, PERPETUAL MEMBERSHIP, page 100, it must be received by a Favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates

**RESOLUTION 2022-06:** proposes to fix the time and place for the Annual Grand Communication for the year 2023, to commence on or about the day prescribed in the Handbook of Masonic Law, General Regulations, Article 1, Section 1, or such other date set by the Grand Lodge in Annual Communication assembled, and that it be conducted in the City of Alexandria, Louisiana.

The proposed resolution is in compliance with and does not amend the Handbook of Masonic Law; the presumptive Grand Master for that time is the author, and it is routine. It must be received by a majority vote of a quorum of delegates, lay over from one session to the next, and be adopted by a simple favorable majority vote of a quorum of delegates.

**RESOLUTION 2022-07:** proposes to increase the Per Capita Dues One Dollar (\$1.00) per year during each of the next 10 years, commencing in 2022, for each member borne on the rolls of the Lodge during the year, except those exempted by Constitution, Article VIII, Sec. 1. The prior provisions for an annual increase expired in 2018.

As this resolution proposes to amend Digest of Edicts, it must be received by a favorable vote of a quorum, lay over from one session to another, which it has, and be adopted by a favorable vote of two-thirds of a quorum of delegates. Your committee notes Resolution 2022-08 deals with the same subject matter, and the two resolutions should be considered at one and the same time.

**RESOLUTION 2022-08:** proposes that the Delegates declare null and void the provisions of Edict 2024 by Grand Master Fowler, insofar as it purports to grant the Grand Master power of commutation of sentences imposed, and dismissal of charges of unmasonic conduct prior to trial of the said charges; that all acts of Grand Master Fowler under these provisions be revoked, and same be referred to the Committee of Appeals and Grievances for review and recommendation to the delegates for final action.

As this resolution will not amend the Handbook of Masonic Law, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable majority vote of a quorum of delegates.

**RESOLUTION 2022-09:** proposes the Delegates declare out of order Edict 2022-3 modifying the date and time of the 2022 Annual Grand Communication, previously fixed by passage of Resolution 2020-7, fixing the time and place for the said 2022 Annual Grand Communication on or about the date prescribed in the Handbook of Masonic Law, General Regulations, Art. 1, Sec. 2; or such other date set by the Grand Lodge in Annual Communication assembled, and any business conducted prior to the Delegates approval of a date other than provided for in Resolution 2021-7 be ruled null and void.

As passage of this resolution will not amend the Handbook of Masonic Law, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable majority of a quorum of delegates

## THE REPORT OF THE COMMITTEE ON MASONIC LAW AND JURISPRUDENCE (cont)

**RESOLUTION 2022-10:** Proposes to replace HOML General Regulations, Art. IV, effectively re-writing the provisions of said Art. IV relating to Grand Master suspensions, to provide for trials before panels of Past Masters chosen by the respective District Lodges, charges, trials, penalties and appeals.

Your committee notes no provision relates to Art. VII proceedings, which will create different penalties for trials under the different Articles. Current law provides that the suspended members must apply for recommendations for reinstatement to the Lodge that suspended him not earlier than six months; an expelled Mason shall not be recommended for reinstatement until he has received a favorable ballot, and not then until three years have elapsed from date of Grand Lodge action. The proposed resolution provides all penalties will be decided by the hearing panel, providing for suspensions for no more than ten years, and permanent expulsions.

Further, current law makes no provisions for Grand Master commutations, or dismissal without Grand Lodge approval. This resolution proposes such authority be granted.

This resolution's passage will create differences in application to cases tried under Art. IV and VII, including lengths of suspension, applicability of commutations and dismissals without Grand Lodge approval. We believe there should be uniformity in all penal provisions.

It should be noted that Resolution 2022-11 deals with some of the same subject matter, and should be considered in conjunction with each other.

As this resolution would amend the HOML, General Regulations, Art. IV, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2022-11:** Proposes to codify Edict 2018-3, activating the Louisiana Masonic Disciplinary Code, replacing Handbook of Masonic Law, General Regulations, Art. IV and VII, effectively rewriting the entirety of the HOML provisions relating to complaints, charges, trials, penalties, and appeals, creating six regional Trial Commissions, and providing rules and regulations in said Code.

Your committee notes there are many similarities in Resolutions 2022-10 and 2022-11. However, the former deals only with Grand Master suspensions, creating substantial differences with current law under Art. VII; the latter would apply to all disciplinary matters equally, whether originating in Blue Lodge or Grand Master's actions.

As this resolution would amend the HOML, General Regulations, Art. IV and Art. VII, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION 2022-12:** Proposes to rectify an apparent discrepancy in the application of Handbook of Masonic Law, General Regulations, Art. VII Sections 11a, which provides for reinstatement of suspended or expelled Masons only by the Grand Lodge on recommendation of the Lodge which acted to expel or suspend him, and Section 10c, which provides that in cases where the Grand Lodge has in the past increased the penalty imposed by a Lodge, the Grand Lodge itself on recommendation of the Committee of Appeals and Grievances, may reinstate the Brother as a "Mason-at-Large", by eliminating General Regulations, Art. 10c, completely.

As this resolution would amend the HOML, General Regulations, Art. IV, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**REPORT OF THE COMMITTEE ON STATE OF THE ORDER**

Your Committee on State of the Order has reviewed the Grand Master's address for 2021-2022. Most Worshipful Terrell D. "Terry" Fowler, GM, continued to deal with the COVID-19 epidemic this year. When we think the virus is about to run its course a new version emerges. He has addressed the issue and the affairs of the Grand Lodge in a very positive manner. In his address to the Grand Lodge, Brother Fowler well described the procedure that he has had to follow during this year as our Grand Master. This committee commends him on direction and a peaceful and harmonious year. Portions of the report, if needed, have been referred to the proper committees. The committee is appreciative of Brother Fowler for his service as our Grand Master, and a smooth year in the management of Grand Lodge affairs.

**THE BOARD OF TRUSTEES FOR MASONIC CHARITIES  
REPORT ANNUAL REPORT**

M: W: Grand Master, Grand Lodge Officers and Brethren:

The Board of Trustees For Masonic Charities is responsible for the management of funds derived from investments, bequeaths, contributions and donations. This Board is a charitable entity and must abide by specific requirements and regulations to maintain it's tax exempt status as a 501(C)3 organization as directed by the Internal Revenue Service.

It is important that each Mason in Louisiana know there must be a clear separation of the 501(C)3 charitable, tax exempt and deductible funds and the 501(C)10 funds and assets used to operate our Grand Lodge. The funds must be kept in separate accounts and not co-mingled for any reason. To maintain our 501(C)3 status The Board must solicit and seek funds from outside of our Masonic Fraternity, in conjunction with the donations and bequeaths derived from our membership.

The Board has devised a Business Plan to assist in the growth of assets for Mason Charities. We feel that the full implementation of this plan will provide increased funding and growth for the various charities supported by Masonic Charities.

The Board has an Investment Committee which oversees the monthly operations of our Investment Management Company. The Investment Committee and Management Company reports at the Boards quarterly meetings on the status of our investments and advises the Board on any changes that need to be made to maximize our return on investment. The Board of Trustees for Masonic Charities has approved an investment plan that dictates the investment policies and parameters which the Investment Management Company must use as a guide for our investments. In 2021, our investments out performed most of the market indicators and we had a gain in relation to the previous year.

The Board of Trustees for Masonic Charities thanks all of the Louisiana Masons for their donations and bequeaths in 2021.

## HISTORY COMMITTEE REPORT

To the Most Worshipful Grand Master, Officers and Brethren of the Grand Lodge of Louisiana, F. & A. M. This Committee thanks the Grand Master and Brethren for allowing us to serve the Grand Lodge.

This Committee continues to work and assist the Lodges of Louisiana encouraging each Lodge to create and maintain their history. There is so much history in each Lodge that needs to be captured for future generations. Each Lodge has its own individuality, i.e. its origin, name, furniture, papers, etc. This information should be used for the education of its members and future generations. Our Committee stands ready to assist all Lodges in preserving our rich history.

Again, Brethren, this Committee thanks you for allowing us to be of service to our Grand Lodge.

## INSURANCE COMMITTEE REPORT 2021-2022

Most Worshipful Grand Master, Right Worshipful Grand Lodge Officers, and Brethren:

The following is submitted on behalf of the ad hoc "Insurance Committee." The committee currently consists of Brothers James "Chuck" Morgan III, P.M., Jay W. Owensby, P.M., H. George Scanlan, Jr., P.M., and MW Steven Pence, Grand Secretary. There have been no meetings of the committee in the past year. No insurance issues have been referred to the committee during this past year. The Grand Lodge has continued to appropriately renew its coverages. Quotes for coverage can be obtained by individual Lodges through the Grand Lodge website.

The "Insurance Committee" continues to strongly urge each member Lodge to review its current property and liability coverage to ensure that same is in place, and is adequately covering your risks. Even if the Lodge is only renting space in a building owned by someone else, care should be taken to see that the Lodge furnishings, including officers jewels, are covered in case of loss, and that proper liability coverage is being maintained. Each Lodge should be aware of whether or not its property is in a flood zone, and if so, to purchase proper flood coverage.

Respectfully & Fraternaly Submitted,

James H. "Chuck" Morgan III, P.M., Chairman

**BOARD OF TRUSTEES FOR THE MASONIC  
LEARNING CENTER OF LOUISIANA 2021**

M: W: Grand Master and Brethren:

The Board of Trustees for the Masonic Learning Center of Louisiana Dyslexia Training Program is pleased to report that 2021 was a successful year for your principle philanthropy. Under the administration of Sharon McCaskill, the Masonic Learning Center has continued to assist two primary age groups with educational and training services addressing Dyslexia. The following data is an overview of this work:

- 88 students served
- 27 classes offered
- 12 communities served
- 27 teachers employed
- 8 Masonic Districts served
- Total expenses \$ 190,971.98
- Average **budgeted** cost per student \$ 2,170.14
- Donations received \$ 23,556.36

The Board is grateful to have the support in the way of time, talent, and treasure that so many of the brethren contribute in working with our local classes. The great success we enjoy is not so much what this Board does, but what you do to help our children overcome dyslexia today, to become the leaders of tomorrow. We welcome all lodges, but more particularly, all Masons in Louisiana to take an active role in this philanthropy. The rewards will remain in your heart for eternity.

**BOARD OF TRUSTEES FOR THE MASONIC FOR THE  
MASONIC LEARNING CENTER OF LOUISIANA DYSLEXIA  
TRAINING PROGRAM**

Most Worshipful Grand Master, Officers, and Brethren of the Grand Lodge of the State of Louisiana, F. & A.M.

The Masonic Learning Center of Louisiana Dyslexia Training Program experienced a continuation in 2021 of the disruption caused by the unprecedented COVID-19 Pandemic. The program suffered through observance of local, state and federally mandated restrictions, loss of teachers and students.

The Masonic Learning Center of Louisiana Dyslexia Training Program suffered a second disruption with the retirement of longtime Board Chairman Richard "R.B." Smith. The Board is happy to report Brother R.B. Smith was elected to the Board of Trustees as an Emeritus Member and has agreed to continue working with the investment advisors.

The Board of Trustees for the Masonic Learning Center of Louisiana Dyslexia Training Program is pleased to report that they are in the process of developing programs to increase the numbers of center locations and students in the state. This will call for a change of direction.

Part of this change in direction is to approach a number of Sheriffs in the state who are members of the Masonic Fraternity to assist in a joint venture to establish centers in their parish schools. Parish School Boards and Charter Schools are also being approached to assist in a joint venture in setting up centers in their respective schools. By doing so travel time for students and teachers can be eliminated as they would no longer need to leave school and travel to a separate center location to attend our program. This is and has been a major hindrance to the program throughout the state.

**BOARD OF TRUSTEES FOR THE MASONIC FOR THE  
MASONIC LEARNING CENTER OF LOUISIANA DYSLEXIA  
TRAINING PROGRAM (cont)**

A second part of discussed changes is a publicity campaign being initiated by the Board throughout the state to get our message out to parish schools, charter schools, civic groups, and the general public through printed media and social media.

The application for the program has been revised to be more user friendly as some questions were found to be difficult to understand.

The Board of Trustees for the Masonic Learning Center of Louisiana Dyslexia Training Program is grateful for the continued support of the members and Lodges of the Grand Lodge of the State of Louisiana, F. & A.M., without whose support, through donation of time, energy, space, and monetary donations, this Masonic Philanthropy would surely suffer.

Currently twelve (12) communities host Dyslexia centers within 8 Masonic Districts, with several of these communities hosting more than one class and/or location. The annual budget for 2021 is \$190,971.98, 88 students are being served at the average cost per student of \$2,170.14, and 27 teachers are employed.

Our success is the joy of knowing the Dyslexia Training Program has assisted and changed the lives of the students and assists them with furthering their education and becoming leaders of tomorrow. We encourage all Masons to take an active role in the philanthropy. Our members are the ambassadors to the community.

**SERVICE COMMITTEE REPORT**

Most Worshipful Grand Master, Right Worshipful Grand Lodge Officers, and Brethren:

This year, the Service Committee was unable to attend the Grand Lodge Session and the Warden's Retreat and Training Session due to the COVID-19 Pandemic and subsequent occupancy restrictions on public venues. However, once businesses were allowed to re-open, the Service Committee continued to serve the Brethren and Lodges. The Service Committee will continue to carry Lodge supplies, forms and many other useful items and hope to grow in the ability to provide these needs in this "new normal" for the Fraternity.

As always, the Service Committee looks forward to serving the Brethren in the coming year!

Many thanks to the members of this Committee and especially to Ms. Dianne Bordelon, whose hard work and dedication makes all this possible.

## RECEPTION OF VISITORS COMMITTEE

Most Worshipful Grand Master and Grand Lodge Delegates, your committee for the reception of visitors is pleased to report that unlike the prior two Grand Lodge Sessions, this Session of the Grand Lodge of the State of Louisiana F&AM, is well attended by many visiting dignitaries from sister Grand Lodges and various appendant and collateral bodies. Each of these visitors have been warmly welcomed and introduced in appropriate form at the various assemblies and meetings of this Grand Lodge Session.

We recognize and remember the passing of Brother Don Springler, P.M. who served on this committee for several years. He is missed.

Thank you for this opportunity to serve you and the Grand Lodge with the reception of visitors. If we may be of further service, please call on us.

Respectfully yours,

## REPORT OF COMMITTEE TO SUPERVISE PUBLICATION OF THE LOUISIANA FREEMASON 2021-2022

Since the time of the last report of this committee, The Louisiana Freemason has consistently published a weekly eEdition on Friday afternoons, with the exception of the weeks of May 28, June 4, June 11, and November 26, 2021. No digital quarterly issues were published as there was a lack of more substantial content contributions, with larger articles that have been submitted and approved being reserved forthcoming Spring 2022 printed issue, to be printed and distributed before the next Grand Lodge session. In a change from the previous two years, the printed issue shall be sans submitted resolutions. The eEdition continues to receive compliment and support from the brethren, and content contribution fitting its format continues to grow.

In January 2021, a challenge for brethren in constituent lodges to appoint themselves as "media correspondents" for their lodges, to the Louisiana Freemason was made, and in January 2022, it has been reissued for the purpose of engaging brethren on the local level and investing them with a sense of ownership in the publication. In recognition of his continued contribution during 2021 challenge, issued in January 2021, Brother Brent Humphries of Michael Dempsey No. 327 was named and recognized as the 2021 Lodge Media Correspondent of the year, and was highlighted in the December 31, 2021 eEdition.

Overall costs for the annual publication of the eEditions and the print edition were consistent with the 2020-21 report, with relatively little fluctuation.

The Freemason will continue to be published in a digital magazine format as content allows, with one issue per year being published in print. The digital editions are distributed via email and through various online formats. The annual printed edition is distributed via traditional mail, to Master Masons in Louisiana, and a weekly eEdition will continue to go out on Friday afternoons to all Master Masons with an email opting in for Grand Lodge communication on Grandview. The mailing list is updated quarterly, in addition to individuals subscribing of their own accord through the year.

## NECROLOGY COMMITTEE REPORT

Most Worshipful Grand Master, Right Worshipful Grand Lodge Officers, and Brethren:

It is with a heavy heart that your Necrology Committee must report that the dread messenger of death has once again reduced our ranks. Since our last report 321 brave brothers have laid down their working tools for the final time and entered that spiritual building, that house not built with hands, eternal in the Heavens.

These brothers will be remembered on Feb. 27, 2022 at our Necrology Service, which will be conducted by WB Dennis Snoddy. It is respectfully requested that every companion who can attend do so, in a show of their respect for our departed brethren. It is our duty to remember their zeal for our fraternity which has help it to survive and prosper.

We shall always remember and grant, to all of our brothers who we lost in 2021, all the due respect, honor and dignity they have earned, and may the Grand Architect of the Universe welcome them with open arms, and these words; "Well done, thou good and faithful servant; thou hast been faithful over a few things. I will make thee ruler over many things, enter thou into the joy of thy Lord".

My thanks to the members of our Necrology Committee for your assistance and support.

W. Bro. Dennis Snoddy, Chairman  
Necrology Committee

## LODGE SECRETARY TRAINING COMMITTEE ANNUAL REPORT

To The M: W: Grand Master, Grand Officers, and Members of the Grand Lodge of the State of Louisiana:

The year of 2021 has been an unprecedented event for all of us. The Covid-19 virus has affected just about everyone in the state. However, the duties of the lodge secretary must go on to its completion. The Secretary Training Committee has not held any open workshops around the State of Louisiana for the year of 2021 due to the restrictions and the possibility of infection. The safety and well-being of our brothers is first and foremost above anything else. However, I am happy to report that our committee has stayed in contact via telephone and e-mails with lodge secretaries who need assistance regarding petitions, file management, and seeking guidance. In addition, a Virtual Training Workshop was held in January of 2021 to assist any and all Masons wanting to learn more about the position of lodge secretary. The committee will continue to inform and evaluate the efforts of the lodge secretaries in order to improve on the learning process. This form of training will bring our brothers closer to seeking 'more-light'. It is an honor to serve and I hope this report will be of service to the Grand Lodge for the great state of Louisiana.

Fraternally submitted,

Jim Wingate, P.M.  
State Chairman Secretary Training Committee

## PERMANENT COMMITTEE ON WORK

The permanent committee on work was limited on meeting time again this year by Covid-19 and other factors. Although our meeting times have been adjusted and limited your District Grand Lecturers were hard at work ensuring that you have the opportunity to take your exams when you were ready. They deserve all the credit for all of those "Good Nights for Masonry" that you hear about. The following numbers of proficiency cards were issued in 2021.

	Total	New	Renewal
Level 1	62	45	17
Level 2	3	2	1
Level 3	45	6	39
Gold Cards	4

### MEMBERSHIP DEVELOPMENT COMMITTEE

The members of the Membership Development Committee, wish to thank M:W: Terrell D. Fowler, Grand Master, for the opportunity to serve the Grand Lodge of Louisiana this year. We recognize and appreciate his leadership and dedication to our fraternity. He has traveled far and wide throughout Louisiana and visited other neighboring States to promote Louisiana Freemasonry.

As we reflect upon the past year, it has no doubt been one that brought many of us hardships and distractions from our usual and customary activities. The COVID Virus has taken its toll on our meeting attendance and participation. Likewise the destruction caused from hurricanes and flooding have damaged many of our homes, Lodges & Churches across our state. The stress and heartache that we have experienced from having your home, Lodge and Church damaged brings to mind the importance of the principal of conducting ourselves in a spirit of "Peace & Harmony" among our Brothers and acquaintances.

However, the past year is in the past; and we now have another opportunity for each of us to recommit ourselves to focus our efforts upon helping our Brothers & neighbors in our communities. We encourage you this year to look for creative ways for your lodge membership to get out into our local communities and participate as Masons in public events, parades & festivals. Be sure to let the public see who we are and what our great fraternity stands for. We believe that the principals of Friendship Morality & Brotherly Love are best demonstrated by our actions while serving others in need, in our very own neighborhood and community.

Fraternally,

Steven L. Jennings. P.M. Chairman  
District Deputy Grand Masters

### COMMITTEE ON LODGE BUILDINGS

## REPORT OF SPECIAL COMMITTEE ON THE LIBRARY, MUSEUM, AND ARCHIVES OF THE GRAND LODGE

M: W: GRAND MASTER AND BRETHREN:

We, the Special Committee on the Library, Museum, and Archives of the Grand Lodge, thank you for the opportunity to serve and submit our annual Report on the state of our Library, Museum, and Archives as follows:

The library has had several donations of various items over the previous year including things of important historical nature such as original photos of M:W: Bro. Charles F. Buck, P.G.M. (from a descendant), several original handwritten documents and letters from the 1871 formation of Keystone Lodge No. 213, and more items and books on permanent loan from the estate of M:W: Bro. William J. Mollere, P.G.M. In addition to the dozens of regular information requests that come in over a given year, a notable research project on which the library is providing ongoing assistance is that of assisting Dr. Ashley Oliphant and Beth Yarbrough, authors of *Jean Lafitte Revealed: Unraveling One of America's Longest-Running Mysteries*, on their forthcoming book that involves Masonry in early 19th Century New Orleans and Haiti. The Library and Museum Foundation gladly accepted a \$10K donation from the High Twelve of New Orleans and \$30K from the Scottish Rite Foundation of New Orleans. It is proposed that some of these funds go towards updated displays and informational paneling to enrich the experience of visitors to the library/museum. The library and the Louisiana Lodge of Research are working together on projects that benefit both organizations through the development of shared membership incentives and benefits.

In short, under the able leadership of Bro. Gar Pickering, the Library and Museum continues to grow and expand and is an arm of our fraternity of which ALL of us can be very proud. We look forward to many years of continued prosperity.

Respectfully submitted,

J. Keith Gates, P.M., Chairman

## REPORT OF THE GRAND LODGE CEMETERY

To the Most Worshipful Grand Master, Officers and members of the Grand Lodge of Louisiana.

The board continues the renovation and repair of the grounds to include repairing of the office roof damaged by Hurricane Ida.

The normal maintenance of the cemetery is being conducted by a worthy brother who cuts the grass and cleans the grounds in and outside the fence line. This year we had the office inside and outside painted with bright colors giving a fresh look. The next step is to replace the windows that have fallen under disrepair over the years.

The Brothers of Perfect Union are having their tomb repaired by a contractor and when completed will be a magnificent structure facing the main streets of New Orleans.

The grounds are currently being pressure washed to include paved pathways. The board is looking into putting video cameras outside the office to maintain security and keep vagrants out.

The board has taken a stance to have the Cemetery become self-efficient by having two tour groups, under contract, and allowing filming crews to use the site as part of their production. This along with the assessments are giving us capital to do the required maintenance and not depend on our secured funds.

In addition, we are currently sending out billing of assessments for 2022 in January. Our input of the names of the persons interned in the Cemetery are nearing completion at about 85%. We are receiving complements on how well the Cemetery is looking from both the brothers and visitors. But there still remains much work to be completed.

**BOARD OF DIRECTORS TO MANAGE**  
**PERPETUAL MEMBERSHIP**

2021 Report of the Perpetual Membership Committee

1. The Board to Manage the Perpetual Membership Program manages the Perpetual Membership Funds under the rules of the Perpetual Membership Fund Investment Policy. This Policy is modeled after the Grand Lodge of Louisiana model Investment Policy. Briefly, this policy details how the Perpetual Membership funds may be invested. The principal amount of the Program is invested in Long Term Bonds (Principal Account). This Principal amount is not to be spent. The earnings from the Principal are held in a separate fund (Reserve Account) which is invested in many different types of financial instruments, primarily equities, short-term bonds, and Treasury bills. There is a third account (Cash/Short Term Account), which primarily holds very short terms instruments and cash. This account is used to pay the Blue Lodge dues payments.

The Investment Manager appointed by the Board talks with our Broker, Huddleston & Smith, at least every two weeks to review the investment strategy. Often this conversation happens several times a week if the markets warrant.

2. As of December 31, 2021, the balance of the accounts were as follows:

Principal Account:	\$4,752,348
Reserve Account:	\$ 423,435
Cash/Short Term Account:	\$ 284,120

At the close of 2021 the total of earnings for these accounts amounted to a Rate of Return of 6.47%.

In October 2021, in order to capture unrealized earnings in the Reserve Account, funds were moved from the Reserve Account to the Cash/Short Term Account which will be used to pay the Blue Lodge Perpetual Memberships in February 2022.

In the first quarter of 2022, the accounts will be rebalanced to bring the Principal Account to the basis level and the reserve account and/or cash account increased.

Each year brings different challenges to the financial markets. In order to protect the Perpetual Membership Fund principal and to earn a return that will allow the payment of the Blue Lodge payment plus increase the Reserve Fund requires diligent contact with the Broker and the ability to adjust to changing market conditions swiftly.

The Perpetual Membership Fund is on track to earn, in 2022, a return that will allow a maximum payout to the Blue Lodges and increase the Reserve Account.

John F. Knox, Jr.  
Chairman, Perpetual Membership Committee

## REPORT OF THE MASONIC EDUCATION COMMITTEE

Most Worshipful Grand Master, Grand Lodge Officers, Wardens and Brethren:

The committee faced yet another year of difficulty due to the COVID-19 Pandemic. The committee was poised and eager to conduct the Wardens Retreat conference with guest speakers and materials ready, however due to the increasing numbers regarding COVID-19, and the directive issued by the Grand Master on August 2nd, the committee felt it was in the best interest of all to have postponed the 2021 Training Retreat that was scheduled on August 21, 2021. Following the postponement, finding a venue for the Wardens Retreat that could accommodate our numbers while staying inside the state guidelines wasn't feasible. The remainder of 2021 was most difficult as we focused again on virtual education and had to rely on the lodges themselves to disseminate education to their members. We again turned to social media. We joined each other via video sessions in February and a few other times during the year. Postings to the Facebook group "Grand Lodge Of Louisiana Education Committee" benefitted from topics such as Robert Burns, Maundy Thursday, Star name origins, World Bee Day and the bee hive, Mercury in Retrograde, The Vitruvian Man, Giordano Bruno's Memory Wheels, Egyptian Initiation - From Cagliostro to Memphis to Egypt, The Diet of the Knights Templar, How Fez hats are still made by hand and the Autumnal Equinox. The Facebook Group has increased by 2% and benefited from several postings from brethren throughout the jurisdiction including posts from The New Orleans Scottish Rite College (thanks to Bro. Michael Poll) and from the Louisiana Freemason (thanks to Bro. Gar Pickering). Youtube videos on topics as the Trivium and Quadrivium were posted to the Facebook Group garnering 407 views throughout 2021 with 24.3% of those from the viewing on the topic of Geometry and 24% on the viewing on the topic of Astronomy. The committee also grieved the loss of one of its former members, Bro. Michael Anthony Carpenter on August 11th, 2021. Hurricane Ida also had a devastating impact on several of our brothers and their lodges in August drawing efforts and attention of the jurisdiction towards response, restoration and assistance. The Achievement Award submissions for 2021 were inspiring as several lodges participated and had exceptional additional education topics, going above and beyond the simple requirements. The committee has also been reviewing other jurisdictions educational materials and plans and hopes to produce more online resources for the benefit of the brethren wheresoever dispersed.

Sequere Lucem. Fiat Lux.

## MASONIC YOUTH COMMITTEE REPORT

To: The Most Worshipful Grand Master, of the Grand Lodge of Louisiana, F.& A.M.

Most Worshipful Sir, Most Worshipful Sirs, Right Worshipful Sirs, Worshipful Sirs, My Brethren All

First let me thank you for the opportunity to serve our Grand Lodge of Louisiana on the committee for Masonic Youth. This endeavor has been challenging and enjoyable. Reasons for this committee are varied, but, most importantly, we are investing in the future of our beloved Masonic Fraternity.

Louisiana DeMolay currently has 6 functioning chapters with 81 active DeMolays, 11 Squires and 22 advisors. Louisiana Rainbow has 53 members, 11 pledges and 46 advisors across 6 Rainbow Assemblies. The advisors that work with the youth around are state are to be commended as they have invest a huge amount of time to promoting Masonic Youth.

As you are well aware, Masonic Youth organizations depend on the continued support of our Masonic Organizations, and the support given by the Grand Chapter is greatly appreciated.

Fraternally submitted,

Wilson O. Cook, PM  
Executive Officer, Louisiana DeMolay

## FINANCIAL OVERSIGHT COMMITTEE REPORT

Your Financial Oversight Committee is charged with reviewing the records of seven (7) Grand Lodge boards and committees handling fund showing the policies, procedures, and actions to actively and intentionally attend their fiduciary responsibilities. These boards must provide evidence that they are actively managing their funds. Our committee provides oversight verifying policies and practices are in place to insure the investments accounts are actively managed with written goals and objectives that support these boards.

Without the cooperation of each board and committee, we cannot assure the members of the Grand Lodge that their money is safe and/or working to provide income to support the functions of these boards. Over the past several years, this committee has worked with the various boards and committees to establish practices that demonstrate good financial management and acceptable accounting practices so that the funds of the Grand Lodge are safe.

Unfortunately, COVID 19 resulted in our committee only having a Zoom meeting in 2021 to review the actions of the boards and committees. Our review was limited to the boards who promptly responded to our request for documentation. Our committee's objective for the upcoming annual 2022 meeting is to hold the boards accountable for timely responding to our request for information. Accordingly, we will report our finding to you in the next Grand Lodge Advanced Report.

It is the desire of the Financial Oversight Committee to provide resources and guidance to each Grand Lodge committee and board charged with management of funds that will insure prudent written processes that follow acceptable accounting practices in the management of these funds. We appreciate the opportunity to serve on this committee and hope that our service provides guidance and standards for our boards and their leaders.

## BOARD OF TRUSTEES/DIRECTORS FOR THE MASONIC LIBRARY/MUSEUM FOUNDATION OF LOUISIANA, INC. & LOUISIANA LODGE OF RESEARCH 2021-2022

Most Worshipful Grand Master: Your elected Masonic Library Foundation, in accordance with your Mandate, tenders to you and through you, to the Delegates to the Grand Lodge of the State of Louisiana the following:

Your Masonic Library Foundation has had another successful year. The Covid Pandemic created continued challenges. Financially, we continue to be sound with a special thanks to New Borne Lodge #500 F&AM and its Junior Past Master John Combel, along with the Sovereign Grand Consistory and its leadership for their continued financial support to promote the research and preservation of our dynamic history.

W. Bro. Gar Pickering, PM, as Curator of our Library, continues to work with the Grand Lodge in receiving Chapter, Council and Commandery Records from around the state. Plans are also in place to have a cooperative effort with the Louisiana Lodge of Research to have our activities expanded to allow for National and International Research and Publishing capabilities with our own W. Bro. Mike Poll, P.M. offering good council to this cooperative effort. That Program is scheduled to expand to live addresses and podcast lectures. This will be in addition to the outstanding Louisiana Freemason, skillfully edited by W. Bro. Pickering, PM along with W. Bro. Chad Koelling, P.M. who continues doing an outstanding job as our Secretary.

Your Foundation has a bright future and your Board thanks you for allowing us the honor of serving in this honored capacity.

Respectfully submitted,

M:W: Clayton "Chip" Borne, III, PGM  
 Chairman

## PROCEEDINGS OF THE GRAND LODGE

### GRAND LODGE OF THE STATE OF LOUISIANA 2021-2022 COMMITTEE ON APPEALS & GRIEVANCES REPORT

1) **CALL TO ORDER:** Prayer/Pledge

2) **INTRODUCTION OF COMMITTEE:**

- a) **Members:** 1) M.W. Ed. Durham, PGM (Shreveport)  
2) M.W. Pat Kelley, PGM (Metairie)  
3) W. Harry Fontenot, (Sulphur)  
4) W. Anthony Radosti, PM (Kenner)  
5) W. Richard Fox (Walker)  
6) W. Mitch Reynolds, PM (Winnsboro)

- b) **Alternates:** 1) W. Cash Melville, PM (Choudrant)  
2) W. Gary Gribble, PM (Shreveport)  
3) W. Larry Bossier, PM (Baton Rouge)

c) **Chairman:** M.W. Clayton "Chip" Borne, III, PGM, (Mandeville)

3) **COMMITTEE DUTIES** – Appellate review for compliance of the provisions set forth in the Handbook of Masonic Law including, but not limited to the Amendments of Article IV and VII, examine Record for due process notice requirements along with a review of the trial evidence and rulings for the following cases:

- a) **Grand Lodge Trials:** Hearings on charges resulting from suspensions by the Grand Master.  
b) **Lodge Trials:** Review of charges, procedures, and hearings implemented by the Lodge.

4) **COMMITTEE HEARINGS:** Hearings are **Open to all Master Masons in good standing**, however closed to Profanes. Witnesses who are scheduled or might be expected to testify, may be sequestered by either the Committee or the Accused. The Hearings are to be final with no additional Testimony allowed on the Floor of the Grand Lodge, except where specifically ordered by the Grand Master. Note: Master Masons interested in any particular case or cases are encouraged to attend the Committee hearings.

5) **EXECUTIVE SESSIONS:** At the Conclusion of a Case, on Motion of a Committee Member, the chair may call for an Executive Session for discussion and a vote by the Committee as to whether or not the Actions of the Grand Master and/or the Respective Lodge Trial will be sustained, modified or changed, in the Committees' report to the Grand Lodge.

6) **COMMITTEE CREDIBILITY:** In order to ensure the Credibility of the Committee, it will be the position of the Chair not to vote on any of the Cases unless the vote of the Committee is a tie. Should this occur, the Chair will always vote for the lower of the verdicts and sentences presented, i.e., if 3 votes for suspensions vs. 3 votes for reprimands, the Chair will vote with the lesser penalty, i.e., reprimands. In all other cases, the majority will prevail in its report to the Grand Lodge.

7) **STATUS OF THESE PROCEEDINGS:** The Chairman reminds everyone that matters before this committee are not Criminal Proceedings. They are Administrative Hearings or Trials for the Grand Lodge of the State of Louisiana, which is a private self-governing benevolent, Fraternal Organization, to determine if there was sufficient evidence of misconduct to rise to the level of the Masonic Law's definition of Unmasonic Conduct to support the charges against the offending Brother. Cases will be handled as arbitrations for purposes of trial as to the testimony of parties and witnesses. As to issues of evidence, all evidence will be allowed with the Committee giving the evidence whatever weight it deems its value to be.

RESOLUTION 2022-02: proposes to amend Digest of Edicts, ESOTERIC WORK, to codify the prohibition on use of coded memory aids of any type in the recitation of the catechism of any degree, as intended in the promulgation of this printed coded memory aids, which "are allowed in teaching the rituals of catechism, opening, conferral and closing the Lodge in each of the degrees and the floor-work in relation thereto, but not for use during opening and closing the Lodge in any degree and/or conferring of degrees".

As this resolution proposes to amend the Digest of Edicts, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION NO. 2022-03**

**Author: Lloyd E. Hennigan, Jr., P.G.M.**

RESOLUTION 2022-03: Provides that the Board of Trustees for Masonic Charities henceforth be authorized and empowered to sell, alienate, lease and otherwise deal with all real property owned by the Grand Lodge in its fraternal Capacity; provided however that any such action should be taken only when approved by a favorable vote by a majority of the Board Members; further provided the Grand Master shall have the power to cast a deciding vote in the event of a tie. (This is as it was prior to 2009.) Further, that the Board of Trustees for Fraternal Properties be dissolved and abolished, as it will have no further duties.

As this resolution would amend General Regulations, Art. 1, Sec. 2(T), page 14 and Article X, Section 5, page 56, it must be received by a favorable majority vote, lay over from one session to the next, and be adopted by a favorable vote of two-thirds of a quorum of delegates

**RESOLUTION NO. 2022-04**

RESOLUTION 2022-4: provides for the creation and use of a Certificate of Withdrawal in lieu of a Certificate of Demit for plural members merely desiring to withdraw from a particular Lodge while retaining membership in another Lodge or Lodges in this jurisdiction.

Your committee notes the Grandview database already provides for the use of this option, and a Certificate of Withdrawal clarifies the intent of the withdrawing Brother without raising any peripheral issues relating to membership in other Lodges of which he is a member.

As this resolution would amend the Handbook of Masonic Law, General Regulations (several provisions) and Digest of Edicts to provide for both Certificates of Demit and Withdrawal, it must be received by a favorable majority of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable two-thirds of a quorum of delegates.

 Elmo J. Pitre, Jr., P.M.; James H. "Chuck" Morgan, III, P.M.**

RESOLUTION 2022-05: proposes to amend the requirements for Perpetual Membership to allow Perpetual Memberships in accordance with prior law, provided the Lodge in which he petitions for Perpetual Membership has not opted out of the program, and the applicant tenders a) a minimum of twenty times the annual dues (or more as required by the Lodge ), plus fifty times per capita due the Grand Lodge of Louisiana, OR b) the promise to pay the aforesaid sums in five equal installments in addition to regular Lodge dues.

The resolution provides for method and forms to be used in applying for Perpetual Membership, and distribution of funds.

As the resolution would amend Digest of Edicts, PERPETUAL MEMBERSHIP, it must be received by a Favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION NO. 2022-06**

**Author: Jay B. McCallum, P.M. (D.G.M.)**

RESOLUTION 2022-06: proposes to fix the time and place for the Annual Grand Communication for the year 2023, to commence on or about the day prescribed in the Handbook of Masonic Law, General Regulations, Article 1, Section 1, or such other date set by the Grand Lodge in Annual Communication assembled, and that it be conducted in the City of Alexandria, Louisiana.

The proposed resolution is in compliance with and does not amend the Handbook of Masonic Law; the presumptive Grand Master for that time is the author, and it is routine. It must be received by a majority vote of a quorum of delegates, lay over from one session to the next, and be adopted by a simple favorable majority vote of a quorum of delegates.

**RESOLUTION NO. 2022-08**

**Author: Woody D. Bilyeu, P.G.M.**

RESOLUTION 2022-08: proposes that the Delegates declare null and void the provisions of Edict 2024 by Grand Master Fowler, insofar as it purports to grant the Grand Master power of commutation of sentences imposed, and dismissal of charges of unmasonic conduct prior to trial of the said charges; that all acts of Grand Master Fowler under these provisions be revoked, and same be referred to the Committee of Appeals and Grievances for review and recommendation to the delegates for final action.

As this resolution will not amend the Handbook of Masonic Law, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable majority vote of a quorum of delegates.

**RESOLUTION NO. 2022-09**

RESOLUTION 2022-09: proposes the Delegates declare out of order Edict 2022-3 modifying the date and time of the 2022 Annual Grand Communication, previously fixed by passage of Resolution 2020-7, fixing the time and place for the said 2022 Annual Grand Communication on or about the date prescribed in the Handbook of Masonic Law, General Regulations, Art. 1, Sec. 2; or such other date set by the Grand Lodge in Annual Communication assembled, and any business conducted prior to the Delegates approval of a date other than provided for in Resolution 2021-7 be ruled null and void.

As passage of this resolution will not amend the Handbook of Masonic Law, it must be received by a favorable majority vote of those present and entitled to vote, lay over from one session to another , and be adopted by a favorable majority of a quorum of delegates.

**RESOLUTION NO. 2022-10**

**Author: H. Barlow Holley, P.M.**

RESOLUTION 2022-10: Proposes to replace HOML General Regulations, Art. IV, effectively re-writing the provisions of said Art. IV relating to Grand Master suspensions, to provide for trials before panels of Past Masters chosen by the respective District Lodges, charges, trials, penalties and appeals.

Your committee notes no provision relates to Art. VII proceedings, which will create different penalties for trials under the different Articles. Current law provides that the suspended members must apply for recommendations for reinstatement to the Lodge that suspended him not earlier than six months; an expelled Mason shall not be recommended for reinstatement until he has received a favorable ballot, and not then until three years have elapsed from date of Grand Lodge action. The proposed resolution provides all penalties will be decided by the hearing panel, providing for suspensions for no more than ten years, and permanent expulsions.

Further, current law makes no provisions for Grand Master commutations, or dismissal without Grand Lodge approval. This resolution proposes such authority be granted.

This resolution's passage will create differences in application to cases tried under Art. IV and VII, including lengths of suspension, applicability of commutations and dismissals without Grand Lodge approval. We believe there should be uniformity in all penal provisions.

It should be noted that Resolution 2022-11 deals with some of the same subject matter, and should be considered in conjunction with each other.

As this resolution would amend the HOML, General Regulations, Art. IV, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

**RESOLUTION NO. 2022-11**

**Author: Martin J. Reinschmidt, P.G.M.**

RESOLUTION 2022-11: Proposes to codify Edict 2018-3, activating the Louisiana Masonic Disciplinary Code, replacing Handbook of Masonic Law, General Regulations, Art. IV and VII, effectively rewriting the entirety of the HOML provisions relating to complaints, charges, trials, penalties, and appeals, creating six regional Trial Commissions, and providing rules and regulations in said Code.

Your committee notes there are many similarities in Resolutions 2022-10 and 2022-11. However, the former deals only with Grand Master suspensions, creating substantial differences with current law under Art. VII; the latter would apply to all disciplinary matters equally, whether originating in Blue Lodge or Grand Master's actions.

As this resolution would amend the HOML, General Regulations, Art. IV and Art. VII, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

RESOLUTION 2022-12: Proposes to rectify an apparent discrepancy in the application of Handbook of Masonic Law, General Regulations, Art. VII Sections 11a, which provides for reinstatement of suspended or expelled Masons only by the Grand Lodge on recommendation of the Lodge which acted to expel or suspend him, and Section 10c, which provides that in cases where the Grand Lodge has in the past increased the penalty imposed by a Lodge, the Grand Lodge itself on recommendation of the Committee of Appeals and Grievances, may reinstate the Brother as a "Mason-at-Large", by eliminating General Regulations, Art. 10c, completely.

As this resolution would amend the HOML, General Regulations, Art. IV, it must be received by a favorable vote of those present and entitled to vote, lay over from one session to another, and be adopted by a favorable vote of two-thirds of a quorum of delegates.

## PROCEEDINGS OF THE GRAND LODGE

### FOREIGN CORRESPONDENCE COMMITTEE 2019-20-21 REPORT

Most Worshipful Grand Master: Your appointed Foreign Correspondence Committee, in accordance with your Mandate, tender to you and through you, to the Delegates to the Grand Lodge of the State of Louisiana, those Foreign Jurisdictions that have applied directly to our Grand Lodge or indirectly through the Conference of Grand Masters for Recognition.

**1. Brazil State Grand Orients:** The Grand Orient of Rio De Janeiro, the Grand Oriente da Bahia and the Grand Orients Paulista were each recognized by and treaties signed with their respective State Grand Lodges in 2019 along with the Grand Orient of Brazil. Each of these bodies is also recognized by the CMI. It would be reasonable to assume that these Grand Orients are practicing regular Masonry and recognition would be appropriate if so desire.

**2. Grand Lodge of the Republic of Georgia:** Representatives of the Grand Lodge of the Republic of Georgia contacted the Commission in a timely manner to pursue recognition in 2017. Due to the continued instability of government in this country, action on this matter was deferred until the 2018-2019 conferences. No representative from this Grand Lodge was present at the 2019 Commission meeting. However, the Commission was presented with the following information. On March 14, 2015, representatives of the Grand Lodge of Russia, and three lodges regularly constituted by the Grand Lodge of Russia, met and formed the Grand Lodge of Georgia. In 2018 the Grand Lodges of Russia, Ukraine, Turkey and Armenia met and formed the United Grand Lodge of Georgia. At the hearing held in 2022, it was determined that the Grand Lodge of Georgia established in 2015 is practicing Regular Masonry and the new 2018 Grand Lodge, formed by the Grand Lodges of Russia, Ukraine, Turkey and Armenia, fails to meet the Standards for Recognition.

**3. Grand Lodge of Cuscatlan:** A packet was received in a timely manner from representatives of the Grand Lodge of Cuscatlan in 2019. However, no representatives were present at the 2020 Conference to speak on behalf of this Grand Lodge, therefore the Commission takes no action on this matter.

**4. Grand Lodges of Ecuador:** A packet was received in a timely manner from representatives of the Grand Lodge of Ecuador. However, no representatives from this Grand Lodge were present at the 2020 Conference to speak on behalf of this Grand Lodge, therefore the Commission takes no action on this matter.

**5. Grand Lodge of Tahiti:** After review it was determined that the opinion of the Commission in 2012 was incorrect. Tahiti is not a sovereign country and has never declared themselves independent from the Grand Lodge National of France. The 2004 Grand Lodge established by the GLNF is considered Regular, and many jurisdictions are in amity with this Body despite their being under the jurisdiction of the GLNF.

**6. Grand Lodges recognized by the Confederation of Mexican Grand Lodges (CMI):**

Grand Lodge of Aguascalientes	Grand Lodge of Nuevo Leon
Grand Lodge of Baja California	Grand Lodge of Nayarit
Grand Lodge of Baja California South	Grand Lodge of Oaxaca
Grand Lodge of Campeche	Grand Lodge of Puebla
Grand Lodge of Chiapas	Grand Lodge of Queretaro
Grand Lodge of Chihuahua	Grand Lodge of Quintana Roo
Grand Lodge of Coahuila	Grand Lodge of Sinaloa
Grand Lodge of Colima	Grand Lodge of San Luis Potosi
Grand Lodge of Durango	Grand Lodge of Sonora
Grand Lodge of Guanajuato	Grand Lodge of Tabasco
Grand Lodge of Guerrero	Grand Lodge of Tamaulipas
Grand Lodge of Hidalgo	Grand Lodge of Tlaxcala
Grand Lodge of Jalisco	Grand Lodge of Veracruz
Grand Lodge of the State of Mexico	Grand Lodge of Yucatan
Grand Lodge of Michoacan	Grand Lodge of Zacatecas
Grand Lodge of Morelos	

**7. Grand Lodge of the Dominican Republic:** It appears that five Lodges have left the Grand Lodge of the Dominican Republic. These breakaway Lodges, all alleged to be members of the Supreme Council of the 33 Degree, have renounced their allegiance to the Grand Lodge following an unsuccessful attempt to disrupt the 129th Ordinary Elections of the Grand Assembly of the Grand Lodge. On February 8, your Commission received a request to make a presentation to the Commission from Lodges that had withdrawn from the Grand Lodge of the Dominican Republic. Inasmuch as a new grand lodge has not yet been formed by these lodges, it was deemed inappropriate for the Commission to hear the matter.

### FOREIGN CORRESPONDENCE COMMITTEE 2019-20-21 REPORT

**8. National Grand Lodge of Togo:** The United Grand Lodge of England suspended relations with the United Grand Lodge of Togo, with no reason given. The National Grand Lodge of Togo had requested to make a presentation to the Commission, but due to a bereavement, they were unable to travel at this time.

**9. Grand Lodge of the Free Accepted Masons of Lebanon:** On January 27, 2022 the Grand Lodge of Scotland, Grand Lodge of the District of Columbia and the Grand Lodge National Francaise (GLNF) challenge the Regularity of the Grand Lodge of Free and Accepted Masons of Lebanon. The challenging Grand Lodges acknowledge the Principles of Recognition in the Constitution of the UGLE, yet challenge the Grand Lodge of Lebanon which had been properly established by three Regular Grand Lodges, which the Commission considered Regular. A request that a finding be made that this Grand Lodge meets the Standards of Recognition adopted by this Conference. A presentation was made to the Commission on Recognition by the Grand Lodge of Lebanon and the Grand Lodge of New York who spoke in favor of the request. Presentations were also made by the Grand Lodge of Scotland, the Grand Lodge of Washington, D.C. and the Grande Loge Nationale Francaise, all of whom stood in opposition to a finding that the Grand Lodge of Lebanon met the Standards for Recognition as it was established while other Regular Grand Lodges were functioning in Lebanon. Citing a Mackey opinion stated in 1956 Macoy that warrants may be granted for a territory as long as no Grand Lodge exists, therefore despite other Regular Lodges in the Territory, the Grand Lodge of Lebanon was properly formed and meets all of the Standards for Recognition.

**10. Grand Lodge of Ecuador:** Evidence submitted that the two Grand Lodges in Equador are in negotiations with hopes of an Accord to share their Jurisdiction.

**11. Grand Lodge of El Salvador:** After review of the facts and evidence and as confirmed by an outstanding appearance of its Grand Master along with evidence that this Body enjoyed amity with many Central and South American countries and Europe, it was determined that this Grand Lodge meets the Standards for Recognition.

**12. Grand Lodge of Valle de Mexico:** It was determined that this Grand Lodge because of repeated invasions of neighboring Jurisdictions, does not meet the Standards for Recognition. In 2014, the Commission noted that "Over the last decade, it has been reported that [Valle de Mexico] have invaded the territory of a number of neighboring Grand Lodges." We are advised that they have continued this pattern of conduct in an unrepentant manner. We do not find that they meet the Standards of Recognition.

Respectfully submitted,

Most Worshipful Grand Master: We, your appointed Committee to Study the Regularity of Unrecognized Masonic Organizations, in accordance with your Mandate tender to you and through you, to the Delegates to the Grand Lodge of the State of Louisiana, our Reports on those Organizations which have been forwarded to us for Research, Review and Reporting. We trust our efforts meet with your approval.

#### **A. M.W. Prince Hall Grand Lodge F&AM of Louisiana "Request for Recognition"**

Your Committee is in receipt of a correspondence addressed to you, Grand Master, from the Most Worshipful Prince Hall Grand Lodge of Louisiana, F. & A.M. requesting recognition. The request is very limited as it only seeks recognition with no rights of visitation. Our research indicates that a majority of PHA Grand Lodges are recognized by most mainstream Grand Lodges as these PHA Grand Lodges declare compliance with the requirements in determining regularity used by the North American Conference of Grand Masters "Commission on Recognition" and your Grand Lodge, in particular the three principle requirements for regularity namely A) Legitimacy of Origin B) Exclusive Territorial Jurisdiction and C) Adherence to the Ancient Landmarks, namely 1) Belief in a Supreme Being, 2) Volume of Sacred Law as an indispensable part of the furniture of the Lodge and 3) the Prohibition of the discussion of politics and religion within the Lodge. All of their stated principles of this PHA Grand Body are consistent with the standards for recognition. Our research investigated the validity of their Declarations.

## PROCEEDINGS OF THE GRAND LODGE

### COMMITTEE TO STUDY THE REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS REPORT (2021-22)

Whereas the Record confirms a Request for Mutual Recognition was received by Grand Master Terry Fowler on December 20, 2021, from Ralph Slaughter, PhD, Grand Master of the Most Worshipful Prince Hall Grand Lodge F&AM for the State of Louisiana, for Amity and Mutual Recognition, wherein they reference a physical shared Louisiana Jurisdiction from 1869.

Whereas their Request for Recognition was restrictive in the following: 1. There shall be no visitation at neither the subordinate nor Grand Lodge Levels, and 2. Recognition shall never constitute a future merger, nor demitting to the other jurisdictions, and 3. The Request for Recognition, if Accepted, shall not be amended nor revisited within five years from the date of acceptance. Said conditions are consistent with those parameters given Grand Master Slaughter by Grand Master Fowler and are consistent with other jurisdictions that have Amity Recognition Accords with their PHA Grand Lodges.

Within the recent two weeks, your Committee has received notice from other jurisdictions that the Prince Hall Grand Lodge of Louisiana has troubled relationships with other Prince Hall Grand Lodges in the United States, claiming Grand Master Slaughter has invaded their jurisdictions chartering PHA Symbolic Lodge. These acts of invasion would evidence an apparent disregard for the "Doctrine of Exclusive Territorial Jurisdiction."

Therefore, it is moved by your Committee that the Request for Amity and Mutual Recognition by the Prince Hall Grand Lodge of Louisiana F&AM to the Grand Lodge of Louisiana F&AM not to be considered, with your Committee requesting time to further investigate the charges made by opposition PHA Grand Jurisdictions.

#### **B. M.W. Prince Hall Grand Lodge F&AM of Maryland "Request for Recognition"**

Your Committee is in receipt of correspondence addressed to Grand Master Jimmie Steen from the Most Worshipful Prince Hall Grand Lodge of Maryland, F. & A.M. dated July 14, 2020 requesting Amenity and Mutual "Full Recognition." Our research finds this Grand Lodge to be in compliance with the requirements in determining regularity used by the North American Conference of Grand Masters "Commission on Recognition" and your Grand Lodge, in particular the three Principles of Regularity namely A) Legitimacy of Origin B) Exclusive Territorial Jurisdiction and C) Adherence to the Ancient Landmarks, namely 1) Belief in a Supreme Being, 2) Volume of Sacred Law as an indispensable part of the furniture of the Lodge and 3) the Prohibition of the discussion of politics and religion within the Lodge. Our investigation confirmed the M.W. PHA Grand Lodge of Maryland does respect the Masonic Landmark of "Exclusive Territorial Jurisdiction."

Whereas your committee, although finding the M.W. Prince Hall Grand Lodge of Maryland to be Regular, acknowledges that this Grand Lodge has requested full recognition and this would only be in order if Article III of the Constitution of The Grand Lodge of Louisiana would be properly amended.

Whereas your Committee however, consistent with other Jurisdictions that have Amity/Recognition Accords with their PHA Grand Lodges, recommends that the M.W. Prince Hall Grand Lodge of Maryland's request for Recognition be Approved subject to the following conditions: 1. There shall be no visitation at neither the subordinate nor Grand Lodge Levels, 2. Amity/Recognition shall never constitute a future merger nor demitting to the other jurisdictions, and 3. The Recognition Request, if approved, shall not be amended nor revisited within five years from the date of acceptance from the Grand Lodge of Louisiana F&AM.

Therefore, it is moved by your Committee that the Request for Recognition by the M.W. Prince Hall Grand Lodge of Maryland, meeting all of the Standards for Recognition and subject to the conditions set forth herein above, be approved, with the understanding that the Request for Full Recognition be continued, pending certain constitutional considerations of the Grand Lodge of Louisiana. (Approved by the Grand Lodge of Louisiana this 26th day of March, 2022.)

#### **C. Widows Sons Louisiana Request for Appendant Body Status**

A Resolution on behalf of Widows Sons Louisiana was properly filed by W. Bro. Jeff Daigle, Past Master of Franklin Lodge No. 57, at the 2021 Regular Session of the Grand Lodge of the State of Louisiana, March 9, 2021 requesting a Status as an Appendant Body of the Grand Lodge State of Louisiana. This request is made to declare Widows Sons Louisiana Independence from other Widows Sons Chapters of Foreign Jurisdictions, in order to preserve the Masonic Landmark of Exclusive Territorial Jurisdiction, preventing other jurisdictions from exerting authority in Louisiana, which invasions your Committee has confirmed has occurred in the past year.

## OF THE STATE OF LOUISIANA

### COMMITTEE TO STUDY THE REGULARITY OF UNRECOGNIZED MASONIC ORGANIZATIONS REPORT (2021-22)

Whereas Widows Sons Louisiana is a 501(c)3 Non-Profit Corporation composed of Louisiana Master Masons in good standing dedicated to the promotion of Masonic fellowship by and through the love of motorcycle riding.

Whereas Widows Sons Louisiana function under the authority of the Most Worshipful Grand Lodge, State of Louisiana and its sitting Grand Master.

Whereas the Bylaws and Constitution of Widows Sons Louisiana are consistent with the Model Bylaws of the Grand Lodge, State of Louisiana.

Whereas evidence confirms that Widows Sons Louisiana actively supports Grand Lodge approved Masonic Charities and Appendant Bodies to include the Grand Lodge Dyslexia Foundation, Eastern Star Assemblies, Orders of DeMolay Conclaves and Rainbow Assemblies.

Whereas Widows Sons Louisiana seeks from the Most Worshipful Grand Lodge of the State of Louisiana the status of an Appendant Body to declare their independence of any other Widows Sons Chapter of a Foreign Jurisdiction and their repeated attempt to exert authority in Louisiana.

Whereas the request is consistent with the Ancient Doctrine of "Exclusive Territorial Jurisdiction" as a Foundational Landmark of Freemasonry.

Your Committee recommends that Widows Sons Louisiana, incorporated in February 16, 2017, registered with the Secretary of State, State of Louisiana, February 17, 2017 and Recorded with the Tangipahoa Parish Clerk of Court as Document # 993387, be declared an Appendant Body under the Most Worshipful Grand Lodge for the State of Louisiana, and your Committee so moves. (Approved by the Grand Lodge of Louisiana this 26th day of March, 2022.)

#### **D. The Supreme Council of Louisiana: "Seeking Friendly and Fraternal Correspondence and Mutual Regularity of Scottish Rite Symbolic Ritual"**

Whereas Grand Master Jimmie Steen received a request from the Sovereign Grand Commander of the Supreme Council of Louisiana seeking Friendly and Fraternal Correspondence and Mutual Regularity of the "Scottish Rite Symbolic Ritual."

Whereas the Grand Lodge of Louisiana and the Supreme Council of Louisiana enjoyed harmonious fraternal relations until 1850, with distinguished brothers having held membership in both Bodies.

Whereas thereafter, the ten Lodges of the Sixteenth Masonic District of the Grand Lodge of Louisiana have used the Symbolic Ritual of their Origin, conditioned upon those Lodges would function by virtue of York Rite Charters, which they do.

Whereas the Scottish Rite Symbolic Degrees were published in 1861 by the Supreme Council of Louisiana and have been used by the Lodges of the 16th District of the Grand Lodge of Louisiana F&AM for one hundred and sixty-one years.

Whereas the Scottish Rite Symbolic Ritual of the Grand Lodge of Louisiana and the Supreme Council of Louisiana, being a reflection of one another, contain no provisions that would prevent their Regularity.

Therefore, your Committee finds no impediment to the request by the Louisiana Supreme Council seeking Friendly and Fraternal Correspondence and Mutual Regularity of the Scottish Rite Symbolic Ritual and so moves for Approval. (Approved by the Grand Lodge of Louisiana F&AM this 26th day of March, 2022.)

Respectfully submitted,

**Clayton J. "Chip" Borne, III, PGM, Chairman**

## OF THE STATE OF LOUISIANA

### ADDRESS OF THE GRAND MASTER ELECT, JAY B. McCALLUM GRAND LODGE OF THE STATE OF LOUISIANA, LAKE CHARLES, LOUISIANA

When I was presented with my apron as an Entered Apprentice, I was told that one day “even the purple of our Fraternity may one day rest upon your honored shoulders.” On that evening at Bernice Lodge # 239 in 1981, I could not have imagined that such a day would ultimately come. Forty-one years hence and I stand in awe that you have given me the privilege of serving you as Grand Master. I am honored and humbled and ready to work.

I first give thanks to God. His mercy and grace, as fully revealed in his Son, continue to amaze me. I appreciate the steadfast love of my wife and family who support me in all of life’s endeavors; including my Masonic activities.

To my brethren in the craft, please know that I appreciate your constant support and encouragement. The many friends I have made through Freemasonry are a treasure beyond measure. I have always said, and continue to say, that I am nothing more than what God has used others to make of me. Brethren, I thank you for being the iron that sharpens me (Proverbs 27:17).

We follow a trail that has been blazed for us by those who have traveled this road before. As I embark upon my year as Grand Master the names of all those who have assisted me along the way are still fresh in my memory. As they vouchsafed this great fraternity to us, so it is now our obligation to make sure that we leave the way clear for those who will yet follow us.

We undertake this responsibility with confidence, not because of any inherent strength in ourselves, but because Freemasonry is built upon the strongest of foundations; our well founded faith in God. He has given us the Great Light in Masonry (the Holy Bible) to be the rule and guide to our faith and practice. It appropriately has the place of prominence in the center of every lodge. Therefore, my first official act as Grand Master will be to issue an edict requiring that a passage be read from the Bible immediately after the lodge is opened and before the transaction of any other business.

One way we serve God is through service to our fellow man. Your Grand Lodge Children’s Charities have rendered effective, needed assistance to young people who struggle with dyslexia and others who need financial assistance to pursue a college education. While much has been done to extend the hand of charity to relieve their distress, much more can be accomplished. We must redouble our efforts to ensure that we are able to assist those who are looking to us for help. They need and deserve our assistance. We will be undertaking an initiative this year to reinvigorate our Grand Lodge Children’s Charities.

Alone, I can accomplish nothing in my year as Grand Master. However, by working together, under God’s guidance, we will accomplish great things for our Fraternity and our fellow man. Our best days do not lie behind us, our only days lie before us (Psalm 118:24). Let us seize this day, and take advantage of the opportunities that are ours.

Finally, we know as Masons, that before engaging upon any great or important undertaking we should first invoke the blessing of almighty God. Serving as Grand Master is such an undertaking and I ask God’s blessing and direction as I do so. Brethren, I covet your prayers and humbly request your prayers for me and Deanna as we serve.

Fraternally,  
Jay B. McCallum  
Grand Master-Elect  
2022-2023

*M:W: I. C. Turnley, Jr., M.D., P.G.M. (1996)  
January 15, 1927- November 16, 2020  
Carrietta No. 312; Etoile Polaire No. 1; O.K. Allen No. 33*

A long-time and Most Worshipful brother laid down his earthly tools and departed the mortal realm after a life of service to Masonry, Medicine, and his community. M.:W. :B.: Idolphus Carroll Turnley, Jr passed away on Monday, November 16, 2020, at the age of 93. At the time of his death, He was Grand Physician Emeritus, after serving as Grand Physician from 2001-2019. He served as Grand Master of the Grand Lodge of Louisiana in 1996.

M.:W.:B.: Turnley became a Mason in 1948 while he was a student, and received his degrees at Carrietta Lodge No. 312 in Trout, Louisiana. He served as Worshipful Master of that lodge in 1978, and again in 1981. He entered into Grand Lodge offices in 1991 as the Grand Sword Bearer, and became the Grand Junior Warden in 1993. He was an emeritus member of the Board of Trustees for the Masonic Learning Centers of Louisiana's Dyslexia Training Program, and served as an active member of that board from 1998-2018. He played an instrumental role in the adoption of that program as the primary charity of the Grand Lodge, and as such helped to assist countless young students overcome their learning challenges over two decades, his contributions to that Masonic charity will continue to serve young learners in the years to come following his death. He was an Honorary 33rd Degree in the Ancient and Accepted Scottish Rite SJ in the Monroe Valley, and served as Sovereign of the Monroe Conclave of the Red Cross of Constantine in the York Rite. He was an active Noble in the Shrine, as well as other Masonic charitable programs that allowed him to assist children who were in need.

In his life outside of Masonry, M.:W.:B.: Turnley served his community through his medical practice, as well as through military service. His obituary outlined his military and medical service: "In January 1945, he was commissioned in the United States Navy, serving his country for 2 years before returning to Louisiana Tech. He continued to serve in the U. S. Navy Reserve until 1951. He received his Bachelor of Science degree from Louisiana Tech in 1949, his Masters Degree from LSU in 1951, and his Medical Doctor degree from LSU Medical School in New Orleans in 1956. He served his internship at Confederate Memorial Hospital and LSU Medical Center in Shreveport, Louisiana.

### Church and Necrology Service Sunday, March 27, 2022

*M:W: I. C. Turnley, Jr., M.D., P.G.M. (1996)  
January 15, 1927- November 16, 2020  
Carrietta No. 312; Etoile Polaire No. 1; O.K. Allen No. 33*

In 1957, Dr. Turnley opened his first medical practice in Winnfield. One year later, in 1958, he established his practice in Jena. He achieved his dream of returning to practice medicine in his hometown. He first operated his practice from a location in downtown Jena while his office was being constructed on North First Street. Since the early 1960s, Dr. Turnley practiced from this office with 5 exam rooms, Lab and X-Ray until seeing his last patient on December 21, 2015. He retired from practice a few weeks prior to his 89th birthday. After opening his practice in Jena, he was interested in improving medicine and became instrumental in helping found the LaSalle General Hospital, which opened in 1970. He was a longtime member of the Board of Directors for LaSalle General, as well as the Chief of Staff for many years.

In addition to serving his patients, Dr. Turnley served as LaSalle Parish Coroner beginning in 1960. In January of this year he retired his position as Coroner, having served an unprecedented 60 years and becoming the longest serving public official in Louisiana. He served on the Louisiana State Board of Health under the Late Governor John J. McKeithan from 1966 to 1972. He also served on the State Board of LPN Examiners beginning in 1993. He was a charter member of the "Committee of 100" at LSU Medical School in New Orleans involved in fundraising for medical education. He was active in business affairs in his community as well. He was a cofounder of Jena Pharmacy and served on the Bank of Jena Board of Directors from 1970 until the Bank merged with Catahoula-LaSalle Bank in later 2014."

Please remember our brother and his family in your prayers, and remember his life of service to not only our fraternity, but to everyone around him in his life well lived as a Mason.

# JAY B. MCCALLUM

Justice Jay Bowen McCallum, who now lives in Farmerville, is a lifelong resident of Union Parish. Born and raised in the Pisgah Baptist Church community, near Bernice, Louisiana, he graduated in 1978, from Cedar Creek School in Ruston. He is the first in his family to receive a college education, graduating from Northeast Louisiana University in 1982, with a degree in Business Administration and in 1985, obtaining his Juris Doctorate from LSU's Paul M. Hebert Law Center.

Upon admission to the Bar in 1985, he returned home to Union Parish and joined Armand Rabun in the general practice of law until 2002. The offices of Rabun and McCallum, located at 205 East Jackson St., Farmerville, were situated between a funeral home and a bank. Thus, it was said, in jest, that they "got clients coming and going."

In 1991, Jay served as an Assistant District Attorney for the Third Judicial District before being elected in 1992 to serve as a member of the Louisiana House of Representatives, representing District 12. In 2002, he campaigned and was elected as a trial court judge for the Third Judicial District Court where he served until 2018, when he was elected without opposition to the Second Circuit Court of Appeal in a district that was comprised of Bienville, Bossier, Claiborne, Caldwell, Jackson, Lincoln, Union, Webster, and Winn Parishes. In November 2020, he was elected as an Associate Justice of the Louisiana Supreme Court representing District 4, which is the largest Louisiana district in terms of geographic size and number of parishes.

In addition to his career duties, Jay has served on the Board of Directors and Executive Committee for Community Trust Bank (Origin Bank) in Ruston, from 1991-2002; as a member of the Union Parish Chamber of Commerce for numerous years and as President in 1991; as a board member for Cedar Creek School for numerous years, on the Board of Directors from 1998-2019, and as President of the Board of Directors from 2009-2012. He has served on the Board of Trustees for the Permanent Louisiana Sentencing Commission as a gubernatorial appointment from 2012-2016; the Louisiana State Law Institute, from 1998-2001; as Union Parish Bar Association Treasurer from 1985-2002; and as a member of the Farmerville Lions Club Board of Directors, serving as President in 1988.

Jay is the recipient of numerous awards and recognitions for public service. He has been awarded the Special Award for Service to the Chamber and Parish, 2018, the Outstanding Public Service Award, 1989, 1992, and the Outstanding Citizen of the Parish Award, 2015, all awarded by the Union Parish Chamber of Commerce. The Louisiana Moral & Civic Foundation awarded him the G. O. McGuffee Public Servant Award for 2002. He was awarded the Louisiana Office of Alcohol & Drug Abuse, Leadership Award in 1999 for authoring legislation establishing Drug Courts. In 2002, he was awarded the Louisiana Tech University President's Award for securing the appropriation of funds for the Bio-Medical Engineering facility. In 2021, Cedar Creek School recognized him with the 50th Anniversary outstanding Alumnus award.

Judge Jay, as he is known to many of his constituents, is a much sought after motivational and inspirational speaker for various religious, civic, business, and trade groups. He is best known for using humor to instruct, inspire, and motivate his audiences. Jay is frequently found speaking to students in, and out, of the classroom. He has been honored to have been the commencement speaker for numerous high schools and universities, including Louisiana Tech University and the University of Louisiana at Monroe. He is in high demand for Continuing Legal Education presentations on behalf of such groups as the Louisiana Bar Association, the Louisiana Judicial College, and the Louisiana District Attorney's Association.

## JAY B. MCCALLUM

Jay has a long and rich history with Louisiana Freemasonry beginning with Bernice Lodge #239, where he became a Perpetual Member in 1981, Worshipful Master in 1988, and Secretary in 2016. He is a Plural Member of Union Fraternal Lodge #53; a member of Monroe Scottish Rite Bodies since 1981, 33° in 1999, Venerable Master in 1997, and Perpetual Member, 4° team member in 1982. He is a member of the Monroe Chapter No. 18, Royal Arch Masons; the Monroe Council NO. 8, R. & S.M.; Monroe Commandry No. 7, Knights Templar; Ouachita Conclave, Red Cross of Constantine; Barak Shrine Temple, Charter Class Member; Third Masonic District, District Deputy Grand Master 1997; and holds a Gold Certificate of Proficiency.

He has conducted dozens of Masonic funeral services over five parishes and has been a member of various Grand Lodge committees including Credentials, Grand Attorney, Wills and Legacies, Budget and Control, Degree work and lectures, regularly working in the various degrees in lodges across North Louisiana. Jay has memorized and delivered numerous lectures including the complete Fellowcraft Staircase Lecture, Apron Lecture, Master's Eulogy, Lamentation of Master Ruffian and After Lecture and is a frequent speaker at Masonic and appendant body functions across the state, including Honesty & Integrity, Widows' Nights, Past Masters' and other special occasions. He has been the keynote speaker at two Grand Master's Banquets, Turnley and Gray, and has taught Masonic Estate Planning for M. W. Roy McDuffie.

Jay has been a member of the First Baptist Church, Farmerville, Louisiana since 1985. In 1986 he took on the additional roles of Deacon and Sunday School Teacher, and in May of 2017 received his license to preach. He is currently attending New Orleans Baptist Theological Seminary where he has completed 78/84 hours toward a M. Div. maintaining a 4.0 GPA.

He is most proud of being the husband of Deanna, the father of John and Sarah Katherine, and the grandfather of Cato Theodore McCallum.
