

Our Covid Pledge

What we do to protect our diners and workers from Covid-19

We will: Make sure all restaurant workers **wear masks at all times**, and all guests wear masks at all times when not eating, especially when interacting with workers

We will: **Ensure that all restaurant workers have been vaccinated**—unless they are medically exempt—to protect themselves, their families, their co-workers, and diners, and wear masks according to local guidelines.

Make sure **ventilation systems** are functioning properly, clean, and operating whenever workers or diners are on the premises; and increase air filtration and fresh air circulation to the maximum possible extent

Screen all restaurant workers for symptoms every day; help workers find nearby testing sites and encourage them to get tested frequently; screen arriving diners and help them make a future reservation if they have had Covid symptoms in the previous 10 days or been exposed to anyone with Covid in the previous two weeks.

Make sure all restaurant workers **wash or sanitize their hands** often, and routinely clean and sanitize high-touch surfaces and objects.

Make sure all restaurant workers maintain safe distance from other people—ideally **at least 6 feet** and all diners maintain safe distance from people outside their party.
