2023 NHL DRAFT LOTTERY FORMAT AND ODDS

The 2023 NHL Draft Lottery, used to determine the order of selection for the first 16 picks in the first round of the 2023 Upper Deck NHL Draft, will be held Monday, May 8, at NHL Network's Secaucus, N.J., studio (8 p.m. ET, ESPN, SN, TVAS).

The 2023 NHL Draft Lottery will consist of two drawings, with limits on both the number of selections the 32nd-ranked team from the regular season can fall in the draft order (no lower than third overall) and the number of selections a team can "move up" (10). Thus, only the top 11 seeds in the 2023 NHL Draft Lottery will be eligible to receive the first overall selection in the 2023 Upper Deck NHL Draft.

Participants are all teams that did not qualify for the 2023 Stanley Cup Playoffs (or the teams that have acquired the first-round drafting positions of those non-playoff teams).

For each of the two drawings, 14 balls, numbered 1 to 14, will be placed in a lottery machine. The machine randomly will select four balls. The resulting four-number series (without regard to selection order) will be matched against a chart that shows all possible combinations and the team to which each combination was assigned. That chart is available on [page 4](#).

The allocation of odds for the 1st Lottery Draw of the 2023 NHL Draft Lottery is as follows:

Draft Lottery Participants (Fewest Points to Most)	Odds
Anaheim Ducks	18.5%
Columbus Blue Jackets	13.5%
Chicago Blackhawks	11.5%
San Jose Sharks	9.5%
Montreal Canadiens	8.5%
Arizona Coyotes	7.5%
Philadelphia Flyers	6.5%
Washington Capitals	6.0%
Detroit Red Wings	5.0%
St. Louis Blues	3.5%
Vancouver Canucks	3.0%
Ottawa Senators*	2.5%
Buffalo Sabres	2.0%
Pittsburgh Penguins	1.5%
Nashville Predators	0.5%
Calgary Flames	0.5%

** Under the terms of a [March 1, 2023, trade](#), the Ottawa Senators will transfer their first-round pick in the 2023 Upper Deck NHL Draft to the Arizona Coyotes if it is not a top-five pick. If it becomes a top-five pick as a result of the 2023 NHL Draft Lottery, Ottawa will retain the pick and instead transfer to Arizona its first-round pick in the 2024 NHL Draft.*

The odds for the remaining teams will increase on a proportionate basis for the 2nd Lottery Draw, based on which team wins the 1st Lottery Draw.

The 14 teams not selected in the 2023 NHL Draft Lottery will be assigned the remaining 2023 Upper Deck NHL Draft selections (among 1 through 16 in the first round), in inverse order of regular-season points.

The 2023 Upper Deck NHL Draft will take place at Bridgestone Arena, home of the Nashville Predators, over two days. Round 1 will be held on Wednesday, June 28 (7 p.m. ET, ESPN, SN, TVAS), followed by Rounds 2-7 on Thursday, June 29 (11 a.m. ET, NHLN, SN, TVAS).

The 2023 NHL Draft Lottery marks the second year for the implementation of a limit on how many times a team can win a Lottery Draw. No single team can advance in the draft order by reason of winning a Lottery Draw more than two times in any five-year period. This limitation will not affect a team's ability to retain its presumptive draft position in any Draft Lottery, nor would it preclude the possibility of the team moving down in draft order to the extent other teams advance by reason of winning the Lottery Draws. For purposes of clarity, the limitation would attach to the team, not the specific pick. An example is outlined [here](#).
