1. An immersive strategic exercise to engineer organizational vision into reality
2. A Mission Partners signature service, resulting in a high-level action plan

# SIGNATURE VIRTUAL VISIONEERING SESSION

Lead your organization through COVID-19 and beyond with one of our virtual visioneering sessions—designed intentionally for teams working remotely who remain focused on future growth.

## ARE YOU PREPARED FOR THE FUTURE?

- » Do you have a vision, strategy, and plan to sustain your services through 2020 and well beyond?
- » Do you know where you want to take your organization in the next 24 months but feeling unsure how to get there given the current environment?
- » Do you need to reimagine your strategic plan, without losing steam in the process?

## WE CAN HELP.

**At Mission Partners, we believe the best solutions begin with a clear picture of the end result in mind.** Through an interactive and immersive half-day session, our team of experts will help purpose-driven teams and organizations:

- » Build consensus around opportunities and challenges
- » Reset around shared values and a shared vision for future success
- » Go after problems in new ways
- » Map key actions to support mission advancement
- » Identify roles and ownership tied to strategic priorities

## WHAT'S INCLUDED

- » Project Kick-Off Call
- » Pre-Session Research Survey
- » 4-Hour Virtual Visioneering Session (for up to 8 team members)
- » Recap Report with a Step-by-Step Guide for Next Steps
