Aluminum Cabinet Systems

MADE IN USA

Features and Benefits

QuikDraw - Our patented single-action latching system keeps drawers securely closed — especially in transport. One-finger operation promotes smooth, quiet closure yet sacrifices no drawer space.

Customizable – Designed, engineered and manufactured to your requirements.

Modular - limitless configurations from a vast selection of sizes

Aluminum – Military-grade, greater strength-to-weight ratio than steel

Corrosion Resistant – Engineered for almost any environment

QuikDraw
Positive Latch System

SAFETY: Drawers stay securely closed, especially in transport.

INNOVATION: Patented design sacrifices NO drawer capacity.

EASE-OF-USE: Smooth, whisper-quiet, one-finger operation.
