

QuikDraw® Aluminum Rolling Toolboxes

Moduline aluminum toolboxes feature our patented QuikDraw® single-action latch system, a stainless steel top, heavy-duty locking casters, key locks and Extreme Drawer Liner™ in each drawer.

Lightweight aluminum and smooth-rolling casters make it easy to bring all the tools you need wherever you need them.

Available 48" and 60" long.

QuikDraw
Single Action Latch System

- QuikDraw drawers are drawers that stay shut!
- Dual latches that don't sacrifice any drawer space.
- Lift anywhere along the handle with just a finger.
