Project Summary/User Guide

Version 1.0: "NMRiparianHabitatMap_Project Summary_Ver_1_0_20200120.pdf" posted 28 January 2020. Describes the project, legend, and methods.

Version 1.1: "NMRiparianHabitatMap_Project Summary.pdf" posted 28 February 2020. We added new attributes found in map and updated the corridor on figure 2.

Version 1.2: "NMRiparianHabitatMap_Project Summary.pdf" We added a table describing the map unit modifiers. Posted online 30 June 2020.

Version 1.3: "NMRiparianHabitatMap_Project Summary.pdf" We added another Map Unit- 45. Posted online 27 August 2021.

Version 2.0 Plus: "NMRipMap_Version2.0Plus_UserGuide.pdf" We added 4 new Map Units – 47, 48, 49 and 50. Posted online 8 September 2023.

Legend

Version 1.0:" NMRipMap_legend 20description_brief20191020.pdf". Brief description of legend levels and a listing of the names and classification of all the map units. Posted 20 October 2019.

Version 1.1: "NMRipMap_legend_brief_20200124.pdf". Updated to correct some spellings. Posted 28 January 2020.

Version 1.2: "NMRipMap_legend_brief.pdf". Posted 27 February 2020. We added new attributes found in the map.

Version 1.3: "NMRipMap_legend_brief.pdf". We added a table describing the map unit modifiers. Posted online 30 June 2020.

Version 1.4: "NMRipMap_legend_brief.pdf". We added another Map Unit - 45, and made other small changes. Posted 27 August 2021.

Version 2.0 Plus: "NMRipMap_ Version2.0Plus_LegendBrief.pdf". We added 4 new Map Units – 47, 48, 49 and 50. Posted online 8 September 2023.

Annotated Legend

Version 1.0: "NMRIPMAP_Annotated Legend_20200128.pdf" posted online 28 January 2020.

Version 1.1: "NMRIPMAP_Annotated Legend.pdf". Posted 27 February 2020. We added icon graphics for our associated organizations.

Version 1.2: "NMRIPMAP_Annotated Legend.pdf" Updated to add Map Unit ID modifiers. Uploaded 30 June 2020.

Version 1.3: "NMRIPMAP_Annotated Legend.pdf" Updated to add new Map Unit (45) and other small changes. Posted 27 August 2021.

Version 2.0 Plus: "NMRipMap _Version2.0Plus_AnnotatedLegend.pdf" Updated to add new Map Units (47, 48, 49 and 50), expanded map unit definitions, revised indicator species lists and other small changes. Posted 8 September 2023.

Attribute List

Version 1.1: "NMRipMap_AttributeList.pdf" Updated with new 45 Map Unit and also deleted Hink and Omart attributes that we are not using anymore. (We didn't record the previous postings of this PDF.) Posted 27 August 2021.

Version 2.0 Plus: "NMRipMap_Version2.0Plus_AttributeList.pdf". Added the attribute "Slope_mean", updated "Veg_SzCls" definition and changed the attribute field names related to canopy height to be more informative. We deleted "Woody_SzCls", "Lifeform", "Veg_Ht_Mn" as we are no longer using these attributes. We also deleted "NVC_Alliance_Com_Names" and provided an alliance code look up table document instead. Posted 8 September 2023.

Upper Rio Grande (URG) Riparian Habitat Map

Version 1.0: Final edited habitat map, posted online 22 October 2019.

Version 2.0: Final habitat map, updated to correct small errors in the corridor (area mapped). Posted online 2 January 2020.

Version 2.1: Final habitat map, updated so that Levels 1 and 2 agree exactly with MRG. Includes metadata. Posted 29 January 2020.

Version 2.2: never posted. It was the corrected 2.1—with L3 names updated and corrected so that the legend works for both URG and MRG and others down the road.

Version 2.3: Posted 21 February 2020 with metadata. This version corrects MU 18 and rounds calculated fields to two decimal points to reflect actual precision.

Version 2.4: Posted 28 February 2020. Added definitions for values of MU_ID_Mod to metadata.

Version 2.0 Plus: Posted 8 September 2023. Includes all updates described in "NMRiparianHabitatMap_Version2.0Plus_UserGuide.pdf".

Middle Rio Grande (MRG) Riparian Habitat Map

Version 1.0: Posted 26 February 2020. Has metadata and symbology layers.

Version 1.1: Posted 28 February 2020. Added definitions for values of MU_ID_Mod to metadata.

Version 2.0 Plus: Posted 8 September 2023. Includes all updates described in "NMRiparianHabitatMap_Version2.0Plus_UserGuide.pdf".

Canadian and Upper Pecos (CUP) Riparian Habitat Map

Version 1.0: Final edited habitat map, posted online 30 June 2020.

Version 1.1: Final edited habitat map, with additional editing and fine-tuning in this version. Posted online 10 August 2020.

Version 2.0 Plus: Posted 8 September 2023. Includes all updates described in "NMRiparianHabitatMap_Version2.0Plus_UserGuide.pdf

Gila Region and San Juan (GRSJ) Riparian Habitat Map

Version 1.0: Final edited habitat map, posted online 19 August 2021.
Version 1.1: New final version- old version was missing large chunk near the Gila NF. Posted online 14 October 2021.
Version 2.0 Plus: Posted 8 September 2023. Includes all updates described in "NMRiparianHabitatMap_Version2.0Plus_UserGuide.pdf".

Lower Pecos and Tularosa Basin (LPTB) Riparian Habitat Map

Version 2.0 Plus: Posted 8 September 2023. Includes all updates described in "NMRiparianHabitatMap_Version2.0Plus_UserGuide.pdf".
(We did not record the previous postings of this Map).

New Mexico Riparian Corridor Map

Version 1.0: Final riparian corridor, posted online 25 October 2019.
Version 2.0: Final riparian corridor, updated to correct small errors. Posted online 2 January 2020.
Version 2.1: Final riparian corridor, updated to merge some tiny polygons, correct the domain name on the San Juan River (to include all other basins in that project year), and add the Chuska Mountains polygons. Includes metadata. Posted 29 January 29 2020.
Version 2.2: Final riparian corridor, updated to remove dry arroyos in Union County that had been included in error. Posted 11 March 2020.
Version 3.0: Updated riparian corridor reflects habitat map editing in the Canadian/Upper Pecos and corridor editing in the Gila. Posted 1 October 2020.
Version 2.0 Plus: Updated riparian corridor reflecting the habitat map editing for all 5 project areas. Posted 8 September 2023.

Miscellaneous

Look up table for NVC alliance codes:
The "NVC_AllianceCodeCommonName_LookUpTable.pdf" provides the common names for the National Vegetation Classification alliance code associated with the Level 3 classification assigned to each NMRipMap polygon. Posted 8 September 2023.
