## BASIC INFORMATION

### Car Registration & Licensing

Once you become a resident of NH you have 60 days to register your vehicle and obtain a NH Driver's license.

**Driver licensing** is done at the Department of Motor Vehicles at [23 Hazen Drive, Concord](#). You will need the following:

1. [Completed Application for Driver License or Non Driver ID](#) (available at the DMV)
2. Proof of Identity and Residency. [Real ID Compliant](#) or [Non Compliant](#)
3. [Appropriate Fee](#).
4. You may be required to bring additional documents to your specific appointment.
5. You will also be given a vision test.

More details here: <https://www.dmv.nh.gov/drivers-licensenon-driver-ids>;  
<https://www.dmv.nh.gov/drivers-licensenon-driver-ids/transfer-license-another-state>

**Car Registration.** Bring your title or certificate of title along with proof of residency (utility bill, lease agreement, payroll check stub, etc.) to your town clerk (in Concord, [the Tax Collector's Office](#)). You must pay a fee based upon the Manufacturer's Suggested Retail Price, along with other fees. There are also state fees based upon the weight of the vehicle, and you will receive new plates and stickers. **Within 10 days after registering your vehicle, it must be inspected and emissions tested.** You can do this at most any auto service center. There are some near the station. The fees for registering your vehicle are higher than in many other states. The town part that is based on the MSRP goes down year after year (with the depreciation) but the state portion based on the weight stays the same.

## Voting

If you are a U.S. Citizen, a NH resident 18+ on or before Election Day, you may register to vote by completing a form at your city or town clerks' office. You may register to vote in the clerk's office up to 10 days prior to any given election. Residents may also register to vote at the polls on Election Day. You will be required to provide proof of residence, citizenship and age. You must complete another voter registration form if you move or change your name or party affiliation. You do not have to declare a party affiliation to register. Undeclared voters can vote in a primary. See more information on voting in primaries here.

Find more information, including what to bring with you here:  
<https://www.sos.nh.gov/elections/voters/register-vote>

## Dog Licensing

The state requires every owner or keeper of a dog age 4+ months to annually register and license their dog in the city or town in which the dog is kept. Proof of rabies vaccination is required. This can be done at your town/city hall or online via their website; fees can vary by dog age and spay/neuter status. There is a \$25 fine for the owner or keeper of an unlicensed dog.

## **Landlords & Realtors**

Concord and any surrounding community are good places to live. Outlying areas are nice too. You can use google maps to judge your drive time. Manchester has a lot of housing but also has typical problems of a city its size - Google street view can give you some perspective. A good number of NHPR folks live in Manchester. Manchester and Nashua are New Hampshire's most diverse cities.

## **Clubs & Organizations**

Gate City Striders in Nashua is a local run club that puts on fun, low key race series and events! Runner's Alley in Concord has a running group as well that's very friendly for all paces.

For road races that are exceptionally well run at a range of distances, that welcome beginners and seasoned runners, check out Millennium Running events in Bedford. They also host a running club and have a dangerously nice storefront with many tempting items to purchase.

If interested in rowing (including learn to row) -- Amoskeag Rowing Club in Hooksett; Concord Crew in Concord

I just went to a New England Nordic Skiing Association event in Concord where they taught beginners how to ski. It was very welcoming and fun, and it also had lessons for people with different abilities which was great.

## **Biking**

[The Northern Rail Trail](#) is 59 miles of biking on rail beds with some great scenery and good places to stop. Runs from Boscawen (Capital Area) to Lebanon (Upper Valley)

[Derry Rail Trail](#)/Windham/Salem rail trails are nine miles of paved trail in Southern NH (Derry)

## **Hiking**

A word of caution, many NH hikers will describe a hike as “easy” but you should be cautious and refer to hiking guides for comparisons and definitions.

For folks new to NH or new to hiking it’s best to start with the [52 with a View](#) list. I highly recommend Mt. Willard and Middle Sugarloaf. This [book](#) is where the list originally came from and is highly recommended.

Great easier day hikes: Mt Kearsarge, Welch and Dickey Loop, Mt Major, Pawtuckaway State Park (The Boulder Field in Pawtuckaway State Park is a very easy trail and cool to see.)

Welch-Dickey is a great medium White Mountains hike – a sweet loop with two peaks, lots of views, takes less time than some others.

Longer day hikes that still aren't too crazy: Mt Monadnock, Mt Cardigan, Mt Chocorua, Mt Avalon, Cannon Mt, (do it in the winter if the weather is good!)

Most epic and hardest hike to tackle: The Presidential Traverse.

Book a night at Lake of the Clouds Hut with Appalachian Mountain Club (pricey, but perfect for an iconic hike that is the jewel of NH) and get ready to make your legs sore with miles of above treeline ridge hiking, fantastic views, and climbing over rock piles.

[The Concord Hiking Trail System](#) is worth checking out. Some favorite hikes are the Swope connector trail, the Nottingcook Forest, Jim Hill Riverwalk, Oak Hill, and Winant Park. These are all easier hikes good for when you have a spare hour.

## **Camping**

Favorite spots to camp: Echo Lake State Park (for lovely waterfront spots with a nice beach and beautiful lake), and Milan Hill State Park (It's off the beaten path for sure, but if you want solitude this is the spot).

Hands down best backcountry spot is Thirteen Falls Tentsite, and all Appalachian Mountain Club run sites are well maintained and lovely to stay at.

## **Skiing - Alpine**

Good place to ski if you're a beginner or just want a fun, relaxing time on the mountain: Pat's Peak (Henniker)

If you want something a bit bigger but with a low-key local vibe, hit up Ragged Mountain (Danbury)

If you want some of the best groomed trails on the east coast, head to Bretton Woods. And if you want a more robust ski rundown, talk to Dan Tuohy.

Mt. Sunapee is a great place to learn to ski (Newbury) as is Pat's Peak (Henniker)

Mt. Cranmore is a good family mountain and North Conway is a great town to vacation in. (North Conway)

## **Skiing - Nordic/Cross Country**

The Great Glen Trails Center great xcountry/nordic trails right next to Mt. Washington. Also has great touristy things like the Snow Coach up Mt. Washington (although that's pricey, look for mid-week 2for1 deals) (Gorham)

Bretton Woods (Bretton Woods) and Waterville Valley (Waterville Valley) both have great xcountry ski trails as well as downhill.

Beaver Meadow Golf Course and White Farm both have groomed skiing for free. White Farm is flatter and more geared for skate skiers/racers (Concord)

Eastman Community Association has reasonably priced trails (Grantham)

## **Day Trips & Places to See**

Definitely look up the [NH ice cream trail](#)- it's dairy lobby propaganda of course, but there are some tasty tasty ice cream spots, especially Isley's in Weare and Jordan's Ice Cream in Belmont.
