(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

FIGURE is a front view of a display screen with graphical user interface showing our new design. The broken lines showing an electronic device illustrate environmental subject matter, whereas the broken lines showing a display screen and elements of the graphical user interface illustrate portions of the article. No subject matter depicted in broken lines form part of the claimed design.

1 Claim, 1 Drawing Sheet
