The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design. The broken line showing of the display screen or portion thereof forms no part of the claimed design. The broken line showing within the graphical user interface forms a part of the claimed design.

1 Claim, 1 Drawing Sheet

DID YOU KNOW

SPEEDY AND EASY **NEW** 

Caffeine may be a fast-acting energizer, but your morning cup of coffee is not likely to disturb your sleep. For example, your body processes caffeine five times faster than Valium. Still, most people should avoid it within 6h of bed.

A TALL TOILET TALE 

Coffee makes you urinate, right? New research suggests that's a tall tale. In fact, drinking 3-6 cups of coffee per day may provide "similar hydrating qualities as water." Regular coffee drinkers grow accustomed to its diuretic effects.
