We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

**DESCRIPTION**

See application file for complete search history.

The lone FIGURE is a front view of the claimed design of a display screen or portion thereof with a graphical user interface. The outermost broken line in the FIGURE illustrates a display screen or portion thereof and forms no part of the claimed design. The other broken lines in the FIGURE illustrate portions of the graphical user interface that form no part of the claimed design.
