

SAFE AND EASY CLEANER FOR POLISHED STONework, GLAZED MASONRY & MORE

Liquid Marble Cleaner is a non-acidic, phosphate-free, low-odor gel designed for the cleaning, restoration and maintenance of polished stonework or glazed masonry. It loosens and dissolves surface dirt, carbon buildup and other atmospheric stains, allowing the materials to be rinsed using water.

INTERIOR-EXTERIOR

Non-fuming and phosphate-free gel clings to horizontal and vertical surfaces.

POWERFUL

Powerful in concentrate, flexible in dilution.

SAFE

Liquid Marble Cleaner will not etch glass or metal surfaces adjacent to the cleaning site.

Safe for
you and
your
substrate.

PROSOCO's products have always been designed specifically for the real world and conditions in which they're used. Many of these conditions call for a more specific product or approach to avoid irreparable damage to the substrate. That's why we formulated Liquid Marble Cleaner. It is designed to deliver exceptional cleaning capability on polished stonework, without causing harm. It's non-acidic, phosphate-free and low-odor, making it ideal for both interior and exterior use.

Always test to ensure desired results and contact PROSOCO customer care for additional options.

WE ARE
WHERE
YOU ARE.

PROSOCO's nationwide network of field reps and technical advisers from coast to coast are here to help solve your biggest problems, your smallest problems and everything in between.
