CONCRETE FLOORING PRODUCTS

OUR MAINTENANCE CLEANER KEEPS CONCRETE PRISTINE

Keep your concrete surfaces the best-looking, highest-performing surfaces they can be with *LSKlean*.

Product

Regular maintenance cleaning with *LSKlean* as part of a comprehensive program ensures the highest appearance and performance standards for all indoor concrete flatwork.

In addition to our regular containers, we offer ease-of-use premeasured pouches designed for standard auto-scrubbers.

Maintain

Special blend of detergents formulated to clean.

Targets and removes most common soiling found on your concrete floors.

Flexible dilution for both maintenance cleaning or deeper cleaning.

Dispenser available for use with *LSKlean*.

Restore

Contains LS densifier to help restore traffic-worn concrete and maintain concrete hardness/shine.

Will not damage or dull concrete floors.

NSF-Nonfood registered.
VOC-Compliant (U.S.).
Low toxicity.

CLEAN AND HARDEN IN 1 STEP WITH LSKLEAN

Training
