

Internship Admissions, Support, and Initial Placement Data

Date Program Tables are updated: August 01, 2024

Program Disclosures

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution's affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If yes, provide website link (or content from brochure) where this specific information is presented:	

Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The University of California, San Francisco (UCSF) Child and Adolescent Services Multicultural Clinical Training Program (MCTP) at Zuckerberg San Francisco General Hospital (ZSFG) is an APA-accredited, one-year child clinical psychology internship following the Scholar-Practitioner Model. Our program prioritizes community needs, emphasizing research in support of evidence-based clinical practice to improve the quality and effectiveness of health services. The MCTP reflects UCSF's and ZSFG's missions to develop diverse leaders in health care delivery, research and education, to eliminate health disparities locally and globally. Housed within the Division of Infant Child and Adolescent Psychiatry in the UCSF Department of Psychiatry and Behavioral Sciences, the MCTP is dedicated to serving low-income and underserved communities through ZSFG, a Level 1 Trauma Center. Training spans ages 0-24 and focuses on delivering culturally responsive and trauma-informed evidence-based interventions supported by the latest advancement in implementation science and health equity research. Graduates are well-prepared for positions in academic health centers. The MCTP received 10-year reaccreditation in 2019 and is scheduled for the next site visit in 2029.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	Yes	No	Amount:
Total Direct Contact Assessment Hours	Yes	No	Amount:
