Commercial Banks Sustainability Accounting Standards

Topic	Metric	Response
<p>Data Security</p>	<p>(1) Number of data breaches, (2) percentage that are personal data breaches, (3) number of account holders affected</p>	<p>None in 2023.</p>
	<p>Description of approach to Identifying and addressing data security risks</p>	<p>We maintain programs, policies, procedures, processes and protocols (collectively “programs”) led by our Information Technology and Information/Cyber Security teams to proactively prevent, monitor, detect, identify, remediate and address any risks to our systems and data. We engage independent third parties to test and audit such programs and such programs are also examined by federal and state regulators.</p> <p>For further information see: (i) our 10-K 2023 (Cybersecurity on pages 13 and 34-35); (ii) our Proxy Statement 2024 (Board Oversight of Risk Management on pages 34-35); and (iii) our ESG Report 2023 (Data Privacy and Information Security on page 12).</p>
<p>Financial Inclusion & Capacity Building</p>	<p>(1) Number and (2) amount of loans outstanding qualified to programs designed to promote small businesses and community development</p>	<p>We are a strong supporter of small business loans and community development loans. In 2023, CPB originated more Small Business Administration (“SBA”) loans to small business than the other major banks in Hawai’i combined. CPB originated 91 7(a) loans and three 504 loan for a total of \$13.4 million in fiscal year 2023. In 2023, we made 13 loans supporting community development aggregating approximately \$75.8M.</p> <p>As of 12/31/23, small business loans secured by nonfarm nonresidential properties: with original amounts of \$100K or less were a total of two loans with aggregate current outstanding of \$91K; with original amounts of more than \$100K through \$250K were a total of 22 loans with aggregate current outstanding of \$3.29M; with original amounts of more than \$250K through \$1M were a total of 133 loans with aggregate current outstanding of \$57.74M.</p> <p>The FDIC has rated our Bank “Outstanding” in its Community Reinvestment Act (“CRA”) performance since 2006. The Bank’s last CRA Report (2023) issued by the FDIC, concluded that the Bank exhibits an excellent record of serving the credit needs of the most economically disadvantaged areas of its assessment areas, low-income individuals, and very small businesses, consistent with safe and sound banking practices; the Bank is a leader in making community development loans; and the Bank makes extensive use of innovative and/or flexible lending practices in order to serve assessment area credit needs.</p> <p>For further information see: (i) our CRA Report 2023; (ii) our ESG Report 2023 (Support of the Community page 17); and (iii) our 12/31/23 Call Report RC-C.</p>

Discriminatory Lending	(1) Number, (2) value, and (3) weighted average loan-to-value ratio of mortgages issued to (a) minority and (b) all other borrowers	<p>For year-ended 12/31/23: (a) 550 mortgage loans issued to minority borrowers totaling \$202M with a weighted average Loan-to-Value (LTV) ratio of 64.559 (b) none issued to all other borrowers.</p> <p>Information provided is from the Bank’s HMDA data on residential mortgage loans.</p>
	Total amount of monetary losses as a result of legal proceedings associated with discriminatory mortgage lending	None in 2023.
	Description of policies and procedures for ensuring nondiscriminatory mortgage origination	<p>Our policies and procedures to ensure nondiscriminatory mortgage origination include the following:</p> <p><u>Fair Banking Policy</u>. States our commitment to make all products and services available to customers without regard to any prohibited basis, and refrain from engaging in any act or practice that may be considered to be unfair, deceptive, or abusive to a customer.</p> <p><u>Fair Banking Program</u>. Describes how we implement our Fair Banking Policy by means of various interdepartmental processes such as periodic fair lending risk assessments and monitoring.</p> <p><u>Fair Lending Data Analysis Procedures</u>. Describes data analysis performed by our Corporate Compliance Department to identify and monitor potential fair lending concerns and evaluate the effectiveness of existing controls.</p> <p><u>Equal Credit Opportunity Act (“ECOA”) Compliance Procedures</u>. These are Company-wide procedures describing general ECOA requirements. Many business units also have departmental procedures describing procedures and processes followed to ensure compliance with ECOA.</p>

Topic	Metric	Response
<p>Environmental Risk to Mortgaged Properties</p>	<p>(1) Number and (2) value of mortgage loans in 100-year flood zones</p>	<p>As of 12/31/23, we have:</p> <ul style="list-style-type: none"> • 643 residential mortgage portfolio loans in flood zones, with \$275M in loan commitments • 359 HELOC loans in flood zones, with note amounts totaling \$100M in loan commitments <p>Flood zones refers to 100-year flood zones designated by the U.S. Federal Emergency Management Authority as special flood hazard areas (SFHAs).</p>
	<p>(1) Total expected loss and (2) Loss Given Default (LGD) attributable to mortgage loan default and delinquency because of weather-related natural catastrophes, by geographical region</p>	<p>We do not currently maintain such information.</p>
	<p>Description of how climate change and other environmental risk are incorporated into mortgage origination and underwriting</p>	<p>Our underwriting accounts for flood, lava, sea-level rise, hurricane, and tsunami risks. We address environmental risks in our mortgage lending that are required by law, required by those third parties that we sell our loans to, and based on the environmental risks that predominate in our lending area which is Hawaii. Respecting mortgage origination and underwriting, we follow agency guidelines for any agency loan (Fannie Mae, Freddie Mac, VA, FHA USDA) and follow our portfolio guidelines for portfolio loans. We require wind/hurricane and property insurance coverage on all mortgage loans. We identify properties in flood zones and require flood insurance for all properties in flood zones as required by federal law.</p>
