

## 2024 FEES INFORMATION

In 2024, Townsville Hockey fees will consist of the following:

- Playing Fees
- Volunteer Pass

### How you can reduce your fees?

- Apply for a Volunteer Position under the Volunteer Pass Program with rebates from \$40-\$450
- Apply to work 7 volunteer hours in the THA Canteen or THA Bar in payment of the \$52 volunteer pass fee – must be approved by the THA President
- Apply for the Qld Government “Fair Play” Voucher

### Volunteer Pass Program

The Volunteer Pass Program offers members an opportunity to reduce their fees by volunteering.

This program will provide rewards to our volunteers, and put simply, all members will pay the Volunteer Pass, and if you volunteer, you will receive a reward payment.

**The Volunteer Pass rate for 2024 is \$52 per registration.**

*(This fee will not apply to U10 and J League only Players)*

The reduction in fees (reward) is determined by what position you take on, be it in your club or at Association level – there are some considerable savings! The \$ values and positions available can be found on the ‘*Volunteer Position Overview Form*’ on our website. To apply for a position, please complete the *General Volunteer Application Form*.

Your Volunteer Pass reward will be applied to your fee account soon after you have accepted the position offered. If your fees have already been paid, your reward will be deposited to your bank account.
