Certified B Corporation?

No

What is a Certified B Corp? B Corps are for-profit companies certified by the nonprofit B Lab to meet rigorous standards of social and environmental performance, accountability, and transparency. Any company that scores an 80 or above on the B Impact Assessment is eligible to become a Certified B Corp.

Methodology: The GIIRS Rating is powered by the B Impact Assessment (BIA). The BIA measures the overall impact of a business on all of its stakeholders. Each company receives an overall B Impact score and two ratings. The IBM Rating reflects the company's impact business model performance through medal designations, segmented by quartile performance on a relative scale. The Operations Rating reflects the company's performance on the operations section of the assessment, reflected on a 1-5 star scale based on quintiles of relative performance. For more information on methodology, see page 3.
