# CONGRATULATIONS!

**To all our shortlisted entrants: very many congratulations on reaching the final stages of the 18th annual AIBs!**

The *AIBs* recognise the highest standards in factual productions across video, audio and online. Gaining a place on the shortlist is a significant achievement since the standard of entries across all our categories in 2022 has been, as ever, extraordinarily high.

Our shortlist includes work from over 60 companies, or divisions of companies, from 19 countries, that have reached audiences globally in multiple languages.

It's an impressive range of work, and our global panel of judges are now tasked with evaluating the hundreds of hours of finalists' work to decide on the winner in each of the 19 categories.

And after a hiatus of two years, we are delighted to announce that our annual **awards ceremony** returns on **11 November** as an in-person, live event!

We will be in our **new venue**, Church House Westminster, in the heart of London. This year's event will be bigger, better and brighter than ever and we are looking forward to welcoming guests from across the world for this 18th celebration of journalism and factual productions across TV, radio and digital platforms.

It will be an event you definitely will not want to miss - so pop the date in your diary and make your reservations online at [www.theaibs.tv](http://www.theaibs.tv). More information on page 11 of this shortlist.

We wish all our shortlisted entrants the very best of luck!
