Ancillary program

Public services

Hotel

Retail

Residential

Education Partners

Advanced Institute

Graduate Studies

STI Policy research and guidance

STI Universities

STI TIVET

Public
Schools
(Early Ed –
High School)

Private
Schools (Local
Curriculum)

Private
schools
(International
Curricular)

Research Partners

ICT ITES

- Soft ware tech
- Semi- conductor
- Mobile research

LIFE SCIENCES

- Pharma
- CDC
- BGI

ENGINEERING

ARUP

Commercial Partners

ICT ITES

- BPO firms
- Consultancies
- Software vendors

LIFE SCIENCES

- International Hospital
- Diagnostic Centre
- Pharma – Manufacturing
- Agricultural Production firms

ENGINEERING

- Geer box
- Solar one

Infrastructure

Before

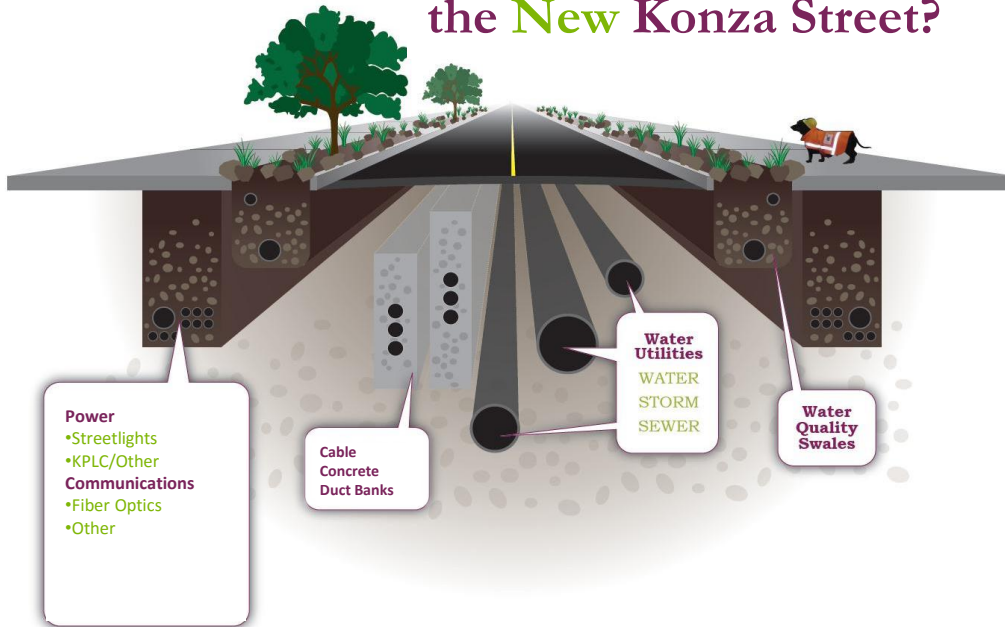

Now

1. phase (1A) roads and Infrastructure

What's Under
the **New** Konza Street?

Budget: Kshs 4.8B

Design & Construction

Construction Start:11/2015

Construction Duration: 6 Mo.

4. WASTEWATER TREATMENT SYSTEM

Budget: Kshs 940.5 M

Design & Construction

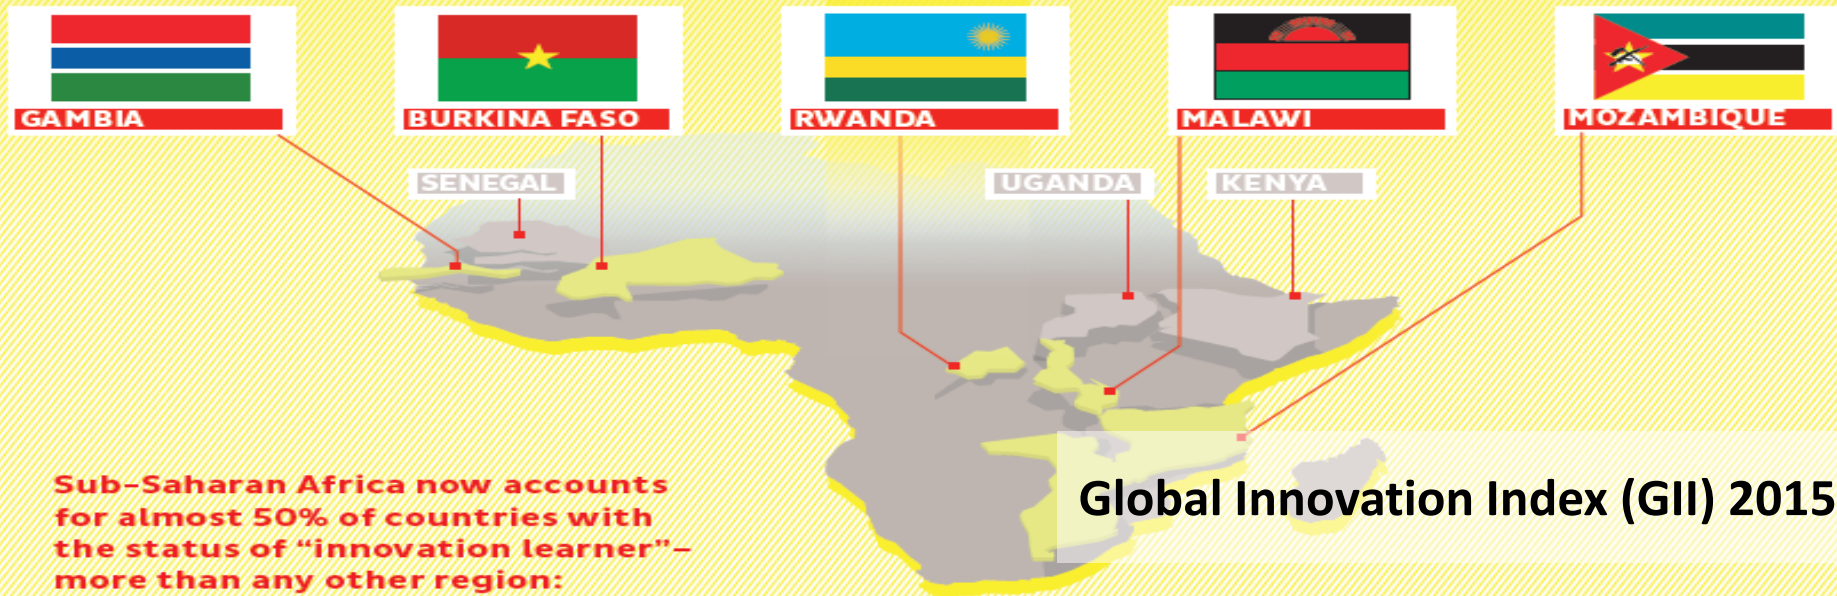

Construction Start: 11/2015

Construction Duration: 8-11 Mo

guarantees TO INVESTORS

- 
- **KENYA CONSTITUTION**
guarantees against expropriation of private property except for purposes of public use or security.
 - **NO EXCHANGE CONTROLS**
guarantees repatriation of capital, profits and interests.
 - **Member of the international centre for settlement of investment dispute (icsid)**
 - **MEMBER OF THE AFRICA TRADE INSURANCE AGENCY (ATIA)**
 - **MOST IMPORTANTLY, KENYA GOVERNMENT HAS NOT CONFISCATED OR NATIONALIZED PRIVATE PROPERTY SINCE INDEPENDENCE IN 1963**

In 2014, five new countries join Kenya, Uganda and Senegal as “innovation learners”. They all show rising levels of innovation, particularly in the areas of **human capital and research and market sophistication**:

KTC will bolster Kenya’s Innovation Index:

- **Knowledge-based economy**
 - Greater tax revenue
 - Faster GDP growth
- **Synergies of technology-based economic clusters**
 - Technology hub
 - Development, commercialization, and export including technology innovations
 - New start-ups rising to multinational corporations
