

INTERNET GOVERNANCE FORUM

ABOUT THE IGF AND HOW TO ENGAGE IN IGF 2023

About the IGF

World Summit on the Information Society (WSIS), two phase:

- *Phase I, 2003: stakeholder requested the United Nations Secretary-General to establish a multi-stakeholder Working Group on Internet Governance (WGIG)*
- *Phase II, 2005: Paragraph 72 of the Tunis Agenda called on the UN Secretary-General to convene the IGF*

“Internet governance is the development and application by governments, the private sector and civil society, in their respective roles, of shared principles, norms, rules, decision-making procedures, and programmes that shape the evolution and use of the Internet.”

(Tunis Agenda for the Information Society, World Summit on the Information Society, 2005)

The convening of the IGF announced on 18 July 2006. Inaugural meeting held in Athens, Greece, from 30 October to 2 November 2006.

IGF Strategy and Future

- IGF Leadership Panel met in Vienna on 6-7 March 2023. The main outcomes impacting the IGF improvements relate to the LP members acting in their ambassadorial roles to strengthen the IGF impact, stakeholder engagement, role in guiding global digital policy, and its funding.
- The Panel also met with the MAG. The two groups discussed ways to cooperate on placing the IGF in the context of wider digital policy processes.
