Make a Paper Boat (Harder)

<p>Step 1</p> <p>Fold a piece of rectangular paper in half and open it back up.</p>	
<p>Step 2</p> <p>Fold the paper in half towards the bottom.</p>	
<p>Step 3</p> <p>Fold the corners down to the center.</p>	
<p>Step 4</p> <p>Fold the bottom of the front layer up.</p> <p>Turn the paper over and fold the other bottom up.</p>	

Say Goodbye

<p>Step 5</p> <p>Pull the sides apart and flatten.</p>	
<p>Step 6</p> <p>Fold the front layers up to the top then do the same to the back.</p>	
<p>Step 7</p> <p>Pull the sides apart and flatten into a square.</p>	
<p>Step 8</p> <p>Gently pull the top part of the folded paper out and flatten well, creasing all the folds.</p>	

Congratulations!

You've completed your boat.
Now you can decorate it.
