- Maps

Maps: Study Continents, Oceans, US States and Capitals as well as Map Skills: Learning to Read a Map

[Studying Maps: Online Practice](#)

[Map Online Practice #2](#)

- Current Events

Current Events: Use multiple news sources (media, digital, print) to learn more about the world around you. Focus on local, national, and international news. When thinking about current events, thoroughly address: who, what, when, where, and why, while providing sufficient insight and supporting evidence related to your opinion/reaction/connection to the event.

- [Social Studies Interactive Games](#)
- [American History Terms](#): This is not an all inclusive list but rather a short list of terminology to keep your mind sharp this summer

## Enrichment

- [Fun games and activities for your mind](#)
- [Bored? Here is a list of activities](#)

ELA with  
Mrs.  
McGough
