

# Higher Education Membership

Together, we power learner potential.

The best part of joining the 1EdTech community is our continuous work to improve educational technology.

Whether as a Contributing, Affiliate, or Alliance member, our "Go get 'em" spirit fuels our determination to meet the growing demands of today's learners and be ready and able to solve the challenges teachers, admin, and all stakeholders will face in the future.

Need help in determining which 1EdTech membership level is right for you? Learn more at 1edtech.org/about/membership.

66 Membership in 1EdTech provides insights into what is on the horizon for the K-20 landscape while informing my institution's strategic planning in academic transformation, alternative credentialing, and student-centered learning pathways. The collaborative nature of 1EdTech empowers its members to participate in and influence the future direction of educational technology."

Sherri N. Braxton, Sc.D., Senior Director for Digital Innovation,

## Join the brightest minds in education and technology

1EdTech higher education members bring their effort, expertise, and enthusiasm to improve digital teaching and learning experiences every day. Through our work, we are at the forefront of a digital transformation to power learner potential. We are enabling faculty choice in edtech tools, data-driven decisions, and opening the doors to capturing and sharing digital achievements.

Our collaboration with K-12, corporate learning, and edtech suppliers continues to lead the way in making positive impacts in classrooms, administrative offices, and homes around the globe. We can't wait for you to join us!

### Three membership levels to meet your needs

Whether you're a small or large university, a community college, or a state system, we all have an important part to play in shaping an open, innovative, and trusted ecosystem. We designed our three membership options with you in mind.

#### **Contributing** Member

Become a leader in 1EdTech to share your vision and receive customized support for your edtech innovations and implementations.

#### **Affiliate** Member

Access programs and technical resources to ensure seamless implementation of 1EdTech open standards in your digital ecosystem.

#### **Alliance** Member

Get self-service development resources and the ability to certify your products in the specification area of your choice.
