

DECLARATION OF INTERESTS FORM

– YEAR 2024 –

This Form should be used for the Declaration of Interests, as referred to in the Decision of the Administrative Board of the Agency for the Cooperation of Energy Regulators No 02/2015 of 31 January 2015 and in the Guidelines on the prevention and management of conflict of interest for the Administrative Board and Board of Appeal of the European Union Agency for the Cooperation of Energy Regulators, and where relevant, reflecting the legislative background (Regulation (EU) No 2019/942, Directive (EU) 2019/944, and Directive 2009/73/EC).

Broadly speaking, there is a conflict of interest where the impartiality and objectivity of a decision, opinion or recommendation of the Agency and/or its bodies, is or might in the public perception be compromised by an interest held by, or entrusted to, an individual working for the Agency or his/her close family members. However, having an interest does not necessarily mean having a conflict of interest. In particular, high quality of expertise is by nature based on prior experience and knowledge acquired in the relevant domain. Declaring an interest does therefore not automatically disqualify someone or limit his/her participation in the activities of the Agency.

The Declaration of Interests form is intended to provide the public with transparency on all potential elements that might jeopardise the independence of those involved when working in or with the Agency.

The completed Declarations will be reviewed in accordance with the Agency's Policy for the prevention and management of conflicts of interest and the Guidelines on the prevention and management of conflict of interest for the Administrative Board and Board of Appeal of the European Union Agency for the Cooperation of Energy Regulators.
