Chairman's Voice

Dear Alumnus,

Greetings to you all. The place where we grew up and began shaping our future, remains depository of many sweet memories. A lot has happened in the last few years in your lives and fate will take each one of you to many directions and destinations.

“WE“ which will become “US” without whom this journey wouldn't have been possible. Students are the brand ambassadors of any institution and you all have made us immensely proud. We certainly value your feedback and suggestions. I am sure that you have noticed, ACS College of Engineering has taken giant strides in our endeavor to carve a niche in the field of education. We believe in providing quality, holistic and affordable education to those who cannot afford professional course. We have envisaged an enriching path and we require your support along the way.

We shall come out with more such interactions in the future and seek your cooperation, participation and support. The students were absolutely thrilled to have their seniors amongst them. They would be motivated to perform better. Thank you all once again for making your presence felt. As you embark on a path filled with lots of twists and turns keep in touch with each and more importantly “**Keep In Touch With the Institution** “. I congratulate the team which has worked tirelessly making the event happen.

Vice Chairman's Voice

An institution is known by the quality of its students and the students, in turn are recognized by the reputation of the institution. ACS college of Engineering was founded with the vision of imparting good quality education to its students along with developing them into leaders of tomorrow. The Alumni network of the college showcases the success in accomplishing this. Therefore, to provide an opportunity to those alumni who have made us proud, we are honored to host the Annual Alumni Meet “MILANA 2017”. The intent is to give an opportunity to relive their college days, interact with other alumni, grow and mutually benefit each other and the institution.

Principal's Voice

ACS college of Engineering has consistently maintained close association with its students after they graduate and become privileged members of the alumni community. It is very important to us that the ties between the alumni community and us continue to flourish. For this to happen, members of the alumni community must be offered opportunities to stay abreast with all that is “new and happening” on the campus. I hope that as more members join the alumni network, the memories will only grow in fondness.

"Am one of the many proud ex-students of ACSCE and will not shy to say that I am here today because of the education & skilling this institute has induced in me. Am from the 2015 passed out batch of AE ,

Was fortunate to be part of such an esteemed faculty and we have gained and enriched ourselves with great knowledge and skills. I was also fortunate to visit the Institute in AUG-2017 and was overwhelmed to see a new and dedicated College building, advanced laboratories and R&D centers.

Nevertheless to say....Proud to have been part of this Institution and even proud to have been part of AE branch.
Cheers AE..

Akash Dalmia
Associate Software
Engineer
Oracle India Pvt. Ltd.
ALUMNI- DEPT. OF CSE

This institute helped me establish myself in the technical society. My experience here has been excellent. Right from day one when I joined this institute, I have enjoyed my every bit of learning. The faculty has been very friendly and enthusiastic to teach as well as learn. There were times when I went to my teachers even during non-working hours for doubts and I was never let down by them. And not only pertaining to academics, they have always supported us in extracurricular activities as well. All this was possible only because our management and principal provided us great infrastructure and a student friendly environment. Learning is fun here with the people and atmosphere around. I will always cherish the 4 years I spent here and the bond I made with my teachers, management, principal, friends and everyone else here.

Priyanka V
Test Engineer
MGIVP Ltd.
ALUMNI - DEPT. OF CS

Our college has an Awesome infrastructure, with well-versed Faculties and we had very good library facilities. Laboratories especially in Computer Science department, is excellent. Professors are too friendly and they guide us in a good way. And our college gives importance to cultural activities and sports as well. And we had a good Placement training when we were in Final year and Pre-final year...and now the management is doing a tremendous job in conducting Placement drives for all departments and infrastructure is even more improved. I feel proud to say I am an ACSian.

Lakshmi Bai P

ALUMNI-DEPT. OF BM

I am glad to be one of the alumni of ACS college. It was a wonderful journey. Being a part of biomedical engineering department was great, because of the well-equipped labs, skilled teachers and encouraging staff. Also providing pre-placement classes, and well organized campus drive. Overall the college not only provided me knowledge but also molded me from being a timid girl to strong independent girl.

I am thankful to management and staff.

Shyam
Assistant professor

Meet the Gurus with knowledge & wisdom, experience & expertise bringing with them abundant ideas and lots of patience to deal with the young and very young!

Laying the seed of co-creation from where ideas could emerge. Work on their computers & machines that would give physical shape to your dreams; Guided by veterans from various domains!! Here at ACSCE all this is possible. You will find dozens of experts watching you work and intervene, to strengthen each of your moves.

Manu J
Designer Engineer,
Mercedes Benz Research and
Development Centre,
ALUMNI -DEPT OF ME

Graduating from ACSCE was a truly memorable experience. From the four years of my stay in ACSCE, I was able to inculcate the behavior of a typical professional along with the required engineering techniques.

Our college supported lots of cultural and co-curricular activities, which I participated in many times. Our management was kind enough to provide the necessary motivation, hospitality and technical support, which made us fetch success with full satisfaction.

Registration details of ACSCE-Alumni Association: ACSCE-Alumni Association is officially registered under Karnataka Societies Registration Act 1960 on 26TH September 2014.

ACS College is committed to the highest standards of for its students. The infrastructure of the college is well maintained and well established. The campus is simply pleasant and beautiful. The students are provided with placement trainings to build up their knowledge on aptitude & technical aswell. Library of our college can be considered as one of the finest library among colleges. It offers complete access to the web & computer database that is useful for the students. The faculty members are an ideal blend of youth & experience. Most of them are PhD holders. Faculties & management provides most needed facilities for sports, curricular and extra-curricular activities to every students.

DEEPU YADAV

ALUMNI-DEPT. OF EEE

I am very happy to share a few words with you all. I am enjoying every bit of my life. Not only do I grow professionally, but every day I experience renewed energy and personal growth through the practice and experience. Management and teaching staff were great motivators and supportive throughout journey in ACSCE hence I am thankful to all those guiding lights that made me a successful graduate and Entrepreneur.

MILANA: The name of ACSCE alumni meet “MILANA” is a kannada word which means Getting together or Meeting or Union.

The objectives of ACSCE Alumni Association is to :

1. To promote and foster mutually beneficial interaction between the Alumni and the present students of the ACSCE and between the Alumni themselves.
2. To encourage the formation of Chapters as a means to increase participation of Alumni.
3. To encourage the Alumni to take an active and abiding interest in the work and progress of the Institute so as to contribute towards enhancement of the social utility of their Alma Mater.
4. To undertake to organize activities of a civic or charitable nature as also to increase public awareness of the role of technology in value addition in the economic and social development of the nation

Alumni Association Meet - Report

MILANA – 2017

Type of Event	:	Alumni Association Meeting
Chief Guest	:	Sri. R Neelakandan, DGM Toyota Logistics Ltd
Dignitaries	:	Prof. Jeyabalan, Special Officer, RRG Dr. MS Murali, Principal, ACSCE Prof. Dhanya Prakash RB, Faculty coord, Alumni Association. Mr. Vinay Shankar, President, Alumni Association of ACSCE Mr. Sanjay Prasad, Secretary, Alumni Association of ACSCE

Event Date & Duration	:	15 th August 2017, 10.30 AM-1.30 PM
Venue	:	1 st Floor Seminar Hall & Auditorium, ACSCE

Alumni meet proceedings

The Fourth annual Alumni Meet of ACSCE Alumni Association was held at 1st Floor Seminar Hall, ACSCE on 15.08.2017 at 11.00 AM. Because of the incessant rains the program was postponed by an hour. The occasion was graced by nearly 180 students ranging across various batches & branches and from various parts of the country. The alumni were very eager to meet their contemporaries, professors and the newest additions to the institution.

The program started with lighting of the lamp by the dignitaries and invocation song by Ms. Ramya. Welcome address was given by the President Mr. Vinay Shankar. Speech by Principal & Special Officer followed. Principal shared the significant events that took place in the current Academic year and emphasized the importance of Alumni. Special officer, RRG briefed the current status of the College with 8 UG and 4 PG courses to offer. He also highlighted the need for research and to associate themselves with the college for same activities. Followed by the felicitation of Chief guest. In his speech he emphasized the importance of 4 things. To look, Observe, Analyze & Act. Finally, Prof. Dhanya Prakash RB rendered Vote of Thanks.

After the formal function, the cultural program and games for the alumni ensued. This was followed by the sharing of experiences by the alumni and its activities.

The office bearers had a meeting with members to seek suggestions and chalk out the activities for the coming year. Alumni discussed about the job prospects of ACSCE students and in what way they can help with the placements. They also proposed to fund the fee payment of two economically weaker students every year. Finally, it was unanimously decided that same office bearers will continue for the year 2017-18.

The Program culminated with the alumni and the invited guests having a lavish lunch.
