Research Promotion Policy

Reference Visvesvaraya Technological University (VTU) 2014, 2017,2020 Regulations

1. Preamble

The ACS college of Engineering abides rules and regulations of VTU. The ACS College of engineering has well-established research promotion policy to build a research ecosystem and create a conducive research ambiance for promoting and expediting research activities among faculty members and research scholars

2. Objectives

- To create an excellent research ambiance and infrastructure
- To facilitate multi disciplinary research
- To publish papers in journals of international repute, file patents and transfer technologies to relevant industries
- To continuously monitor the research outputs for ensuring quality by appropriate committees
- To create quality human resources for scientific research
- To recognize both faculty and students on their research output by a research award

3. Research Incentives

The Institute offers Research Incentives (**Tuition fees waive off**) to motivate the faculty (to publish quality research publications. The incentives will be awarded based on SNIP of (Scopus / WOS) indexed journals published. (**Note: full time scholar also eligible**)

The Institute offers Research Incentives **(Patent government fees)** to motivate faculty to publish/grant patent. The incentives will be awarded based publication/granted patent (Note: the applicant/ co- applicant should be in the name of ACS College of Engineering)

4. TURNITIN, (plagiarism detection), an originality check software

The Institute subscribes for a licensed Turnitin, originality check software, every year to assist the researchers in verifying the similarity index of the journal manuscripts and Ph.D. Theses with value limited to 20%.

5. Research Facilities

The college has provision to provide ODD to the faculty for their Research activities such as Ph.D written examination, course work examination, attending conference/Seminar and other research related actives.

6. Funded Project:

i) Both PI and Co-PI are eligible for a 10% incentive cash award of total cost of project

ii) For a funded project, cash award can be claimed only once and thereafter certificate of appreciation (CoA) will be given every year until the end of the project.

7. For Workshops/Training:

The faculties are sponsored by institute for in-house workshop/Training/Conference/NPTEL/NITTTR which is recommended by the Dean (R&D) and principal.
