## SIGNATURE

MARBLE & QUARTZ

Quartz: **3100x1400**mm

SIGNATURE  
MARBLE & QUARTZ

# ABOUT US

At AGL, we have been leading the change by continuous innovation, setting higher goals, achieving the unthinkable and creating new benchmarks. This has enabled us to clock net consolidated turnover of ₹1562 Crores (US \$190 Million) in FY22-23, making us giant in the space décor industry. In the short span of 23 years, we are one of India's largest groups, with a global footprint across 100 countries. Today,

AGL has enhance its product range from Tile to Marble, Quartz and now in Bathware as well.

The research and development center at every AGL plant is well equipped with all the latest testing methods and the products are thoroughly tested for quality before delivery. It is ensured that every product matches the highest international quality standards.

# TECHNOLOGY AND SETUP

*Ultra Modern Technology To Produce Engineered Marble & Quartz In India*

AGL Marble & Quartz Plant is fully equipped with Avant Garde ultra modern Vibrocompression compaction technology. This plant produce consistent products with great quality that matches international standards and remains durable for long term. AGL Marble & Quartz is polished with 64 head advance polishing technology that enhances natural beauty of engineered marble & quartz surface with full of shine and ready to install.

**14** ULTRA-MODERN MANUFACTURING UNITS IN INDIA\*

\* Including JVs and CMUs  
\*\* Includes contract labour

AGL brings to you an exclusive collection of engineered marble and quartz. These next-generation marble and quartz are sustainable and eco-conscious for a better tomorrow. The collection is feature-rich and maintenance free offering a nature stone-like ambiance with less care and maintenance. Robotech - Design Innovation is a revolution in the industry, bringing tech and craftsmanship for products unparalleled in features, technical attributes, application, and efficiency.

# Serving Statements

An ode to the finest luxury, the Signature Collection from AGL is an exquisite range of engineered Marble & Quartz, setting standards and serving statements with impeccable beauty and size while redefining the art of luxury living and unmatched spatial experience.

The exclusive Signature - Marble & Quartz Collection from AGL is a symphony of class and perfection curated to serve statement and set new standards in the world of luxurious interiors. The collection is a nostalgic testimony to time and trends transcending marble and quartz decor with diverse narratives and functionality for the modern lifestyle.

The collection is designed for an immersive experience of class-apart indulgence, truly matchless and unprecedented in the industry. Opposed to the transient trends and fads, the collection boasts a timeless appeal reflecting classic styles of marble and quartz cladding with rootedness in grandness and grandeur.

With its extraordinary range, Signature Collection is a passionate pursuit of art to offer homeowners and space makers the luxury of self-expression while redefining the narrative altogether with the collection, which is matchlessly functional and resilient too, and not just beauty and luxury.

**SIGNATURE**  
MARBLE & QUARTZ

# Timeless Marble & Quartz

The exclusive Marble & Quartz range of the Signature Collection features the finest engineered marble and quartz crafted meticulously by AGL into a collection that will set benchmarks in the industry in terms of technology, formats, surfaces, aesthetics, and more.

The revolutionary collection features unprecedented marble & quartz designs, superior surfaces, and a mix and style that is versatile, elegant, and luxurious beyond measure while keeping minimalism in tow, all achieved through pioneering technology.

As minimalism is embracing a more prominent role in shifting interior design and architectural reality, the range is expertly curated, keeping the timelessness of aesthetics, modern minimalism, luxurious trends, modern design sensibilities, urban lifestyle needs, easy maintenance, and functionality in prime focus.

**Experience classic beauty  
enfolded in contemporary  
excellence.**

# A Class Apart Technology

The Signature Collection employs and commissions class-apart technology - The Robotech - Design Innovation from AGL crafting the collection from scratch.

The technology solely handles the proportion, design, processing, and handling of the collection, bringing you surfaces never before seen in the industry.

**ROBOTĒCH**  
DESIGN INNOVATION

SIGNATURE

QUARTZ

Robotech by AGL is a groundbreaking technology for designing, processing and finishing composite quartz and engineered marble from our Signature Collection.

This technology, combined with robotic precision and guided design, creates eco-friendly, highly durable marble and quartz that excel processed natural stone in aesthetics and functionality.

This technology enhances and simplifies the collection's features, improving surface performance, longevity, and aesthetics with features like liquid repellency, longlasting colors, and a brilliant shine.

## Benefits

With AGL, live a hassle-free lifestyle as it offers architectural solutions - impressive-looking surfaces with less upkeep.

The Signature Collection offers effortless elegance to luxurious interiors with liquid-repellent, stain-resistant surfaces that stay pristine and perform exceptionally well.

The surfaces have versatile applicability with exceptional features like resistance to scratches, abrasions, freezing, thawing, heat, etc., keeping the space's aesthetic new.

### Highly Resistant

Surfaces withstand water penetration, frost, thaw, and more, keeping the functionality and aesthetics of the surfaces intact.

### Unmatched Strength

Crafted meticulously and in durable thicknesses of 15mm and 20mm, the surfaces of the collection boast unmatched strength and resilience.

### Infinite Possibilities

Colossal size and superior benefits open rooms to infinite applications, making these surfaces practically applicable to any place.

### Easy to Maintain

Superior resilience and innovative technology make collection maintenance relatively straightforward and hassle-free.

### Modern Application

Opening new application frontiers, the surfaces are ideal for applications ranging from functional to accent details.

## Signature Benefits

 High Durability of Surface and Lifespan	 Versatile Opportunity to Customize	 Scratch Resistant	 Resistant to Stains	 Maximum 3-4% wastage During Installation	 Resistant to Freezing and Thawing
 Resistant to Abrasion	 Superior Mechanical Strength	 Low Water Absorption	 Dimensional Stability	 More Hardness (Mohs Scale) 6 to 7	 Easy Available
