VITAE

PETER CONRAD

Office Address

Department of Sociology MS-71
Brandeis University
Waltham, MA 02454-9110
Phone: 781-736-2635
Fax: 781-736-2653

Home Address

20 Old Sudbury Road
Lincoln, MA 01773
Phone: 781-259-8491

Email: conrad@brandeis.edu

Born: April 12, 1945
New York, New York

CURRENT POSITION:

Harry Coplan Professor of Social Sciences and Professor of Sociology

Professor of Sociology, Heller School of Management & Social Policy (2006-)

Visiting Professor, Department of Sociology, Social Policy and Social Work, Queens University of Belfast (2012-2016)

EDUCATION:

State University of New York at Buffalo, 1963-1967, B.A. (Sociology)

Northeastern University, 1967-1969, M.A. (Sociology)

Boston University, 1970-1976, Ph.D. (Sociology)

MAJOR INTERESTS IN THE FIELD:

Sociology of Health and Illness, Deviance and Social Control, Sociology of Mental Health, Qualitative Research Methods

Research on relation of Medicine and Deviance focusing on Epilepsy, the Experience of Illness, and the Medicalization of Deviance. Research on the Pursuit of Health focusing on Corporate health Promotion Programs. Research on Emergency Medical Services in Indonesia. Research on the public discourse of the new genetics, focusing on Behavior and Genetics in the News. Research on the Sociology of Biomedical Enhancement. The Medicalization of Society. Research the Internet and the Experience of Illness.

HONORS:

Honorable Mention, Social Issues 1976 Dissertation Award awarded by the Society for the Psychological Study of Social Issues.

1981 Charles Horton Cooley Award, awarded by the Society for the Study of Symbolic Interaction, "For outstanding contribution to the study of symbolic interaction": Deviance and Medicalization: From Badness to Sickness.

Hooker Distinguished Visiting Professor, McMaster University (Canada)

President, Society for the Study of Social Problems, 1995-1996

Distinguished Fulbright Professor, Queen's University of Belfast, 1997

Marquis Who's Who in America, 1997-

Leo G. Reeder Award from the Medical Sociology Section of the American Sociological Association for "distinguished contributions to medical sociology," 2004.

Lee Founder's Award (2007) "made in recognition of significant achievements that, over a distinguished career, have demonstrated continuing devotion to the ideals of the founders of the Society for the Study of Social Problems and especially to the humanist tradition of Alfred McClung Lee and Elizabeth Briant Lee." 2007

Finalist for C. Wright Mills Award, Society for the Study of Social Problems, 2008, *The Medicalization of Society*

James E. Greenley Award from the Division of Mental Health and Society of the Society for the Study of Social Problems "for distinguished contributions to the Sociology of Mental Health," 2016.

GRANTS AND FELLOWSHIPS:

New York State Regent's Scholarship, 1963-1967.

N.S.F. Traineeship, 1967-1968.

N.S.F. Dissertation Grant, (Soc. 74-22043), 1974-1975.

Grant from Drake University Research Council, 1976 - 1977.

Faculty Development Grants for Qualitative Sociology Workshops, 1977 (with Joseph W. Schneider) and Interface of History and Sociology Workshop, 1978 (with Frederick Adams).

N.I.M.H. Grant R03MH30818, Principle Investigator, "Being Epileptic: Experience with Epilepsy," Oct. 1977 - March 1979 (with Joseph W. Schneider).

Mazur Fund Research Grant, Brandeis University, "Corporate Health Promotion and the Pursuit of Health," 1983-84, 1984-85, 1987-88.

Biomedical Research Grant (N.I.H.), "Corporate Health Promotion and the Pursuit of Health," 1983-85.

N.I.M.H. National Research Service Award (IF32MH0933-01), 1985-86.

Mazur Fund Research Grant, Brandeis University, "Modernization and Medical Care in Urban Indonesia," 1989-90.

Grant from Center for Comparative and International Studies, Brandeis University, "Modernization and Medical Care in Urban Indonesia," 1989-90.

Study-Visit Grant from World Rehabilitation Fund, "Social Aspects of Epilepsy in Indonesia," 1989-1990.

Grant from Rockefeller Foundation, "The Social and Medical Organization of Emergency Medical Services in Urban Indonesia," 1989-1990 (\$20,000), Principal Investigator.

Grant from Sloan Foundation, "New Liberal Arts" Project for integrating quantitative databases in course on medical care system, Summer 1992.

Grant from Kaiser - Family Foundation, "Constructing a Safety Index", 1994 (\$3,000).

Travel Grant from American Council of Learned Society for travel to I.S.A., 1994.

Mazur Fund Research Grant, Brandeis University, "Homosexuality and Genetics in the News," 1994.

Grant from N.I.H. Human Genome Project Shannon Grant. "The News Media's Presentation of Genetic and Hereditary findings: Behavior and Genetics, 1945-95." 1994-1996 (\$100,000). Grant No. 1R55 HG00849-01A1. Principal Investigator.

Mazer Fund Research Grant, Brandeis University, "Genetics and Behavior in the News: Some Comparisons in the British Press," 1996.

Distinguished Fulbright Lecturer, Queens University, Belfast, Spring 1997.

Mazer Fund Research Grant, Brandeis University, "The Demedicalization of Homosexuality Reconsidered," 2002.

Mazer Fund Research Grant, Brandeis University, "Measures of Medicalization," 2003.

Provost's Conference Fund Grant (with Sara Shostak), "Medicalization and the Growth of Health Care." (2007)

Norman Fund Grant, Brandeis University, "Globalization of ADHD" (2010)

TEACHING AND ADMINISTRATIVE EXPERIENCE:

Boston University, Department of Sociology, Lecturer, 1971-1972, 1980-81.

Suffolk University, Department of Sociology, Instructor to Assistant Professor, 1971-1975.

Drake University, Department of Sociology, Assistant Professor, 1975-1978.

New York University, Department of Sociology, Visiting Assistant Professor, Spring 1979.

Brandeis University, Department of Sociology, Visiting Assistant Professor, 1979-1981.

Brandeis University, Department of Sociology, Assistant to Full Professor, 1981-.

Brandeis University, Harry Coplan Chair in Social Sciences, 1993-.

Brandeis University, Chair, Department of Sociology, 1993-2002

Brandeis University, Chair, Health: Science, Society and Policy program, 2004-13

Brandeis University, Interim Chair, Department of Sociology, 2015-16

RELATED EXPERIENCE AND EDUCATION:

Clinical Assistant, Boston State Hospital, 1969-1971.

Research Seminar in Law and Mental Health, Boston University Center for Law and Health Sciences, 1972-1973.

Postdoctoral Fellow, Department of Social Medicine and Health Policy, Harvard Medical School, January-December 1986.

Lecturer in Social Medicine and Health Policy, Harvard Medical School, 1987-1990.

Visiting Scholar, IUC Studi Sosial and Clinical Epidemiology Unit (School of Medicine), Gadjah Mada University, Yogyakarta, Indonesia, June 1989 to June 1990.

Lecturer, Department of Health and Social Behavior, Harvard School of Public Health, 1993-97.

Visiting Scholar, Department of Social Science and Social Policy, University of London - Royal Holloway, Egham, Surrey, England 1996-1997.

Distinguished Fulbright Lecturer, Queen's University of Belfast, No. Ireland, Spring 1997 and continuing Visiting Professor, 1997-2013 (one week per year)

PUBLICATIONS AND PAPERS:

Books and Monographs :

Identifying Hyperactive Children: The Medicalization of Deviant Behavior, Lexington, MA: D.C. Health, 1976 (122 pp.).

Deviance and Medicalization: From Badness to Sickness (with Joseph W. Schneider), St. Louis: C.V. Mosby, 1980 (311 pp.). Expanded edition, Philadelphia: Temple University Press, 1992. (Translated into Japanese, 2003)

(Chapter 9 reprinted in s. Traub and C. Little *Theories of Deviance*, 4th and 5th editions, Peacock, 1993 and 1999, in N. Herman *Deviance: A Symbolic Interactionist Approach*, General Hall, 1995, in M. L. Anderson, K.A. Logo, H.F. Taylor, *Sociology: An Introductory Reader*, 2001, 2008 and in D.M. Newman and J. O'Brien, *Sociology: Exploring the Architecture of Everyday Life*, Pine Forge Press, 2002, 2008; Chapter 7 reprinted in K.E. Rosenblum and T. M. Travis, *The Meaning of Difference*, McGraw Hill, 1995; Chapter 3 reprinted in J. McLeod and E. Wright. *The Sociology of Mental Illness: A Comprehensive Reader*, Oxford U. Press, 2009).

The Sociology of Health and Illness: Critical Perspectives (edited with Rochelle Kern), New York: St. Martin's Press, 1981 (642 pp.).

Having Epilepsy: The Experience and Control of Illness (with Joseph W. Schneider), Philadelphia: Temple University Press, 1983 (274 pp.). Paperback edition, 1985.

Computers and Qualitative Data (Special Issue of *Qualitative Sociology* edited with Shulamit Reinharz), New York: Human Sciences Press, 1984 (212 pp.).

The Sociology of Health and Illness: Critical Perspectives, Second Edition (edited with Rochelle Kern), New York: St. Martin's Press, 1986 (540 pp.).

Research in the Sociology of Health Care, Volume 6 (The Experience and Management of Chronic Illness) (edited with Julius A. Roth), Greenwich, CT: JAI Press, 1987 (321 pp.).

Work-site Health Promotion (edited Special Issue of *Social Science and Medicine*, 26 [5], 1988, [94 pp.]).

Qualitative Sociology in International Perspective (Special Issue of *Qualitative Sociology*, edited with Shulamit Reinharz), New York: Human Sciences Press, 1988 (154 pp.).

The Sociology of Health and Illness: Critical Perspectives, Third Edition (edited with Rochelle Kern), New York: St. Martin's Press, 1990 (534 pp.).

Health and Health Care in Developing Societies: Sociological Perspectives, (edited with Eugene Gallagher). Philadelphia: Temple University Press, 1993 (314 pp.).

(Introduction reprinted in D. Matcha (ed.), *Readings in Medical Sociology*, Prentice Hall, 2000)

The Sociology of Health and Illness: Critical Perspectives, Fourth Edition (edited with Rochelle Kern), New York: St. Martin's Press, 1994 (556 pp.).

The Sociology of Health and Illness: Critical Perspectives, Fifth Edition, New York: St. Martin's Press, 1997 (550 pp.).

Sociological Perspectives on the New Genetics (edited with John Gabe), London: Blackwell, 1999. (219 pp.)

Handbook of Medical Sociology (edited with Chloe Bird and Allen Fremont), Fifth Edition, Englewood Cliffs, NJ: Prentice Hall, 2000. (438 pp.)

Sociology of Health and Illness: Critical Perspectives, Sixth Edition, New York: Worth-St. Martin's Press, 2001. (546 pp.)

The Double-Edged Helix: Social Dimensions of Genetics in a Diverse Society (co-edited with Joseph Alper, Adrienne Asch, John Beckwith, and Cathy Ard). Baltimore: Johns Hopkins University Press, 2002. (291 pp.)

Health and Health Care as Social Problems (co-edited with Valerie Leiter). Colorado: Rowman and Littlefield, 2003. (367 pp.)

Sociology of Health and Illness: Critical Perspectives, Seventh Edition, New York: Worth Publishers, 2005. (595 pp.)

Identifying Hyperactive Children: The Medicalization of Deviant Behavior. Expanded edition. (Sociology Classics series) Burlington, VT: Ashgate Publishing, 2006. (159 pp.)

The Medicalization of Society: On the Transformation of Human Condition into Treatable Disorders. Baltimore: Johns Hopkins University Press, 2007. (204 pp.) (Translated into Chinese and Korean, forthcoming)

Sociology of Health and Illness: Critical Perspectives, Eighth Edition, New York: Worth Publishers, 2009. (625 pp.)

Co-editor, "The Medicalization of Life" (with Antonio Maturro) *Salute e Societa* (special issue), Anno VIII-n/2009, Franco Angeli, (in Italian and English)

Handbook of Medical Sociology (edited with Chloe Bird, Allen Fremont and Stefan Timmermans), Sixth Edition, Nashville, TN: Vanderbilt University Press 2010. (457 pp.)

Sociology of Health and Illness: Critical Perspectives. Ninth Edition. (edited with Valerie Leiter) New York: Worth Publishers, 2013. (647 pages)

Global Perspectives on ADHD: The Social Dimensions of Diagnosis and Treatment in 16 Countries (coedited with Meredith Bergey, Angela Filipe, and Ilina Singh). Baltimore: Johns Hopkins University Press. In Press.
