
California Triathlon General Liability & Accident Coverage For Race Directors

"The world's most valuable resource is no longer oil, but data." ~ The Economist, 2017

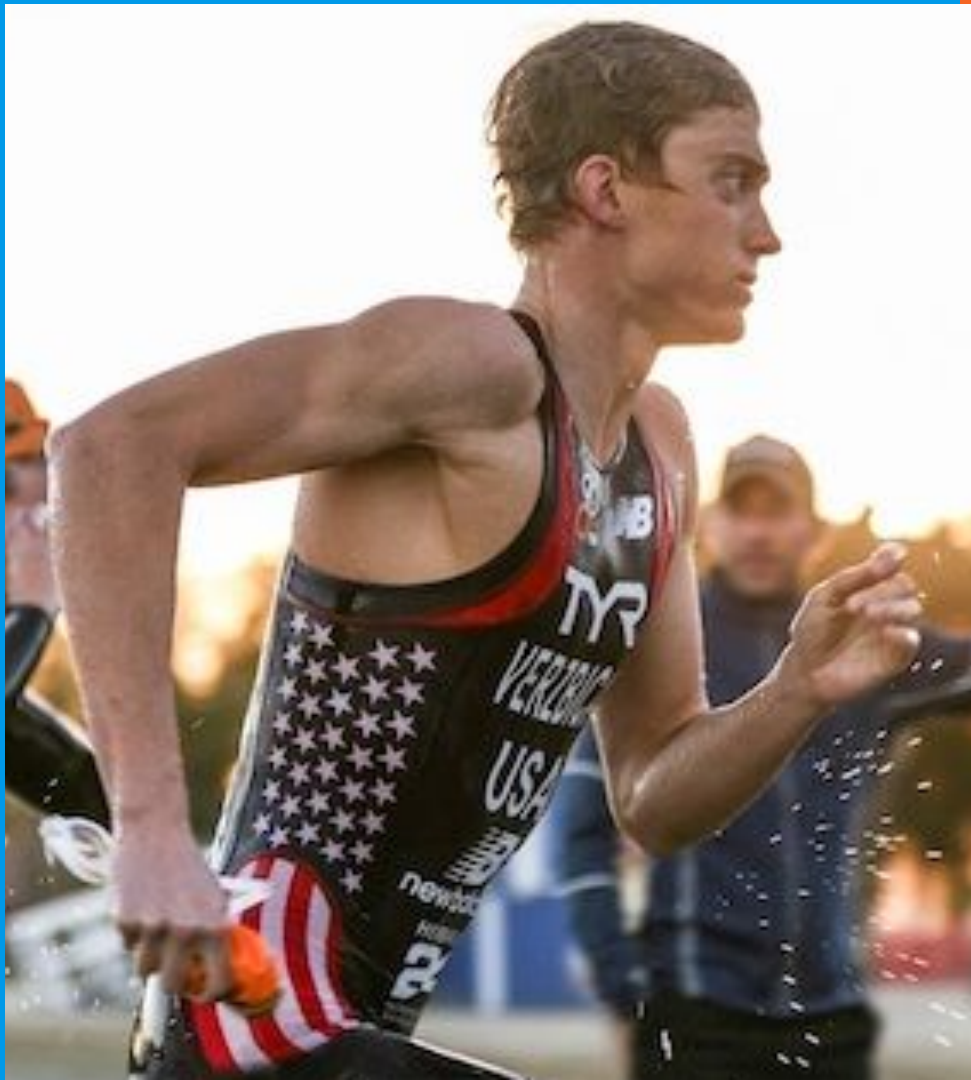

**Without This Coverage, Your
Business Is A Big Ole
Leaky Data Bucket**

Is your data safe?

Your success is limited when your athlete data is harvested & monetized by third parties.

- Race Registration Partner
- Timing Company
- Insurance Provider
- Race Producers
- Sponsors
 - Are potential sponsors already getting your data via third parties?

California Triathlon
General Liability &
Accident Coverage For
Race Directors enables
race directors to **keep
data safe** while providing
athlete insurance at a
**fraction of the market
cost.**

What race directors are saying

"Easy, affordable, great process. Gets the athletes insured so we can compete."

Chris Jackson, Canyon Lake Triathlon, CA

"The quickest I've ever received a COI and the easiest, most streamlined process as well."

Keaton Garrett, Heartland Racing, MO

"Significant savings when we switched AND no membership fees required from our athletes"

Rob Gould, Hawk Mountain Race Weekend, PA

"The process was seamless, and athletes saved a lot of money compared to previous years."

Patrick Hight, People Powered Sports, TX

"The best a race director can provide for their athletes."

Thierry Rouillard, Rung41, FL

“The Only Constant in Life Is Change.” ~ Heraclitus
