To the extent that there are any conflicts between this Agreement and the Order then the latter shall prevail. This Agreement and any documents expressly incorporated herein by reference comprise the entire Agreement between the Parties in relation to the matters referred to herein and supersede any previous Agreement, arrangement, communication and negotiation (whether written or oral) between the Parties relating thereto. In entering into this Agreement no Party may rely on any representation, warranty, collateral contract or other assurance (except those set out in this Agreement) made by or on behalf of the other Party on or before the date of this Agreement (and such are agreed to be merged into, and superseded by, the terms hereof), and each of the Parties waives all rights and remedies which, but for this clause, might otherwise be available to it in respect of any such representation, warranty, collateral contract or other assurance, provided that nothing in this clause shall limit or exclude any liability for fraud.

Supplier will make reasonable efforts to accommodate Orders that are within 25% of the previously Forecasted demand.
