

Luis Pano

Education Content Consultant

Education Content Consulting

Luis Pano is freelance Education Content Consultant based out of Damaia, Lisbo in Portugal.

Industry:

Education Content Consulting

Location:

Portugal

Challenge:

Produce education content in terms of professional education in IT and Administrative Process.

Toolkit:

Solution:

Create content that enables those in the workforce to create presentations and reports inherent to the tasks and resources of any company.

Benefits:

Educate and provide solutions for various processes and training requirements with a high level of quality standards.

Luis Pano is freelance Education Content Consultant based out of Damaia, Lisbo in Portugal. Since 2006 he has been creating education content for Professional Education and the Administrative Process.

His company was created based on the increasing need for the Portuguese workplace to obtain more professional and qualified personnel and to enable such people to create presentations and reports inherent to the tasks and resources of any company.

Mr. Pano states, "I began to use ConceptDraw Office specifically for my Macintosh computer. This intuitive tool is significantly more user-friendly than Microsoft Project or Visio. ConceptDraw Office was the only tool on the market that met all my needs for use on my Macintosh."

Luis provides documentation that educates and provides solutions for the various process and training requirements with a high level of quality standards that meet the demands of the internal and external needs of a company. ■

"ConceptDraw Office was the only tool on the market that met all my needs for use on my Macintosh."
