Undergraduate

WELCOME

The future belongs to the ready.

Acknowledgement of country

Deakin University acknowledges the Traditional Custodians of all the unceded lands, skies and waterways on which Deakin students, staff and communities come together.

As we learn and teach through virtually and physically constructed places across time, we pay our deep respect to the Ancestors and Elders of Wadawurrung Country, Eastern Maar Country and Wurundjeri Country, where our physical campuses are located.

We also acknowledge the many First Nations from where students join us online and make vital contributions to our learning communities.

Take on tomorrow with confidence.

For almost 50 years, Deakin has shaped the leaders of the future. Today, we are in the top 1% of universities worldwide.¹

Why Deakin?

Join a world-class university and be ready to take on tomorrow with confidence.

At Deakin, you won't just learn about the future, you will prepare for it with real-world learning fuelled by progressive thinking.

Choose a practical, industry-shaped course and launch a career with impact.

Geelong Waurun Ponds Campus

What do you want from your university experience?

World-class degrees

Australia's education system is internationally renowned. As one of the country's leading universities, you will receive a world-class education.

Career focus

Graduate from university work-ready. Our degrees are practical and hands on. There are many opportunities for work experience, which can be credited to your degree, or organised separately with our support.

Life in Australia

Australia is a welcoming, diverse and beautiful country. Our campuses are located on the east coast of Australia, in the state of Victoria, a vibrant and multicultural state.

Help and support

Deakin supports you at every step, inside and outside of the classroom. We are proud to be the number one university in the Australian state of Victoria for student support.¹

¹ 2022 Student Experience Survey, Quality Indicators for Learning and Teaching (QILT).

Six campuses.
Three countries.

DEAKIN TRULY IS AN INTERNATIONAL UNIVERSITY

Based in the Australian state of Victoria, Deakin has been offering degrees from our four Australian campuses for almost 50 years. We have now expanded to India and Indonesia, bringing our high-quality Australian education to the world. As with our Australian campuses, Deakin's international campuses are communities where students can make connections that last a lifetime.

Deakin was the first international university to open a teaching campus in India. The GIFT City Campus offers postgraduate courses aligned with local employment needs.¹ As a global financial and information technology hub, GIFT City offers an opportunity for students to learn with industry partners. This practical, real-world experience, which Deakin is known for, prepares graduates for emerging and in-demand roles in India's growth sectors.

Our newest campus in Bandung, West Java, Indonesia is an innovative joint effort with Lancaster University (United Kingdom). The campus currently offers STEM programs in business and information technology in Bandung, to support the educational needs of Indonesia. Students graduate with dual undergraduate qualifications from two world-class institutions while enjoying the many benefits of living and working close to home, supported by their families and peers.

¹ You must be an Indian citizen to study at GIFT City.

Campuses

Deakin delivers world-class on-campus and online learning.

ON-CAMPUS LEARNING

We have four world-class campuses located in the state of Victoria, as well as an innovative online learning environment.

Where you choose to study will depend on your degree and preferences. Our on-campus degrees use the same DeakinSync online learning platform as our online degrees. That means you can access a wide-range of resources and class recordings at any time, as well as communicate with your lecturers and peers outside the classroom. The platform provides a seamless connection between our physical and digital classrooms.

ONLINE LEARNING

Digital is in Deakin's DNA

For more than 40 years, Deakin has been perfecting distance and online learning. Today, we have a community of over 55,000 students, and continue to be world leaders with our innovative online teaching platform.

Study what, how and when you want thanks to our live-streamed seminars and real-time class discussions.

Our easy-to-use learning tools help you to connect with teachers and students, and access course materials offline.

With technical, academic and personal support available online, it is no surprise we are voted the number one university in the Australian state of Victoria for student support.¹

CAMPUSES

MELBOURNE

MELBOURNE

The home of innovative and cutting-edge learning facilities.

Melbourne is the multicultural heart of Australia, renowned globally for its food, arts and culture, and sport.

Deakin's largest campus can be found in Burwood. Surrounded by open spaces and parks, this spacious campus has state-of-the-art buildings and facilities. Burwood is just a short distance from Melbourne's dynamic city centre, and is easily accessible on public transport.

WARRNAMBOOL

WARRNAMBOOL

A global education on a local scale.

Warrnambool is a popular tourist destination, with beautiful waterways, surf beaches and a whale-watching centre.

Our Warrnambool Campus is home to a small but ambitious Deakin community. The campus is easily accessible by train and is located just three hours outside of Melbourne.

The globally-recognised research conducted at this campus supports the very environment it sits on, and beyond.

POST-STUDY WORK OPPORTUNITIES

The Temporary Graduate visa is an Australian government initiative that enables eligible international students to temporarily live and work in Australia following graduation. The visa duration varies depending on what you study. Deakin's Geelong and Warrnambool campuses are classed as regional, and students who study and work in regional areas may be eligible for a visa extension, allowing them to get extra work experience and gain valuable skills.

GEELONG

A vibrant regional city with country charm.

Geelong is home to two Deakin campuses — Waterfront and Waurn Ponds — and is the second most populated urban area in Victoria (after Melbourne), with a population of more than 250,000 people.

Just an hour from Melbourne, Geelong is easily accessible by public transport. Geelong is best known for its beaches, nightlife, food and culture.

Geelong Waterfront

GEELONG WF

An energetic, modern campus in the heart of Geelong, right on the bay.

This historic and architecturally striking campus boasts cutting-edge learning facilities.

Two-minutes from the beach, cafes and shops, you will have everything you need on your doorstep.

Geelong Waurn Ponds

GEELONG WP

Where hands-on learning meets world-leading research.

Just outside Geelong city centre, Waurn Ponds offers students the best of both worlds.

Access some of the most advanced teaching and research facilities in the world, while socialising and studying in our outdoor areas and modern buildings.

In 2019, a ferry travelling between Melbourne and Geelong was launched. The ferry offers a comfortable and convenient mode of transport. It docks a short walk from the Geelong Waterfront Campus. Train and bus services are also regularly available between Geelong and Melbourne.

An inter-campus bus runs on rotation between the Waurn Ponds and Waterfront campuses so students can get to and from class, or to experience a change of scenery.

Making Australia home

▶ There are a lot of reasons why Australia is one of the most popular destinations for international students.

Australia is welcoming, diverse and beautiful.
It is also home to some of the best universities in the world.

Melbourne is Australia's

Victoria home²

DISCOVER VICTORIA

Deakin's four campuses are located in Victoria and are home to students from more than 130 countries. Victoria is an exciting and multicultural state on Australia's east coast.

Whether you study in Melbourne, Geelong or Warrnambool, the communities that surround Deakin are friendly and full of life.

Celebrated for the arts, sports, food and coffee, Victoria is also home to incredible beaches, nature and wildlife, and a welcoming and engaging culture.

Be future ready.

Deakin is dedicated to preparing you for your career. Experience practical, real-world learning, and be ready to enter the workforce with confidence.

Work experience

Gain a competitive edge in the workplace.

At Deakin, we have a wide range of internship, work placement and work integrated learning programs to help you advance your career while you study.

You will gain the real-world expertise and practical skills that offer a competitive edge in the workplace.

AWARD-WINNING

university career service in Australia.¹

DeakinTALENT

Get from course to career with confidence

Prepare for the jobs of tomorrow with lifetime access to an award-winning university career service. DeakinTALENT empowers you to explore a broad range of career opportunities and build skills and experiences. Services include individual career coaching sessions, online resources and development platforms, career success workshops and cohort specific programs.

Find and get help with:

- jobs and internships
- resume reviews
- career success workshops.

DeakinTALENT International Student Careers

DeakinTALENT International Student Careers (DISC) is a program designed to help international students explore employment options, and build marketability and networking skills.

DISC will help you understand the Australian employment market and workplace culture, and apply your job search strategies in Australia or internationally.

¹ Australian Graduate Recruitment Industry Awards, 2017, 2018, 2019, 2020 winner for most popular career service in Australia; Employability award, 2021 Australian Financial Review Higher Education Awards.

Welcome to your home away from home.

Ready for the full university experience?

Life on campus at Deakin is fun, friendly and safe. Options range from shared units to single apartments. When living on campus, each student gets a private, lockable furnished bedroom which includes a bed, desk, carpet, heating and free Wi-Fi.

MELBOURNE BURWOOD

Bordered by picturesque parkland, the accommodation at our Melbourne Burwood Campus is home to 1175 students from all over the world. It features collaborative study zones, a fully-equipped kitchen and an outdoor rooftop terrace. Residents are also invited to a wide range of free events like movie nights and food truck events.

EXPLORE

Melbourne Burwood
accommodation

WARRNAMBOOL

Located right next to the Hopkins River, the Warrnambool Campus is an ideal spot for students. You will have access to local surf and fishing spots, hallway dinners, free events, facilities like shared study spaces, a communal kitchen, a community produce garden and more. Our campus accommodation is the best way to enjoy student life.

COST OF LIVING

OFF-CAMPUS ACCOMMODATION

There are also plenty of options if you would like to live off campus.

Houseme is Deakin's database of local rooms, houses and apartments available to rent.

We are also here to help you apply for properties and understand your rights and responsibilities as a tenant in Australia.

Learn more about living off campus

Everyday expenses

COST-OF-LIVING GUIDE

Accommodation is not the only cost to consider.

The cost of living in Australia will vary depending on where you live, your lifestyle and your day-to-day expenses. It is a good idea to think about your budget before you arrive.

▶ Visit www.studyaustralia.gov.au to find out more.

¹ These price ranges are a guide only. Actual costs may vary.
² On-campus estimated cost is for Deakin's Melbourne Burwood Campus and includes amenities, such as electricity, gas and internet. On-campus accommodation costs for the Geelong and Warrnambool campuses are lower.

Accommodation expenses¹

	ON CAMPUS AT DEAKIN AUD \$264 to AUD \$326 per week ² (inclusive of amenities)
	HOSTELS AND GUEST HOUSES Around AUD \$150 per week
	SHARED RENTAL Around AUD \$200 per week
	HOMESTAY Around AUD \$300 per week
	RENTAL Around AUD \$200 to AUD \$450 per week

Other living expenses

	GROCERIES AND EATING OUT AUD \$140 to AUD \$280 per week
	GAS, ELECTRICITY AUD \$10 to AUD \$20 per week
	PHONE AND INTERNET AUD \$20 to AUD \$35 per week
	PUBLIC TRANSPORT AUD \$30 to AUD \$60 per week
	CAR (AFTER PURCHASE) Around AUD \$100 per week
	ENTERTAINMENT AUD \$80 to AUD \$150 per week

JESSLYNDA'S
STORY

NUMBER 1

for student support in Victoria¹

We are here to help you.

Airport pick-up

We can pick you up from the airport when you land in Australia for the first time. This is a free service for all international students when they start their studies.

Orientation

Not sure what university will be like? Find out all the answers to your questions at Orientation Week and enjoy a range of fun and informative activities.

Career planning

We offer career support during your studies and after you graduate. With access to career coaching, online resources and hands-on workshops, you will have all the tools for career success.

Study support

You will receive a world of study support at Deakin. With passionate teachers who care about your success, one-on-one study mentors, online resources and much more, you will have every opportunity to reach your potential.

¹ 2022 Student Experience Survey, Quality Indicators for Learning and Teaching (QILT).

Wellbeing

There is nothing more important than your health and wellbeing — on and off campus. You can access doctors, mental health services, physiotherapy, disability support and much more.

Safety and security

Feel safe at all times on campus, with around-the-clock security services ready to help whenever you need it.

Clubs and events

We have more than 120 clubs and societies across our campuses and online to help you meet new people and try new things. Many of our events are designed specifically for international students.

▶ Visit deakin.edu.au/clubs-and-societies to find out more.

Spiritual support

Multifaith chaplains provide compassionate support to everyone, regardless of religious belief. Prayer rooms are available at our campuses and offer a quiet and peaceful environment for you to take time for personal reflection or practise your faith.

Unlock your potential.

We want to support you to succeed.

Deakin offers a range of scholarships, including:

▶ Deakin Vice-Chancellor's International Scholarship

Access a 100% or 50% tuition fee reduction for the normal duration of your degree.

▶ Deakin International Scholarship

Access a 25% tuition fee reduction for the normal duration of your degree.

▶ Australia Awards Scholarships

Australia Awards Scholarships¹ are available to students in selected countries for full-time study in Australia.

It covers:

- a return airfare to Australia
- academic and other compulsory fees
- basic health insurance
- establishment allowance
- a living allowance.

¹ The Australia Award Scholarship is not a Deakin-based scholarship. Find out more at dfat.gov.au/people-to-people/australia-awards

Key terms

Course icon key

-  Course duration (full-time)
-  2025 annual cost
-  Trimester intake
-  IELTS requirements
-  Campus location
-  Work experience availability

Unit

A unit is normally one trimester long and most have a value of 1 or 2 credit points.

Credit point

For each unit you successfully complete, you will receive the credit point value of that unit towards your studies. You must complete a specified number of credit points to obtain your degree.

Major sequence and specialisation

In undergraduate studies, a major sequence is a group of six or eight related units in a particular study area or academic discipline. A successfully completed major sequence or specialisation will be listed on your academic transcript.

Minor

A minor is a group of related units in an area of study or academic discipline. Minors are shorter than majors and are usually four units long.

Course code

Every Deakin degree has a corresponding course code for easy reference and identification.

Example: **M312**

Course duration

- Bachelor degrees, your first university degree, take three to four years to complete.
- Combined bachelor/masters programs and combined degrees allow you to fast-track the two qualifications.
- Bachelor degree with an honours year provides you with the foundational knowledge to undertake a research degree.
- All course durations in this course guide are for full-time study.

Example:

 **3 YEARS**

Course fees

The annual course fee indicates the tuition fee for two trimesters of full-time study, or 8 credit points, unless otherwise indicated. Additional fees may apply and course fees may be subject to change. All fees are listed in Australian dollars.

Example:

 **AUD \$35,600**

Trimester intakes

Deakin uses a trimester system to classify intakes. Two trimesters are still equal to a full academic year, but the third trimester can offer the opportunity to finish certain degrees sooner.

Deakin's trimesters run from:

- March to June (Trimester 1)
- July to October (Trimester 2)
- November to February (Trimester 3)

Example:

 **MARCH, JULY**

IELTS

IELTS is the International English Language Testing System. The numbers reflect the minimum overall score required, as well as the lowest score allowed for any band (overall score/lowest band score). Deakin also accepts the results of other English language tests.

See page 74 for details.

Example:

 **6/6 IELTS**

Campuses

Deakin's campuses are:

- Melbourne Burwood (Melbourne)
- Warrnambool (Warrnambool)
- Geelong Waterfront (Geelong WF)
- Geelong Waurnd ponds (Geelong WP)
- Online

See pages 7 - 10 for details

Example:

 **GEELONG WF**

Work experience

A tick in the course tables indicates that work experience is available to undertake as part of a degree (required or optional). Work experience may involve placements, work-based training, community-based learning or collaborative research training arrangements.

Example:

 **WORK EXPERIENCE ✓**

SHAPE THE ▶ FUTURE

Bachelor of Computer Science (Honours) S406

Develop the knowledge and practical skills needed to address multifaceted technology challenges throughout this specialised four-year degree.

You will have access to cutting-edge facilities, including dedicated robotics, cyber security and augmented and virtual reality laboratories, supported by experienced, industry-connected staff.

Career outcomes:

- Software development
- Software engineering
- Systems architecture
- Information security
- Robotics
- Application development
- Telecommunications

Bachelor of Cyber Security S334

Secure your future with the skills and experience needed to address growing global security threats. Cyber security professionals are in high demand around the world, and this degree equips you with the essential knowledge to investigate and combat cybercrime and cyber terrorism.

Career outcomes:

- Security consultant
- Cryptographer
- Information security auditor
- IT security engineer
- Project manager
- Security analyst
- Security system manager, developer or programmer

Bachelor of Cyber Security (Honours) S434

Learn the essential skills needed to protect computer systems, networks and programs in this dedicated four-year degree.

Assess cyber security systems in a working environment, and cover areas such as computer crime and digital forensics, while gaining the skills to identify, diagnose and manage risk.

Career outcomes:

- Security analyst
- Project manager
- Security systems developer
- Programmer or auditor
- Cryptographer
- Security consultant
- IT security engineer

Nursing and midwifery

Bachelor of Nursing H326

Launch into a career where you can make a real difference.

Develop the knowledge, skills and ethical understanding you need to become a successful registered nurse. This degree prepares you to provide high-quality, safe, patient-centred care in a range of settings. Gain real-world experience through clinical placements starting in your first year, and hone essential nursing skills in our state-of-the-art clinical simulation centres.

Career outcomes:

As a registered nurse you can pursue career opportunities around the world in a range of work settings, including:

- hospitals and clinics
- homes, hospices and aged care settings
- schools and universities
- community health centres, government agencies and private industries.

Bachelor of Nursing / Bachelor of Midwifery D355

Graduate career-ready with the skills and confidence to succeed as both a nurse and a midwife.

This course prepares you to provide both high-quality woman-centred midwifery care and patient-centred nursing care. Gain a valuable mix of hands-on clinical practice and theory and graduate with the knowledge and skills needed to become a successful registered nurse and midwife.

Career outcomes:

As a registered nurse and registered midwife, you can pursue career opportunities around the world in a range of work settings, including:

- hospitals and clinics
- homes, hospices and aged care settings
- schools and universities
- community health centres, government agencies and private industries.

YOUR PATHWAY TO BECOMING A REGISTERED NURSE

Deakin's undergraduate nursing degrees are specifically designed to fulfil the registration standards of the Nursing and Midwifery Board of Australia (NMBA).

The diagram below highlights the study options available to achieve NMBA registration as a registered nurse.

¹ 2023 Shanghai Rankings Ranking of Academic Subjects.

OUTSIDE OF COMPLETING FURTHER STUDY TO BECOME A REGISTERED PSYCHOLOGIST, YOUR DEGREE CAN PREPARE YOU FOR A DIVERSE RANGE OF CAREERS.

Psychology and mental health

Bachelor of Psychological Science H344

Understand human behaviour and personality, and emerge prepared for a range of careers in the fast-growing health sector. Specialise from year one with the only university in the Australian state of Victoria to offer specialist majors at an undergraduate level; Forensic Studies, Child and Family, and Organisational Studies.

The degree prepares you for further study towards provisional registration as a psychologist. You will have the option of completing 140 hours of industry placements, to help you graduate work-ready.

Career outcomes:

Outside of completing further study to become a registered psychologist, your degree can prepare you for a diverse range of careers, including:

- Child protection
- Counselling
- Family support
- Marketing
- Not-for-profit aid
- Psychology¹
- Public health.

GUARANTEED PRACTICAL CLASSROOM EXPERIENCE

Working with over 1400 schools across Australia, Deakin's Professional Experience Program means you get a dedicated placement officer to work with you one-on-one throughout your course.

Bachelor of Arts/Master of Teaching (Secondary) D303

Combine your passion for the arts with a drive to inspire the next generation. Our school-based learning programs ensure you are ready to teach today and into the future. Fast-track your studies and graduate with two versatile degrees, including a postgraduate teaching degree.

Career outcomes:

- Secondary teachers
- Educational leaders
- Policy or consultancy
- Non-governmental organisations or research

	4 YEARS ⁵
	AUD \$35,160 2025 annual cost
	MARCH
	6/6 IELTS
	MELBOURNE
	WORK EXPERIENCE INCLUDED ✓ 60 days ⁶

TEACHING METHOD AREAS

Choose two approved Arts major sequences of at least 8 credit points each selected from the following listing:

One of:

- Anthropology
- Philosophy
- Politics and Policy Studies
- Sociology

One of:

- English - Children's Literature
- English - Literature

One of:

- Arabic
- Chinese
- Indonesian
- Spanish

Plus:

- History
- Media Studies
- Performing Arts
- Visual Arts and Photography

Bachelor of Science/Master of Teaching (Secondary) D304

Translate your passion for science into a career that inspires others. Create unique course combinations with science specialisations and graduate as a qualified secondary school educator. This industry-led combined course allows you to fast-track your studies and graduate with two degrees.

Career outcomes:

- Secondary teachers
- Educational leaders
- Policy or consultancy
- Non-governmental organisations or research

	4 YEARS ⁵
	AUD \$41,000 2025 annual cost
	MARCH
	6/6 IELTS
	MELBOURNE
	WORK EXPERIENCE INCLUDED ✓ 60 days ⁵

TEACHING METHOD AREAS

With core education studies, you will complete studies in two teaching specialist areas. Choose from:

- Animal biology
- Cell biology and genomics
- Chemistry
- Environmental science
- Food science
- Human biology
- Mathematical modelling
- Plant biology

1 International students are required to study full-time to complete their course within the duration registered on CRICOS.

2 Fast-track your career with our accelerated learning option. Achieve a four-year equivalent qualification in only three years of full-time study if you undertake selected units in Trimester 3.

3 4-years full-time — Delays in completing the placement could mean that the course will take longer to complete than the stated duration. International students are required to study full-time to complete their course within the duration registered on CRICOS.

4 This course includes 80 days of supervised professional experience, and students must successfully complete the Deakin Teaching Performance Assessment (DTPA). Students who do not pass the DTPA must seek advice from the course director.

5 Trimester 3 in Year 3 is compulsory for this course.

6 Work experience is required in the masters component of this degree. This course includes 60 days of supervised professional experience, and students must successfully complete the Deakin Teaching Performance Assessment (DTPA). Students who do not pass the DTPA must seek advice from the course director.

Entry requirements

Academic admission requirements — Undergraduate

Each undergraduate degree at Deakin has its own minimum academic admission requirements, such as your high school results. The specific entry requirements for your country and your Deakin degree are listed at deakin.edu.au/int-entry. Be sure to check this information carefully and speak with Deakin or your agent if you have any questions.

PATHWAYS

If you do not meet the academic admission requirements for a Deakin degree, there may still be a pathway available for you to study at Deakin in the future. See pages 89-90 of this guide to learn more about alternative pathways to Deakin.

SUPPORTING INFORMATION

Some degrees at Deakin may require additional documentation prior to admission, such as a portfolio of work, a current police check from your country, your resume or a personal statement.

When required, a personal statement gives you the chance to show us who you are. This can include your qualifications and background, and why you want to attend Deakin.

Visas

International students who want to study in Australia require a visa. This could be a student visa. It is important that you know the type of visa you are granted so that you can meet the requirements of that visa.

You can learn more about student visas and other important visa information at the Australian Government's Department of Home Affairs website.

English language requirements

To enrol in a Deakin degree, you will need to be able to read, speak, write and listen in English at a certain level. Students must provide evidence of at least one of the following:

- Obtaining the required scores on a recognised English language test, such as IELTS or TOEFL.
- Completed university (tertiary) or high school (secondary) studies taught in English.
- Lived and worked in an English-speaking country for at least five years.

English language tests accepted by Deakin

INTERNATIONAL ENGLISH LANGUAGE TESTING SYSTEM (IELTS)

IELTS is the most popular English language test in the world and is available in nearly every country.

▶ Find out more: ielts.org

OTHER ACCEPTED ENGLISH LANGUAGE TESTS

- C1 Advanced (formerly Cambridge English Advanced CAE)
- C2 Proficiency (formerly Cambridge English: Proficiency CPE)
- English language test for healthcare professionals (OET)
- Pearson Test of English Academic (PTE Academic).

English language in this guide

This guide uses IELTS exam scores as the standard for English language requirements, but if you have taken a test other than IELTS you can find equivalent requirements in the table below.

	IELTS	TOEFL IBT	TOEFL PBT	C1 ADVANCED	C2 PROFICIENCY	PTE	OET*	DUELI EAP PROGRAM
BAND A[^]	Overall 6 No band less than 6	69 Writing 21	550 Writing 4.5	169 No band less than 169	169 No band less than 169	50 No less than 50 in each skill	Overall C	EAP 3 (60%)
BAND B[#]	Overall 6.5 No band less than 6	79 Writing 21	577 Writing 4.5	176 No band less than 169	176 No band less than 169	58 No less than 50 in each skill	Overall C+	EAP 4 (60%)
BAND C[~]	Overall 7 No band less than 6.5	94 Writing 24	600 Writing 5	185 No band less than 176	185 No band less than 176	65 No less than 58 in each skill	Overall B (equivalent to a IELTS 7~7.5 range)	EAP 4 (70%)
BAND D^{**}	Overall 7 No band less than 7	94 Writing 27	600 Writing 5	185 No band less than 185	185 No band less than 185	65 No less than 65 in each skill	Overall B (equivalent to a IELTS 7~7.5 range)	EAP 4 (75%)

* For health-related award courses only.

[^] This standard is relevant for all Deakin undergraduate degrees unless otherwise specified.

[#] This standard is relevant for Deakin undergraduate health degrees (unless otherwise specified), Bachelor of Marketing (Psychology) and Bachelor of Human Resource Management (Psychology).

[~] This standard is relevant for Deakin undergraduate education degrees (except Bachelor of Arts/Master of Teaching and Bachelor of Science/Master of Teaching) and Deakin undergraduate law degrees.

^{**} This standard is relevant for Bachelor of Nursing (and related combined degrees), Bachelor of Medical Imaging, Bachelor of Occupational Therapy, Bachelor of Social Work and Bachelor of Vision Science/Master of Optometry.

NOTE: The information presented is current at the time of printing.

For the most up-to-date information about English language requirements, visit deakin.edu.au/english-reqs.

IELTS: International English Language Testing System (Academic Module)

TOEFL: Test of English as a Foreign Language (PBT: Paper Based Test) (iBT: Internet Based Test)

C1 Advanced: Formerly known as Cambridge English Proficiency (CAE)

C2 Proficiency: Formerly known as Cambridge English Advanced (CPE)

PTE: Pearson's Test of English (Academic)

OET: English language test for healthcare professionals

DUELI EAP: Deakin University English Language Institute English for Academic Purposes program

DEAKIN UNIVERSITY UNDERGRADUATE ACADEMIC ADMISSION REQUIREMENTS

▶▶ Deakin degrees have entry requirements that you will need to meet in order to gain entry into the University.

▶ China entry requirements – Gaokao

Gaokao students who meet the higher Tier One university cut off score for their province will meet the academic requirements for entry into most Deakin undergraduate degrees.

▶ Canada entry requirements

Applicants must achieve a minimum of five Grade 12 credits. All applications are assessed individually based on specific provincial and territorial level and credit requirements.

▶ New Zealand NCEA requirements

Applicants must have a New Zealand University Entrance certification and a minimum of 80 credits, including at least 60 credits at Level 3 or higher on the NZ qualifications framework, and an achievement of the University Entrance (UE). For more information visit: nzqa.govt.nz/qualifications-standards/awards/university-entrance.

Using the academic admission requirements table

The following table details the academic admission requirements for entry into Deakin undergraduate degrees. Review the table for the qualification most relevant to your secondary school studies. Some qualifications will require you to make a quick calculation to convert your results into scores that Deakin will use to assess your application. Use the footnotes below the table to learn how to calculate your total score.

If your country is not mentioned

If your academic results or country of origin are not mentioned on these pages it does not mean that you are unable to apply to Deakin. Our Admissions Team can assess your academic scores and other achievements upon submission of your application.

If you do not meet the requirements

If you are not sure whether you meet the academic admission requirements for a Deakin degree, there may still be a pathway available for you to study at Deakin in the future. Visit deakin.edu.au/study/entry-pathways/deakin-college to learn about the alternative pathway options to Deakin.

1 The ATAR score presented here is the 2024 score and should only be used as a reference for 2025. Please note, clearly-in ATAR scores can change from year to year. Missing ATAR scores indicate new courses commencing in 2025.

2 Students must complete at least five subjects (four core and one elective).

3 To calculate eligibility, total up results of best three A-level subjects, where A=5, B=4, C=3, D=2, E=1. You must complete a minimum of three A Levels.

4 To calculate eligibility, total up results of best three A-level subjects, where A=5, B=4, C=3, S=2. You must complete a minimum of three A Levels.

5 The score presented here is the minimum total score from best of five subjects. Total of the best five subjects (Category A and C only - Category B not to be used in calculation) as awarded on the official final academic transcript issued by Hong Kong Examinations and Assessment Authority (HKEAA).

6 High school mathematics is an entry requirement of this course.

7 The requirement of the Australian Government is that all teaching graduates must pass the Literacy and Numeracy Test for Initial Teacher Education Students (LANTITE) in order to teach. Students must pass the test to graduate from the course. Visit desse.gov.au/teaching-and-school-leadership/literacy-and-numeracy-test-initial-teacher-education-students for more information.

8 Students enrolling in this course will need to pass CASPer, an online test used to assess the personal attributes of applicants to initial teacher education courses. For more information visit deakin.edu.au/ug-casper.

9 Students who apply for this degree will be ranked on academic merit and qualifications, this means those who meet entry requirements will not be guaranteed a place.

PATHWAY TO DEAKIN

Find your path

Don't worry if you do not meet some of the academic or English language requirements for entry into a Deakin degree straight away.

We can still help you find a pathway to study with us.

Meeting the English language requirements at Deakin

The Deakin University English Language Institute (DUELI) is recognised as one of the best English language centres in Australia. DUELI pathways offer the opportunity to develop your English while improving your study skills and becoming familiar with studying at an Australian university.

Successful completion of DUELI's English for Academic Purposes (EAP) pathway programs can provide you with English entry into Deakin University and Deakin College.

You can progress through the programs you need for your next level of study, whether it be a diploma at Deakin College or a postgraduate degree.

DUELI programs include:

- English for Academic Purposes (EAP)
- General English
- English for Commerce
- English for Nursing
- English for Teaching
- IELTS Preparation
- Introductory Academic Program (IAP).

DUELI programs start every five weeks and are offered online and at Deakin's Melbourne Burwood Campus.

How to apply

You can apply to Deakin at any time throughout the year.

Our team is always ready to answer any questions and process your application quickly.

Application processes and requirements may differ slightly depending on your chosen degree, as well as your country of residence and entry pathway. Be prepared and give yourself time to gather the required paperwork.

APPLY IN FIVE STEPS

Find your degree

Choose the Deakin degree you would like to study. You can speak directly with us or with a Deakin authorised agent at any stage of the application process. Both are very knowledgeable and always happy to help.

Understand the academic entry requirements

Read all the academic entry requirements for your degree before you submit your application. Entry requirements may differ for some study areas or be dependent on your country of residence. Minimum requirements for our undergraduate degrees can be found on page 73 of this guide. Any special requirements will be listed on the specific course page of the Deakin website.

If you do not meet the academic entry requirements

There are a range of pathway options that may allow you to study at Deakin. Learn more about the pathway options on pages 89–90 of this guide.

4.

Gather supporting documents

When you submit your application to Deakin, make sure you attach all required supporting documentation. Otherwise, your application could be delayed or, even worse, rejected. Give yourself plenty of time to get organised. All documents must be translated into English. Most documents, such as transcripts and identification, need to be certified before they are submitted to Deakin.

▶ Find a Deakin authorised agent: deakin.edu.au/int-agents

5.

Submit your application

You can submit your application to study at Deakin by:

- Speaking with a friendly Deakin authorised agent, who understands what is required for a good application, as well as navigating the complexities that can come with visa applications, or;
- Applying directly to Deakin through Deakin's StudyLink Connect platform¹

¹ Please note that some students, depending on their country of citizenship, are required to submit an application through a Deakin authorised agent. Visit our website to view the list of countries this applies to.
