CLIENT REVIEW

Thank you, David and Bart, so very much for all of your team's help during the last 10 years. We reached out to you four to six months after my dad's passing when not a single attorney in this town gave us any hope of any kind! Both of you helped us overcome a tremendous legal complex battle against all odds. I sincerely can't thank you both enough for all you and your team have done for all of us. The one week long jury trial — when on a Friday night at 8:30 — we won all counts. It was a remarkable event for all!" — *Shea H.*
