

# HONORS MECHANICAL ENGINEERING CURRICULUM GUIDE (130 CREDITS)

**We abide by the Principles of Community**  
 Inclusion · Integrity · Respect · Service · Social Justice

Engineering-related summer job or internship recommended

FE Exam recommended  
 GRE if interested in graduate school

Consider the Accelerated Master's Program (AMP) if staying at CSU for Master of Science (M.S.) or Master of Engr. (M.E.)

**NOTE:** To graduate, students must earn a minimum of a 2.0 cumulative GPA as well as a 2.0 minimum within the following areas: all AUCC courses, and all required math, science, and engineering courses. It is highly recommended that students review their Degree Progress Audit at least once each semester in order to track their progress toward graduation. Students are encouraged to consider summer courses to build a more balanced schedule. Speak with your advisor to determine if that is an option you would like to explore.
