REPORT OF THE EXTERNAL AUDITORS ON THE FINANCIAL STATEMENTS RELATIVE TO THE USE OF THE CREDITS OF ITEM 400 OF THE BUDGET OF THE EUROPEAN PARLIAMENT FOR THE TWELVE MONTHS PERIOD ENDING 31 DECEMBER 2010

In accordance with our audit mandate, we have audited the accompanying financial statements of the European Conservatives and Reformists Group prepared by the Group's Accountant, which comprise the balance sheet at 31 December 2010, the statement of income and expenditures for the year then ended, and a summary of significant accounting policies and other explanatory notes. These financial statements are laid out on pages 6 to 13.

Responsibilities of the Group

Pursuant to the Rules on the use of appropriation from budget item 400 of the European Parliament (hereafter "the Rules"), the Group is responsible to the Parliament for the conformity of appropriation usage and for the preparation and fair presentation of the Group's financial statements in accordance with the principles set out in these rules. This reponsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making estimates that are reasonable in the circumstances. It also includes ensuring the respect of the Rules of budget item 400.

Auditor's responsibilities

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing as issued by the International Auditing and Assurance Standards Board (IAASB). The audit includes all tests of transactions, existence, ownership and valuation of assets and liabilities that are considered necessary. The nature and extent of the audit procedures depend on the auditor's judgment, including the assessment of the group's accounting system and, where we wish to place reliance on it, the internal control system. An audit also includes evaluating the appropriateness of accounting policies used as well as evaluating the overall presentation of the financial statements.

Our audit involved such tests of the accounting records and other auditing procedures as were considered necessary to form an independent view and, in accordance with the specific requirements of our audit mandate, to report with reasonable assurance that:

- Expenditures have been charged to the correct item in the budget of the Group;
- Appropriations are available;
- Expenditures are conformed to the Rules governing appropriation item 400;
- Principles of sound financial management have been applied;
- Payments orders are supported by original documentations or certified true copies;
- Accounts have been laid out in accordance with the harmonised chart of accounts included in the Rules;
- Accounts have been prepared in accordance with generally accepted accounting principles as laid out in articles 124 and 125 of Council Regulation 1605/2002 of 25 June 2002, or that departures are adequately explained in the notes to the accounts.

We believe that the audit evidence we have obtained is sufficient and appropriate to enable us to reach reasonable conclusions.

Opinions

- As a result of our work, we did not identify any material non conformity with the dispositions laid out in the Rules governing appropriation item 400 or with the Group's internal rules.
- The accounts are presented in accordance with the harmonized Chart of Accounts foreseen in the Rules.
- We do not have to report departures from accounting principles laid out in articles 124 and 125 of Council Regulation 1605/2002 of 25 June 2002, unless adequately disclosed in the notes to the financial statements.
- The principle of sound financial management has been applied.

- In our opinion, the financial statements give a true and fair view of the state of affair of the European Conservatives and Reformists Group at 31 December 2010 and its income and expenditures for the twelve months ending 31 December 2010, in accordance with the accounting principles and policies laid out in note 1 to the financial statements.
- We have received all necessary explanations for the purpose of our work.

NOTES TO THE FINANCIAL STATEMENTS

FINANCIAL YEAR ENDED 31 DECEMBER 2010

NOTE 1: BASIS OF THE ACCOUNTS AND ACCOUNTING PRINCIPLES

Basis of preparation

The financial statements of the European Conservatives and Reformists Group have been prepared to comply with:

- The 400 financial rules approved by the Bureau of the European Parliament on 30 June 2003 and amended by the Bureau on 22 March 2006, on 11 July 2007 and on September 2010 (PE 335.475/BUR);
- The internal financial rules of the European Conservatives and Reformists Group;
- The accounting principles and the harmonised accounting plan included in the 400 financial rules.

In accordance with the 400 financial rules:

- The movements on the accounts and the balances must be entered in the accounting ledgers;
- All accounting entries, including adjustments to the accounts, must be based on dated and numbered supporting documents, to which they must refer;
- The accounting records must be organised so as to leave a trail for all accounting entries.

Significant accounting and valuation principles

- 1. The financial statements have been prepared in accordance with the 400 financial rules and with the following generally accepted accounting principles:
- Going concern;
- Prudence:
- Consistent accounting methods;
- Comparability of information;
- Materiality;
- No netting;
- Reality over appearance;
- Accrual accounting principle, subject to other provisions of the Rules as detailed in item 2 herebelow.
- 2. According to article 2.5.3 of the Rules on the use of appropriations from budget item 400, the financial statements are prepared on a modified accrual basis, based on the following rules:
- All expenditure relative to activities of the current or previous financial years is recorded in the accounts of the current period, upon authorisation by the authorising officer responsible and payment by the accountant, if the actual payment is made no later than during the month following the end of the financial year.
- All expenditure of a financial year, paid during the month following the end of the financial year, is recorded in the expenditure accounts of the current financial year with as counterpart a liability (chapter 3.2) in the balance sheet.

NOTES TO THE FINANCIAL STATEMENTS

FINANCIAL YEAR ENDED 31 DECEMBER 2010

- All expenditure, for which actual payment is made later than the end of the month following the closing of the financial period, is recorded in the accounts of the next financial period. No provisions may be made for expenditure of the current financial year not paid by the end of the month following the end of that financial year, or for risks and future charges.
- All revenue is recorded in the income accounts upon establishment by the authorising officer. All revenue established and not received in the course of the financial year is registered on a balance sheet account.

3. Classification

- The classification of expenditure follows the principle of classification by destination as foreseen by article 2.5.2 of the Rules on the use of appropriations from budget item 400.

Specific accounting policies

Exchange policy

The accounts are kept in Euro. Revenue and expenditure in other currencies are converted in Euro at the exchange rate applicable on the bank transfer. The balance sheet accounts in other currencies are not remeasured at the end of the accounting period.

Depreciation of tangible fixed assets

Assets with a unit value of 420 Euro or more with a life of more than one year are entered in the inventory and in the balance sheet. At the end of each financial year, the value of the inventory, with appropriate depreciation, subdivided by the type of asset, are recorded in the Groups' financial statement following the straight line method, using the following annual percentages:

Software	25,0%
Hardware	25,0%
Telecommunications and audiovisual equipment	25,0%
Technical equipment and supplies	12,5%
Other installations and machines	12,5%
Office furniture	10,0%

A summary of movements on tangible fixed assets during the accounting period is presented in Note 8

Valuation methods applied for securities and cash

Financial assets are valued at nominal value or fair market value, whichever is lower. Interest income is recognised in the accounts upond receipt.

Valuation methods applied for receivables, other assets and debts

Receivables, other assets and debts are stated at nominal value. Value reductions on receivables and other assets are recorded if there is uncertainty concerning their collectibility.

Comparison to the figures

According to article 2.1.1 of the financial rules governing budget item 400, this report covers the financial year 2010. Please note that the comparative figures cover the 6 months budgetary period of 2009/2, which lasts from 01/07/2009 to 31/12/2009.

NOTES TO THE FINANCIAL STATEMENTS

FINANCIAL YEAR ENDED 31 DECEMBER 2010

NOTE 2: CARRY FORWARD TO THE NEXT BUDGETING PERIOD

In accordance with article 2.1.6 of the Rules on the use of appropriations from budget item 400, appropriations that are not used during the financial year may be carried over to the following financial year up to a maximum of 50% of the annual appropriations received from the European Parliament's budget.
