INTRODUCTION

The U.S. Center for SafeSport (the Center) is committed to building a sport community where participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct.

Authority: prevention training and policies

Federal law authorizes the Center to address the risk of emotional, physical, and sexual abuse of amateur athletes in the U.S. Olympic and Paralympic Movements. See Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017.

Prevention Training

Federal law authorizes the Center to develop training to prevent abuse, including emotional, physical, and sexual abuse, of any amateur athlete. At a minimum, national governing bodies and paralympic sports organizations must offer and give consistent training related to the prevention of child abuse to: (1) adult members who are in regular contact with amateur athletes who are minors and (2) subject to parental consent, to members who are minors.

Prevention Policies

Federal law also authorizes the Center to develop policies and procedures for implementation by national governing bodies or paralympic sports organizations to prevent abuse, including emotional, physical, and sexual abuse, of any amateur athlete. As a part of these policies and procedures, national governing bodies and paralympic sports organizations must implement reasonable procedures to limit one-on-one interactions between an amateur athlete who is a minor and an adult (who is not the minor's legal guardian) at a facility under the jurisdiction of a national governing body or paralympic sports organization without being in an observable and interruptible distance from another adult, except under emergency circumstances.

Application and implementation

The U.S. Olympic Committee and national governing bodies are required to follow these Minor Athlete Abuse Prevention Policies ("Policies").

As a national governing body, U.S. Ski & Snowboard joins with the U.S. Center for SafeSport in its commitment to building a sport community where participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct.

The policies set forth below are adopted by U.S. Ski & Snowboard and approved by the U.S. Center for SafeSport. Where the policy is indicated as "Mandatory," the policy must be followed. Where the policy is indicated as "Optional", the policy is recommended by the U.S. Center for SafeSport and is considered

optional for U.S. Ski & Snowboard and Member Clubs and may be followed or required when it is appropriate for the situation.

U.S. Ski & Snowboard requires these policies be adopted and followed by related National Member Organizations and Local Affiliated Organizations, including its Member Clubs (Ford Sayre).

U.S. Ski & Snowboard requires employees, contractors, athletes and members to follow the policies set forth below.

TERMINOLOGY

Covered Organization: The U.S. Olympic Committee and a national governing body, including U.S. Ski & Snowboard.

Jurisdiction: Authority or control.

Local Affiliated Organization (LAO): A regional, state, or local club or organization that is directly affiliated with a NGB or that is affiliated with a NGB by its direct affiliation with a regional or state affiliate of a NGB. U.S. Ski & Snowboard deems its member clubs (“Member Clubs”) to be LAOs.

Minor, child or minor athlete: An amateur athlete under 18 years of age.

National Governing Body (NGB): An amateur sports organization affiliated with a sport included on the program of the Olympic, Paralympic, or Pan-American Games, which is also recognized by the United States Olympic Committee (USOC) pursuant to the Ted Stevens Olympic and Amateur Sports Act, 36 U.S.C. §§ 220501-220529. This definition shall also apply to the USOC, or other sports entity approved by the USOC, when they have assumed responsibility for the management and/or governance of a sport included on the program of the Olympic, Paralympic, or Pan-American Games. U.S. Ski & Snowboard is a National Governing Body.

National Member Organization: A national organization that is directly affiliated with a NGB, over which the NGB has jurisdiction (without respect to whether the NGB has disciplinary authority over individual members of that national organization), and is: (a) an Amateur Sports Organization requesting sanction from a NGB; or (b) an Applicable Amateur Sports Organization under the Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017.

Member Clubs: For the purposes of these Policies, whenever the term Member Club is used, it includes LAOs and NMOs.

PART I

EDUCATION & TRAINING POLICY

Education about child abuse, athlete abuse and bullying, helps everyone become more aware of unsafe situations and encourages discussions about methods to provide a safe and nourishing environment for all athletes. U.S. Ski & Snowboard encourages all members and all parents to participate in the SafeSport training.

A. Adults Required to Complete Mandatory Training by U.S. Ski & Snowboard

(Background screening and checks are not covered by this policy; please see the separate policy, required by the USOC, regarding individuals who must be background screened.)

U.S. Ski & Snowboard requires the following individuals complete training provided by the U.S. Center for SafeSport (“Center”):

Individuals associated with Member Clubs

- Adult athlete members of Member Clubs, except Short Term Athlete Members due to their limited participation and those Master Athletes who do not i) have regular contact with minor athletes or ii) have authority over minor athletes
- Adult members (who are not athletes) of Member Clubs who i) have regular contact with athletes or ii) have authority over athletes
- Employees and Board Members of Member Clubs
- Individuals providing services to Member Clubs, including but not limited to contractors, volunteers, interns, who i) have regular contact with athletes or ii) have authority over athletes

Individuals associated with U.S. Ski & Snowboard

- Adult athlete members of U.S. Ski & Snowboard, except for Short Term Athlete Members due to their limited participation and those Master Athletes who do not i) have regular contact with minor athletes or ii) have authority over minor athletes
- Adult members (who are not athlete members) of U.S. Ski & Snowboard who i) have regular contact with athletes or ii) have authority over athletes
- Employees and Board Members of U.S. Ski & Snowboard
- Individuals providing services to U.S. Ski & Snowboard, including but not limited to, contractors, volunteers, interns, who i) are regularly at the Center of Excellence or ii) have regular contact with athletes or iii) have authority over athletes

U.S. Ski & Snowboard requires athletes who will become 18 years of age during the upcoming membership year, complete the U.S. Center for SafeSport training on or before their 18th birthday, provided that such athletes under 18 have the consent of their parents or legal guardians.

To satisfy the training obligations, U.S. Ski & Snowboard and Member Clubs (Ford Sayre) shall adhere to this Education & Training Policy. The Center's "Core Center for SafeSport Training" provides the required child abuse prevention training mandated by federal law.

1. Core Center for SafeSport Training

The individuals listed above in Part I, A are required to complete training concerning child abuse prevention. Training other than the Core Center for SafeSport Training does not satisfy this policy. U.S. Ski & Snowboard, Member Clubs, LAOs and NMOs may provide training in addition to the Core Center for SafeSport Training. However, if an organization provides additional training, it shall not refer to such training as "SafeSport" training.

2. Refresher Course(s)

A refresher course is required on an annual basis, and must be completed on or before July 1, immediately subsequent to the one-year anniversary of the completion of the Core Center for SafeSport Training or the most recent refresher course, for each of the above listed individuals in Part I, A at U.S. Ski & Snowboard or a Member Club.

B. Minor Athletes

U.S. Ski & Snowboard shall, subject to parental consent, annually offer and give training to members who are minors regarding prevention and reporting of child abuse. U.S. Ski & Snowboard shall track:

- A description of the training(s);
- The date the training(s) was offered and given; and
- A description of how the training(s) was offered and given.

U.S. Ski & Snowboard fulfills the requirement to offer and give training by instructing members how to access training specifically for minors that is offered by the U.S. Center for SafeSport. Member Clubs shall provide the instructions to its minor members and their parents or legal guardians and assist U.S. Ski & Snowboard in instructing members on how to access training specifically for minors offered by the U.S. Center for SafeSport.

C. Exemptions

Exemptions from this Education & Training Policy may be made on a case-by-case basis for victims/survivors. Requests may be made directly to the U.S. Center for SafeSport, ngbsservices@safesport.org, or to U.S. Ski & Snowboard.

The Center will work with U.S. Ski & Snowboard regarding appropriate accommodations for persons with disabilities to satisfy the training requirements herein.

D. Minor athletes who become adult athletes

With the exception of athletes who are members of the same team, Minor Athletes who reach the age of majority (i.e. 18 years of age) must adhere to the provisions found in the Minor Athlete Abuse Prevention Policies when interacting with minor athletes who are 14 years of age or younger. For the purposes of these Policies the “same team” is intended to include athletes who regularly train and compete together in the same sport.

Minor Athletes who reach the age of majority and then obtain a position of authority that presents a power imbalance, such as becoming a coach or official, must also comply with these Policies regardless of the age of the minor athletes with whom they will interact.

PART II

POLICIES FOR ONE-ON-ONE INTERACTIONS

The majority of child sexual abuse is perpetrated in isolated, one-on-one situations. By reducing such interactions between children and adults, programs reduce the risk of child sexual abuse. However, one-on-one time with trusted adults is also healthy and valuable for a child. Policies concerning one-on-one interactions protect children while allowing for these beneficial relationships. The policies below apply to U.S. Ski & Snowboard and to Member Clubs. When the word “organization or organizations” is used, it includes both U.S. Ski & Snowboard and Member Clubs.

ONE-ON-ONE INTERACTIONS

Chair lift rides and gondola rides with an Applicable Adult and a minor athlete are allowed under this policy.
- b. If a one-on-one meeting takes place in an office at a facility partially or fully under an organization's jurisdiction, the door to the office must remain unlocked and open. If available, it will occur in an office that has windows, with the windows, blinds, and/or curtains remaining open during the meeting.

4. Meetings with mental health care professionals and health care providers

If a mental health care professional and/or health care provider meets with minor athletes at a facility partially or fully under the organization's jurisdiction, a closed-door meeting may be permitted to protect patient privacy provided that: (1) the door remains unlocked; (2) another adult is present at the facility; (3) the other adult is advised that a closed-door meeting is occurring; and (4) written legal guardian consent is obtained in advance by the mental health care professional and/or health care provider, with a copy provided to U.S. Ski & Snowboard or the applicable Member Club. The consent may be given via email or text, when necessary. Consent may be provided at the beginning of each season provided that the professionals and health care providers are specifically named in the consent. Consent is not required in the event of an emergency and the parents or legal guardian cannot be contacted timely and the athlete is deemed to need immediate medical/mental health attention.

5. Individual training sessions

Individual training sessions between Applicable Adults and minor athletes are permitted at a facility partially or fully under the organization's jurisdiction if the training session is observable and interruptible by another adult. It is the responsibility of the Applicable Adult to obtain the written permission of the minor's legal guardian in advance of the individual training session if the individual

training session is not observable and interruptible by another adult. Such permissions for individual training sessions that are not observable and interruptible by another adult, must be obtained at the beginning of each season.
