- (c) We reserve the right to change or cancel the Program without notice to you.

By participating in the Program , you represent that you are eligible based on the above and that the Trade-In Device is free of any liens, claims by any third party and that any representations you make about the Trade-In Device, including its age, specifications and other details are true and accurate. 3. Determining the value of your Trade-In Device

- (a) In order to participate in the Program, you must visit a Freedom Mobile corporate store or participating Freedom Mobile dealer location and present a Trade-In Device that is in good working condition – which means that the Trade-In Device powers on and that the screen is fully functional. You must also bring the battery and battery door cover. You will not receive extra value for trading in other in-box accessories (Example: charger, earbuds, external case, etc.).
- (b) Your device Trade-In value is determined by us in our sole discretion and is based on phone make, model, and physical condition. Advertised Trade-In values are approximate. Trade-In values are non-negotiable. If you do not agree with the Trade-In value offered to you at the time, then do not participate in the Program. Device Trade-In values are subject to change without notice to you. If we determine, in our sole discretion, that your Trade-In Device has no Trade-In value we will gladly take it and recycle it for you. As part of our ongoing green initiatives, any mobile phone may be dropped off at any Freedom Mobile store for responsible recycling.

unrecoverable.

- (b) All Trade-Ins are final and you will not have the right to request a return of your Trade-In Device, or any accessories, once you have applied your Trade-In Credit in the store.
- (c) By participating in the Program you transfer all your rights in the Trade-In Device to us and, other than the credits you receive in exchange, you waive any claim you may have against Freedom Mobile and Freedom Mobile's service providers with respect to the Trade-In Device or participation in the Program.
