# SUMMER CLASS SCHEDULE

Classes start June 8, 2020

# Fullerton College

---

Welcome to the 2020 Summer session. I'm grateful for your commitment and dedication to your educational goals. During the spring semester due to COVID-19, we were required to move all functions of the college to remote formats, and it is our aim with the summer to return to normal as much as possible. We are carefully following the guidance we receive from public health officials as we plan for future semesters and providing learning and support. Please use this document as a resource to learn about our educational offerings and support services, but please also check our website frequently to learn of any changes.

Whether you're a recent high school graduate, a returning college student or an adult looking to advance your career or pursue a new career, you have come to the right place. Fullerton College offers a variety of ways for you to explore a path that is right for you. Our summer session offers a condensed-semester format that allows students to explore new courses, get a head start on an educational plan before the fall, or accelerate completion of a degree or certificate. We also offer many enrichment courses that high school students can enroll in to explore academic and career options while earning college credit.

Additionally, Fullerton College offers many resources to help you succeed including a free student bus pass offered through a partnership with Orange County Transportation Authority and available for use whenever and wherever OCTA operates. First-time college students can also take advantage of two years of tuition-free education through the North Orange Promise. And best of all, we have hundreds of faculty and staff who are here to support you. It's a great time to be a Hornet!

I look forward to seeing you on campus in the future. Good luck this term and Go Hornets!.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Schulz". The signature is fluid and cursive.

#### **Mission**

Fullerton College advances student learning and achievement by developing flexible pathways for students from our diverse communities who seek educational and career growth, certificates, associate degrees, and transfer. We foster a supportive and inclusive environment for students to be successful learners, responsible leaders, and engaged community members.

Due to the COVID-19 health emergency and continued social distancing restrictions, all summer courses, with a few noted exceptions, will be taught as remote instruction which will require a computer and internet access. In some cases, students will also be required to download the college's secure testing software, if required by their instructor. The college will do their best to assist students if acquiring the appropriate technology is a barrier to their participation.

A processing fee of \$10.00 per term will be deducted from **enrollment fee** refunds. Exemptions from the processing fee are students with a fee waiver, canceled classes, or administrative drops.

*\*A community college district shall not refund any enrollment fee or differential enrollment fee paid by a student for program changes made after the first two weeks of instruction for a primary term-length course, or after the 10 percent point of the length of the course for a short-term course, unless the program change is a result of action by the district to cancel or reschedule a class or to drop a student pursuant to Section 58106 (g) where the student fails to meet a prerequisite.*

## PAY YOUR FEES

- **Fees are due IMMEDIATELY.** Fullerton College **does not bill for unpaid registrations.**
- Pay by credit card on **myGateway**.
- Check/money order payments may be submitted in the drop box, or in person at the Admissions & Records Office. Cash payments must be made in person at the Bursar's Office.
- Students who are enrolled in classes and have not paid fees will have a hold placed on their records.
- Non-attendance or non-payment for a class does not release students from their responsibility and may result in a failing grade being awarded if the class is not dropped by the student within the appropriate deadline.
- Unpaid fees may be collected at a later date through the Chancellor's Office Tax Offset Program (tax lien).

**ALL FEES ARE SUBJECT TO CHANGE**

# Registration Policies/Procedures

## ADMISSION ELIGIBILITY

Applications for admission are accepted for:

- High school graduates or students at least eighteen years of age.
  - Title IV Financial Aid requirements differ. For Title IV financial aid, a high school diploma or GED is required. For more information: [http://financialaid.fullcoll.edu/pdf/Consumer\\_Brochure\\_2019-2020\\_rev\\_2019-06-06.pdf](http://financialaid.fullcoll.edu/pdf/Consumer_Brochure_2019-2020_rev_2019-06-06.pdf)
- Students in K–12 who qualify for the Special Admit Student Program.
- International Students who are eligible under a student visa (F-1). *For information on the application procedure for International Students, contact the International Student Center at 1-714-992-7078 or visit <http://isc.fullcoll.edu>.*

## ADD CODES

The 6-digit Add Authorization Code is required for each class once the class begins and is only valid for the current term and class. The Add Authorization Code must be used by the add deadline of the course to guarantee official enrollment. If a student has been unsuccessful using the Add Code due to too many attempts, or the code has expired, a new Add Code must be obtained from the instructor.

## ATTENDANCE

Attendance at the first class meeting is required. Failure to attend **may** result in the instructor dropping the student from the class.

## CAMPUS HOLDS

Fullerton College will withhold grades, diplomas, transcripts, registration privileges, or any combination thereof, from any student or former student who has failed to clear a campus obligation (unpaid balance of enrollment fees, returned check, unpaid loan, equipment not returned, equipment breakages, unpaid fines or materials owed to the library, etc.).

## CLASS CANCELLATIONS

Fullerton College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation and to change the class hours and/or days as necessity demands.

## COREQUISITES (Concurrent Enrollment)

A course that a student must enroll in at the same time as the desired course — in some instances the corequisite course may be taken prior to the desired course. If the corequisite is taken prior to the desired course, a grade of C or better must have been earned.

## COURSE REPETITION

If you are repeating a course due to a substandard grade or W (for a non-repeatable course):

- Students may repeat the same course no more than two times in colleges within the District (Fullerton and Cypress Colleges) in which substandard grades (D, F, NC, NP) or W were assigned.
- Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.
- When repeating a course with a substandard grade and submitting an Appeals Petition, the last grade earned will count toward the grade point average and the previous grade(s) will be discounted or forgiven.
- Only the first two substandard grades may be excluded in GPA calculations. The student's permanent academic record will be annotated such that all course work that has been taken and forgiven or repeated will remain legible, ensuring a true and complete academic history.

If you are repeating a course that allows repeats, whether you received a grade or W:

- A course may only be repeated the number of times indicated in the catalog.
- Once a student has completed the maximum number of allowable repetitions a student may be blocked from registering in this course.
- Fine Arts, Physical Education, and other active participatory courses that are related in content must be grouped. Each individual course within a group is not repeatable and students are only allowed an allocated number of maximum attempts of courses within each group. (For example: if there is a maximum of four attempts within a group of six courses a student will only be allowed to complete four of the six courses). If a student receives a W in one of the courses within a group they will be allowed a second attempt without a petition of that course but the attempt that resulted in the issuance of a W counts as one of the attempts within the group of courses.
- Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.

## DUPLICATE COURSE

Students may not register for two classes with the same course number and title.

## MAXIMUM UNITS/HOURS

A maximum unit load for any student is 19 units per term. Students may register over 19 units only with a counselor's approval.

## MILITARY WITHDRAWAL

A student called to military service during a semester in progress should contact the Admissions and Records Office to have a "MW" (military withdrawal) noted on the student's academic transcript. A copy of military orders is required.

## Registration Policies/Procedures (continued)

### OPEN ENROLLMENT

It is the policy of the North Orange County Community College District that every course, course section or class, wherever offered and conducted throughout the district, shall be fully open to enrollment and participation by any person who is eligible for admission to the college(s) and who meets such prerequisites as may be established pursuant to Chapter 11, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

### PASS/NO PASS

If a course is listed in the College Catalog as “Letter Grade or Pass/No Pass Option,” a student choosing to take the course with a P/NP grade must file a “Pass/No Pass Grade Request” form in the Admissions and Records Office **no later than the add deadline of the course**. Once the request is submitted, the grading option is not reversible.

### PAY YOUR FEES

Students who are enrolled in classes and have not paid fees will have a hold placed on their records. Unpaid fees may be collected at a later date through the Chancellor’s Office Tax Offset Program (paid from your tax refund).

### PETITIONING CLOSED CLASSES

Students may petition closed classes by attending the first meeting. If space permits, the instructor will issue an Add Authorization Code, allowing students to add the closed class online through **myGateway**. Students are not officially registered until the class has been added online.

### PREREQUISITES

A course that a student must pass (with a grade of C or better) before enrolling in the more advanced course. In some instances, an assessment exam with qualifying scores, or prior knowledge and/or experience that a student possesses may also be accepted as a prerequisite for a course.

### PRIVACY RELEASE

Pursuant to the Federal Family Educational Rights and Privacy Act of 1974, the College may release or publish, without the student’s prior consent, items in the category of public information, which include the student’s name, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student.

Any student who wishes to have this information restricted must submit a written request to the Admissions and Records Office. Directory information will then only be provided to individuals who have a current written and signed release from the student.

### SCHEDULE/BILL RECEIPT

The Schedule/Bill receipt is proof of enrollment in classes and fees paid for the term. Schedule/Bill receipts are available in **myGateway**. Students should check the Schedule/Bill receipts carefully to verify registration and fee payment. Instructors, labs and any office on campus may request to see a student’s Schedule/Bill receipt prior to providing services.

### TIME CONFLICT

Students are not permitted to register for two classes that are scheduled during the same or overlapping time periods, *even if the instructor will allow it*. This includes online and/or hybrid courses with mandatory on-campus meetings that conflict with other on-campus courses.

### VARIABLE UNIT COURSES

Units may be increased/decreased **no later than the withdrawal deadline of the course**. Students must increase/decrease units at the Admissions and Records Office. Additional fees will be charged for increased units and refund deadlines are enforced when decreasing units.

### WITHDRAWAL POLICY

While an instructor may drop a student for excessive absences, **it is the student’s responsibility to officially withdraw from a class**. Instructor approval is not required. Students must drop/withdraw classes by the appropriate deadline date through **myGateway**.

For all summer classes, refer to the comment line under the specific section (CRN) of the class for **deadline dates**. Every effort has been made to ensure the accuracy of these dates. These dates are subject to change without notice in order to comply with state accounting regulations.

**Failure to officially withdraw from a class may result in a grade of F or NP.**

# Residency for Tuition Purposes

(per Education Code, Section 68060)

The Office of Admissions and Records determines the residency status of all new and returning students. Responses to the Application for Admission and, if necessary, other evidence furnished by the student are used in making this determination. The burden of proof to clearly demonstrate both physical presence and the intent to establish California residence lies with the student. A student who does not submit adequate information to establish the right to classification as a California resident will be classified as a nonresident. Some visa types are precluded by federal law from establishing residency.

The residence determination date is the day immediately preceding the opening day of instruction of the semester or term as set by the Board of Trustees. Generally, residency requires actual physical presence in California at least one year prior to the residence determination date, coupled with proof of the intent to make California one's home. Generally, California residency is established by one of the following:

1. If the applicant is under the age of 18, his or her parents must have had legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.
2. If the applicant is 18 but not yet 19 years of age, the applicant and the applicant's parents or legal guardian must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.
3. If the applicant is 19 years of age or older, the applicant must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.

Non-citizen students holding visas which do not preclude them from establishing residency in California (for example: permanent resident visa or amnesty approval), must have legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester.

## Factors Considered to Determine Residency

A person's presence in California and the factors below are considered in determining California residency. No one factor determines residency.

- Being licensed to practice a profession in California
- Filing California State Income taxes as a resident
- Having an active checking and/or savings account at a bank in California
- Having paid nonresident tuition in another state
- Owning residential property in California for personal use
- Possessing a California Driver's License and vehicle registration in California
- Showing proof of employment in California
- Possessing a divorce decree issued in California
- Voting in California
- Showing California as "home of record" on military records (DD214 or Leave and Earnings Statement)
- Being an active military member, military veteran, or a military dependent

**IMPORTANT:** Residency classification is determined for each student when the admission application is accepted. Any student who is classified as a resident, but who becomes a nonresident at any time by virtue of a change of residence, by his or her own action or by the person from whom his or her residence is derived, is obligated to notify the Admissions & Records office immediately.

## Nonresident Student

A student's resident status is determined at the time of application. A nonresident student must pay nonresident tuition in addition to the enrollment fee and other fees (including a \$20 Capital Outlay Fee per Ed Code 76141) for credit classes.

## Residency for Tuition Purposes (continued)

### Assembly Bill 540

Any student, other than one with a nonimmigrant visa status who meet all of the following requirements, shall be exempt from paying nonresident tuition at all public colleges and universities in California. (Students who have been granted T or U visa status are also exempt per AB1899).

The requirements are:

- Attended high school in California for three or more years, OR  
Attended a combination of California high school, California adult school, and/or California Community College for the equivalent of three or more years of full-time attendance, OR  
Attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work **and** attended a combination of elementary, middle/secondary, and/or high schools in California for a total of 3 or more years.
- Graduated from a California high school or attained the equivalent (i.e., GED or Certificate of High School Proficiency) prior to the start of the term, OR  
Attained an associate degree from a California Community College, OR  
Completed the minimum requirements at a California Community College for transfer to a California State University or University of California.
- In the case of a person without lawful immigration status, the filing of an affidavit with the college stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
- All students who meet AB540 requirements must file an affidavit with the College. The affidavit is included in the California Nonresident Tuition Exemption form which is available in the Admissions and Records Office and Class Schedule (see Nonresident Tuition Exemption form in the back of the Class Schedule).
- Students living outside the state and enrolled in distance education are not eligible for the AB540 exemption.

### Senate Bill 141

This bill requires districts to exempt nonresident tuition from a nonresident student who is a U.S. citizen and who resides in a foreign country, if that student meets all of the following requirements:

- Has a parent or guardian who has been deported or was permitted to depart voluntarily under the federal Immigration and Nationality Act and demonstrates a financial need for the exemption.
- Moved abroad as a result of the deportation or voluntary departure and lived in California immediately before moving abroad.
- Attended a public or private secondary school in California for three or more years.
- Upon enrollment, will be in his or her first academic year as a matriculated student in California public higher education.
- Will be living in California and will file an affidavit with the community college stating that he or she intends to establish residency in California as soon as possible.
- Documentation shall be provided by the student as required by statute as specified in Education Code section 76140(a)(5).

### Assembly Bill 2364

This bill mandates Community College districts to exempt all qualifying nonresident special part-time students, who meet the requirements set forth in Section 76140 of the Education Code, from the requirement to pay nonresident tuition for community college credit courses. This exemption does not apply to special full-time students.

This exemption is not intended to apply to categories of students who would be precluded from qualifying for the AB540 nonresident tuition exemption; i.e., a) students who reside outside of California and enroll via Distance Education and b) students on most nonimmigrant visas.

# DON'T DELAY YOUR REGISTRATION

## Check for Prerequisites early

Before you enroll check to see if your class has a prerequisite.

Prerequisites must be cleared prior to enrollment.

Plan ahead and take care of this as early as possible to avoid waiting in long lines and delaying your enrollment in important classes.

## How to clear a prerequisite

# Frequently Asked Questions...

# WAITLISTS

## What is a waitlist?

A waitlist is an electronic list of students who would like to enroll in a closed class. Waitlisting does NOT guarantee enrollment into any class and not all classes have waitlists. Waitlisted students must meet all registration requirements, including time conflicts and prerequisite requirements.

## How do I place myself on to a waitlist?

Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes**”. Enter the CRN of the class. If the class is closed you will be given the option of adding to the waitlist if waitlist seats are available. To place yourself on the waitlist, use the drop down menu and select “**Waitlist**”, then click “**Confirm Your Choices**”.

## Can I add to more than one waitlist?

Yes, you can add to more than one waitlist for different subjects but you CANNOT add to more than one waitlist for the same course.

## How can I monitor my waitlist position?

Log on to myGateway, go to “**Registration Tools**” and click “**Check Waitlist Status**”. If a seat is available for you to attempt to add, you will see a date and time in the “**Notification Expires**” field.

## How will I know if a seat in the class becomes available while I am on the waitlist?

If a seat becomes available, you will be notified via “**Announcements**” on myGateway. We strongly recommend that you check your **Personal Announcements** daily! As a secondary means of notification, we will also send a waitlist notification to your preferred email address on file.  
(See the following email notice)

## Important Student Email Information

Students have reported undelivered, delayed, and/or blank emails from various email providers. We strongly suggest that students frequently monitor the “**Announcements**” window in myGateway for messages regarding waitlisting.  
*The college is NOT responsible for undelivered, delayed, or incomplete email from ANY email provider.*

## How do I add the class once I am notified via “Announcements” or Waitlist email notification?

Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes**”. Go to the specific waitlisted class in your list of classes and use the drop down box to register for the course. Don’t forget to click “**Confirm Your Choices**” and “**Complete Registration**”.

## How long do I have to add the class when a seat is available and what if I miss my 48 hour deadline to add?

Once a seat becomes available you have **48 hours** to add the class **OR** until midnight prior to the start day of class, whichever comes first. If you miss the deadline to add the course your name is automatically removed from the waitlist and the next waitlisted student is notified.

## What if I am on a waitlist and no seat becomes available before the first class meeting?

Waitlisting does NOT guarantee enrollment into any class. You must attend the first class meeting. Your name will appear on the instructor’s roster as waitlisted. If there are seats available, the instructor will provide you with an Add Authorization code. Be advised that although an instructor may give a waitlisted student an add authorization code, it is the student’s responsibility to officially register into the class through myGateway.

## What if I am on a waitlist and the instructor provides me with an Add Authorization Code at the first class meeting?

**IMPORTANT** — You cannot add a course with an Add Code until AFTER the first class meeting. Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes**”. Go to the specific waitlisted class and click “**Waitlisted — Drop**” to drop from the waitlist. Re-enter the same CRN, and follow the prompts to enter the 6-digit Add Code. Don’t forget to click “**Confirm Your Choices**” and “**Complete Registration**”. It is the student’s responsibility to verify class enrollment. Print your schedule/bill and make sure there is an “**RW**” registration status next to each course.

**Convenient, flexible, and accessible on and off campus.  
Same application, registration, credits and fees as on-campus courses.**

**IMPORTANT:**

- Distance Education courses may require course log-in by a required date and attendance, on campus, for an orientation meeting, and/or taking tests and exams. Refer to Schedule of Classes for course specific information.
- Distance Education courses are taught using Canvas. Courses may not be available or show up on Canvas until the first day of the semester.
- Students are responsible for the compatibility of personal devices. Computers in campus labs are available for use by registered students.
- Basic skills include using email, a word processing program, saving documents, uploading documents, downloading documents, and navigating the Internet. Tutorials for these skills are available at [online.fullcoll.edu/earn-technology-badges](http://online.fullcoll.edu/earn-technology-badges)

## Summer 2020 Schedule of Classes

### June 8, 2020 – August 20, 2020

The College Catalog and Class Schedule must be prepared well in advance of the time period it covers; therefore, changes in some programs and policies may occur. Courses as described are subject to change without notice, and some listed courses are not offered every term. Courses offered in Fall, Spring or Summer **only** will be indicated under the title. For questions about the frequency of course offerings, contact the appropriate division office. In addition, some courses or programs that are offered may have to be cancelled because of insufficient enrollment, elimination or reduction in programs, or for any other reason considered sufficient by the College president or designee.

## Mathematics

### MyMathLab

Almost all math classes require the use of online homework programs which come with a new textbook, or which can be purchased separately. These programs also include tutorials and other resources and can be accessed from computers on campus or from your computer at home with high speed Internet access. You may wish to contact your instructor or the Math Division (math@fullcoll.edu) before classes begin to find out if he or she uses online resources. To watch a short video of what to expect when using online tools in a math class, go to <http://math.fullcoll.edu>, click on **Mathematics** and then scroll down to **What is MyMathLab and How Do I Get Started?**

**MATH N01 F** **0 Units**

Due to the COVID-19 health emergency and continued social distancing restrictions, all summer courses, with a few noted exceptions, will be taught as remote instruction which will require a computer and internet access. In some cases, students will also be required to download the college's secure testing software, if required by their instructor. The college will do their best to assist students if acquiring the appropriate technology is a barrier to their participation.

# COLLEGE POLICIES/PROCEDURES

## AUDITING COURSES

An enrolled student who intends to audit a class must file a "Petition to Audit" with the Admissions and Records Office **by the add deadline of the class**. Refer to the College Catalog for details.

## COURSE PROGRESSION

A student is expected to take courses on an accepted progressive basis. The student will not receive credit for classes which are considered lower in degree of advancement than those already taken.

## (EW) EXCUSED WITHDRAWAL:

Excused Withdrawal occurs when a student is permitted to withdraw from course(s) due to specific events beyond the control of the student and may include a job transfer outside the geographical region, an illness in the family where the student is the primary caregiver, when the student who is incarcerated in a California state prison or county jail is released from custody or involuntarily transferred before the end of the term, when the student is the subject of an immigration action, or other extenuating circumstances beyond the control of the student affecting his/her ability to complete a course(s). Verifiable documentation must be presented upon petition by the student to Admissions & Records. The EW symbol does not count in calculation of probation or dismissal and is not counted as an enrollment attempt for purposes of course repetition. Please note that the EW symbol does count in the Federal financial aid Satisfactory Academic Progress Calculations. A student should consult with the financial aid staff regarding any impact. Title 5 Sections 55024 (See AR 5075 Course Adds, Drops and Withdrawals).

## GRADES

Grades are available via **myGateway** approximately two weeks after the class ends. Log in to **myGateway**, click **Student** on the left hand side and click **Student Records**.

### Incomplete (I) Grades

If an Incomplete (I) is received, the student **cannot** re-enroll in the course. Specified coursework must be completed no later than one year with the instructor who assigned the incomplete grade.

### In Progress (IP) Grades

If an In Progress (IP) is received, the student **must** re-enroll in the course the following term.

## MATRICULATION APPEALS PROCEDURES

A Matriculation Appeals Petition may be filed for any of the following concerns:

### Review of Placement Decisions

The student must make an appointment to see the Dean of Counseling. If the Dean of Counseling is unavailable within three (3) working days, the student shall take the appeal directly to the Dean of Humanities or Dean of Mathematics as appropriate. The student must include documentation and/or information to support the appeal.

### Student Rights to Challenge Prerequisites and/or Corequisites

Section 55003 of Title V states: Any prerequisite or corequisite may be challenged by a student on one or more of the grounds listed below. The student shall bear the initial burden of showing that grounds exist for the challenge. Challenges

shall be resolved in a timely manner and, if the challenge is upheld, the student shall be permitted to enroll in the course or program in question. Grounds for challenge are:

1. The prerequisite or corequisite has not been established in accordance with the district's process for establishing prerequisites and corequisites.
2. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
3. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.
4. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available.

## REQUEST TO EXCLUDE D OR F GRADES

If a student has previously received a D or F grade in a course taken at Fullerton College and repeats exactly the same course and earns a higher letter grade, the student may petition to exclude the D or F grade from his or her cumulative grade point average. Petitions are available in the Admissions and Records Office. Refer to the College Catalog for complete information.

## STUDENT INFORMATION

Student data should be kept current and updated to receive important information from the college. The student is responsible for any delay in communications sent from the Admissions and Records Office when an incorrect address, phone, or email is on file.

For an accurate 1098-T Tuition Statement, it is required by the IRS that you have your legal name and SSN on file (the same name and number that is on your Social Security card.)

## TRANSCRIPTS

Students should submit official transcripts to Fullerton College according to the criteria below.

**High school transcripts** — Students who graduated from high school in the past two years (submit to the Counseling Center).

**Other college transcripts** from previous colleges attended should be submitted to the Admissions and Records Office for the following reasons —

## CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION APPROVED COURSE LIST 2019–2020

**IMPORTANT NOTE:** Courses on this list are approved for a specific academic year which begins with the Fall 2019 semester. This list is valid through Summer 2020. New courses for 2019–2020 are listed in **bold**.

Students wishing to use a course to meet a CSU General Education requirement must be sure that the course is approved for the academic year in which it is taken. Courses on this list are approved by the CSU Chancellor's Office for the 2019–2020 academic year. A course used in the certification process must be on the CSU GE Breadth approved list during the term in which it is taken. If a course is taken before it is approved for inclusion on the list, it cannot be certified. Similarly, a course which is taken after it has been removed from the list cannot be certified.

Previous CSU General Education Approved Course Lists are available at [www.assist.org](http://www.assist.org). Information is also available at the Fullerton College Cadena Transfer Center and the Fullerton College Counseling Resource Center, or you may request verification from a counselor.

CSU General Education certification is available to community college transfers who complete the majority of their lower division units at the community college.

Students enrolled in high-unit majors (i.e., architecture, computer science, engineering, sciences) are often recommended not to be fully CSU GE certified but rather to meet transfer admission requirements and complete required lower division major and support courses. See your counselor to develop a student academic educational plan.

## INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) 2019–2020

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a California community college to a campus in either the CSU or UC system without the need, after transfer, to take additional lower-division, general education courses to satisfy the transfer institution's general education requirements.

It should be noted that completion of the IGETC is not a requirement for transfer to CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of the CSU or UC prior to transfer. Depending on a student's major and field of interest, the student may find it advantageous to take courses fulfilling either the CSU's general education requirements or those of the UC campus or college in which the student plans to transfer.

**IMPORTANT NOTE:** Courses on this list are approved for a specific academic year which begins with the Fall 2019 semester. Students wishing to use a course to meet an IGETC requirement must be sure that the course is approved for the academic year in which it is taken. This list is valid through Summer 2020.

Students enrolled in high unit majors (i.e., architecture, computer science, engineering, sciences) are frequently recommended not to use IGETC to meet general education certification but rather to meet transfer admission requirements and complete required lower division major and support courses. See your counselor to develop an academic student educational plan.

It is recommended that all IGETC requirements be completed prior to transfer. If you are unable to complete one or two IGETC courses, you may be eligible to complete IGETC after transfer. See your counselor for more information. UC transfers must provide official documentation to meet the Language Other Than English requirement. Documentation needs to be on record with the Fullerton College Records Office in advance (two semesters before transfer) if this requirement is met by any means other than Fullerton College foreign language courses.

Any coursework not completed at Fullerton College must be evaluated in writing by Admissions and Records through an academic counselor to assure that it meets IGETC standards set forth by the California Intersegmental Academic Senates.

A grade of "C" or higher is required in all coursework used for IGETC certification.

Please see placement options below for English, Reading, Math, ESL and Chemistry course clearance.

To be placed into a transfer level English, Math, or Reading course students should do the following:

1. Mail or hand deliver a copy of their high school transcripts to the Fullerton College Assessment Center: Building 3000, room 3023.
  - Make sure that your Fullerton College ID number is written clearly on the transcript — this is an 8-digit number starting with the “@” sign: for example, @01234567. Course grades and GPA must also be legible.

- Also include any test scores you may have available, such as the AP, IB, or EAP/CASSPP.
  - Make sure your Fullerton College ID number is written clearly on these documents.

## DRUG-FREE AND ALCOHOL-FREE DISTRICT POLICY

The Federal Government has mandated that as of October 1, 1990, there will be no drug usage by students, staff or faculty on college campuses anywhere in the United States.

On January 13, 1992, the Board of Trustees of the North Orange County Community College District adopted the following policy statement to comply with the law. The policy, which is to be shared in writing with students, staff and faculty is as follows:

**On November 18, 1988, Congress passed the Drug-Free Workplace Act of 1988. (P.L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.).** The statute requires contractors and grantees of Federal agencies to certify that they will provide a drug-free workplace. Making this required certification is a precondition for receiving a contract or grant from a Federal agency.

Pursuant to the Drug-Free Workplace Act of 1988, it is unlawful to manufacture, distribute, dispense, possess, or use controlled substances at all District worksites and/or while in the performance of District business or attending a District event or program.

**The Drug-Free Schools and Communities Act Amendments of 1989 (P.L. 101-226)** amends the previous law of 1988 to include that it is also unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in the workplace or at any District activities or events or while performing District business.

### Compliance for Employees

The District intends to make every effort to provide and maintain a drug-free workplace. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the district. Any employee violating this policy will be subject to disciplinary action which may include termination. Any employee convicted under a criminal drug and/or alcohol statute for conduct in the workplace or while on District business must report this conviction within five (5) calendar days to the Vice Chancellor, Human Resources.

### Compliance for Students

The District intends to make every effort to provide and maintain a drug-free campus. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the District. All students are required to comply with this policy as a condition of their continued enrollment. Any student violating this policy will be subject to disciplinary action, including suspension, and up to expulsion.

**Legal Sanctions Under Federal, State and Local Laws are available in the following locations:**

1. Student Activities Office, 200 Bldg, Room 214
2. Campus Public Safety Department, 1500 Bldg

### Alcohol/Drug Abuse Counseling, Treatment, Rehabilitation Information

Personal counseling and complete referral information is available for students in the Student Health Center.

Please refer to College Catalog for standards of student conduct and discipline policy.

## STANDARDS OF STUDENT CONDUCT AND DISCIPLINE POLICY

The standards of student conduct and disciplinary action for violation of Board Policy 5500 were approved by the NOCCCD Board on January 28, 2003, with the last revision approved October 25, 2016, to be in compliance with Sections 66300, and 66301 of the State Education Code and ACCJC Accreditation Standards.

### 1.0 Standards of Student Conduct

For purposes of this policy, the term "District" as used herein means the North Orange County Community College District, Cypress College, Fullerton College, the School of Continuing Education, the Anaheim Campus, and other entities operated by, or property under the control of, the North Orange County Community College District.

Students enrolling in the programs and services of the North Orange County Community College District assume an obligation to conduct themselves in a manner compatible with the function of the colleges and the School of Continuing Education as educational institutions. A student who violates the standards of student conduct shall be subject to disciplinary action including, but not limited to, the removal, suspension or expulsion of the student. Misconduct, which constitutes "good cause" for disciplinary action includes, but is not limited to, the following:

- 1.1 Disruptive behavior, willful disobedience, habitual profanity or vulgarity, the open and persistent defiance of the authority of, or persistent abuse of, District personnel, or violating the rights of other students.
- 1.2 Failure to identify oneself when requested to do so by District officials acting in the performance of their duties.
- 1.3 Cheating, plagiarism in connection with an academic program (including plagiarism in a student publication), or engaging in other academic dishonesty.
- 1.4 Dishonesty, forgery, alteration, or misuse of District documents, records, or identification, or knowingly furnishing false information to the District.
- 1.5 Misrepresentation of oneself or of an organization to be an agent of the District.
- 1.6 Causing, attempting to cause, or threatening to cause physical injury or physical or verbal abuse or any threat of force or violence, to the person, property, or family of any member of the college community, whether on or off District property as defined above.
- 1.7 Willful misconduct which results in injury or death to a student or to District personnel, or which results in the cutting, defacing, or other damage to any real or personal property of the District.
- 1.8 Unauthorized entry into, unauthorized use of, or misuse of property of the District.
- 1.9 Stealing or attempting to steal District property or private property on District premises, or knowingly receiving stolen District property or stolen private property on District premises.
- 1.10 Causing or attempting to cause damage to District property, or to private property on District premises.
- 1.11 Unlawful use, sale, possession, offer to sell, furnishing, or being under the influence of any controlled substance listed in the California Health and Safety Code, section 11053 et seq., an alcoholic beverage, or an intoxicant of any kind, or any poison classified as such by Schedule D in Section 4160 of the Business and Professions Code or other State law defining controlled substance while on District property, or at a District function; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in the California Health and Safety Code, section 11014.5.
- 1.12 Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the District.
- 1.13 Possession, sale, use, or otherwise furnishing of explosives, dangerous chemicals, deadly weapons or other dangerous object including, but not limited to, any facsimile firearm, knife or explosive on District property, or at a District function, without prior written authorization of the Chancellor, college president, School of Continuing Education Provost, or authorized designee.
- 1.14 Engaging in lewd, indecent, or obscene behavior on District property, or at a District function.
- 1.15 Violation of municipal, state, or federal laws in connection with attendance in programs or services offered by the District, or while on District property or at District-sponsored activities.
- 1.16 Soliciting or assisting another to do any act (including the purchasing, transporting or consumption of any controlled substance), while under the supervision of a District official, which would subject a student to expulsion, suspension, probation, or other discipline pursuant to this policy.
- 1.17 Attempting any act constituting cause for disciplinary action as identified in the above sections of this policy.
- 1.18 Sexual assault or sexual exploitation regardless of the victim's affiliation with the District.
- 1.19 Committing sexual harassment as defined by law or by District policies and procedures.
- 1.20 Engaging in harassing or discriminatory behavior based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other status protected by law.
- 1.21 Engaging in physical or verbal intimidation or harassment of such severity or pervasiveness as to have the purpose or effect of unreasonably interfering with a student's academic performance, or District employee's work performance, or of creating an intimidating, hostile or offensive educational or work environment.
- 1.22 Engaging in physical or verbal disruption of instructional or student services activities, administrative procedures, public service functions, authorized curricular or co-curricular activities or prevention of authorized guests from carrying out the purpose for which they are on District property.
- 1.23 Stalking, defined as a pattern of conduct by a student with intent to follow, alarm, or harass another person, and which causes that person to reasonably fear for his or her safety, and where the student has persisted in the pattern of conduct after the person has demanded that the student cease the pattern of conduct. Violation of a restraining order shall, without more, constitute stalking under this policy.
- 1.24 Persistent, serious misconduct where other means of correction have failed to bring about proper conduct or where the presence of the student causes a continuing danger to the physical safety of students or others.
- 1.25 Engaging in expression which is obscene, libelous, or slanderous according to current legal standards, or which so incites students as to create a clear and present danger of the commission of unlawful acts on District property, or the violation of the lawful administrative procedures of the District or the substantial disruption of the orderly operation of the District.
- 1.26 Use of the District's computer systems or electronic communication systems and services for any purpose prohibited by Administrative Procedure 3720, Computer & Electronic Communication Systems, or for any act constituting cause for disciplinary action as provided in this policy.
- 2.0 No student shall be suspended from a college or School of Continuing Education program or expelled unless the conduct for which the student is disciplined is related to college, School of Continuing Education or District activity or attendance.
- 3.0 Any violation of law, ordinance, regulation or rule regulating, or pertaining to, the parking of vehicles, shall not be cause for removal, suspension, or expulsion of a student.
- 4.0 The Chancellor shall establish procedures for the imposition of discipline on students in accordance with the requirements for due process of law. The procedures shall identify potential disciplinary actions including, but not limited to, the removal, suspension or expulsion of a student.
- 5.0 The Chancellor shall establish procedures by which all students are informed of the rules and regulations governing student behavior.
