2021

Fullerton College

Dear Students,

Welcome to the Summer 2021 semester. We are pleased that you have chosen Fullerton College to advance your educational and career goals. The condensed-semester format allows students an opportunity to get a head start before the fall or accelerate completion of their associate degrees or career certificates.

For more than 100 years, Fullerton College has provided high quality academic and career training opportunities for all who seek to further their education. We offer this excellent education in an environment that is welcoming, supportive, inclusive and antiracist.

In light of the ongoing pandemic our faculty and staff are committed to providing learning opportunities and student support in new technologically driven ways. Our friendly and knowledgeable academic and student support teams have developed many innovative ways to offer programs and services to support our students.

While the majority of our summer 2021 courses will be taught online, there will be some face-to-face courses offered and on-campus study space is available to students. Safety information is available at coronavirus.fullcoll.edu.

Whether you are a recent high school graduate, a returning college student or looking to advance your career or pursue a new career, you have come to the right place. Good luck in your studies, and have a great semester!

Sincerely,

Registration Policies/Procedures

ADMISSION ELIGIBILITY

Applications for admission are accepted for:

- High school graduates or students at least eighteen years of age.
- Title IV Financial Aid requirements differ. For Title IV financial aid, a high school diploma, high school proficiency, or GED is required.

For more information:

https://financialaid.fullcoll.edu/wp-content/uploads/sites/77/2020/11/Financial_Aid_Brochure_You_Consumer_Brochure_2020-2021.pdf

- Students in K–12 who qualify for the Special Admit Student Program.

ADD CODES

The 6-digit Add Authorization Code is required for each class once the class begins and is only valid for the current term and class. The Add Authorization Code must be used by the add deadline of the class to guarantee official enrollment. If a student has been unsuccessful using the Add Code due to too many attempts, or the code has expired, a new Add Code must be obtained from the instructor.

ATTENDANCE/PARTICIPATION

Attendance/Participation at the first class meeting is required. Failure to attend **may** result in the instructor dropping the student from the class.

CAMPUS HOLDS

Fullerton College may withhold diplomas, registration privileges, or any combination thereof, from any student or former student who has failed to clear a campus obligation (unpaid balance of enrollment fees, returned check, unpaid loan, equipment not returned, equipment breakages, unpaid fines or materials owed to the library, etc.).

CLASS CANCELLATIONS

Fullerton College reserves the right to cancel any class for which the enrollment is not sufficient to warrant continuation and to change the class hours and/or days as necessity demands.

COREQUISITES (Concurrent Enrollment)

A course that a student must enroll in at the same time as the desired course — in some instances the corequisite course may be taken prior to the desired course. If the corequisite is taken prior to the desired course, a grade of C or better must have been earned.

COURSE REPETITION

If you are repeating a course due to a substandard grade or W (for a non-repeatable course):

- Students may repeat the same course no more than two times in colleges within the District (Fullerton and Cypress Colleges) in which substandard grades (D, F, NC, NP) or W were assigned.
- Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances. Go to <https://admissions.fullcoll.edu/downloadable-forms/>.
- When repeating a course with a substandard grade and submitting an Appeals Petition, the last grade earned will count toward the grade point average and the previous grade(s) will be discounted or forgiven.
- Only the first two substandard grades may be excluded in GPA calculations. The student's permanent academic record will be annotated such that all course work that has been taken and forgiven or repeated will remain legible, ensuring a true and complete academic history.

If you are repeating a course that allows repeats, whether you received a grade or W:

- A course may only be repeated the number of times indicated in the catalog.
- Once a student has completed the maximum number of allowable repetitions a student may be blocked from registering in this course.
- Fine Arts, Physical Education, and other active participatory courses that are related in content must be grouped. Each individual course within a group is not repeatable and students are only allowed an allocated number of maximum attempts of courses within each group. (For example: if there is a maximum of four attempts within a group of six courses a student will only be allowed to complete four of the six courses). If a student receives a W in one of the courses within a group they will be allowed a second attempt without a petition of that course but the attempt that resulted in the issuance of a W counts as one of the attempts within the group of courses.
- Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.

DUPLICATE COURSE

Students may not register for two classes with the same course number and title.

MAXIMUM UNITS/HOURS

A maximum unit load for any student is 19 units per term. Students may register over 19 units only with a counselor's approval.

Registration Policies/Procedures (continued)

MILITARY WITHDRAWAL

A student called to military service during a semester in progress should complete and submit an Extenuating Circumstance petition to have a "MW" (military withdrawal) noted on the student's academic transcript. A copy of military orders is required. Go to <https://admissions.fullcoll.edu/extenuating-circumstances-petition/>.

OPEN ENROLLMENT

It is the policy of the North Orange County Community College District that every course, course section or class, wherever offered and conducted throughout the district, shall be fully open to enrollment and participation by any person who is eligible for admission to the college(s) and who meets such prerequisites as may be established pursuant to Chapter 11, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

PASS/NO PASS

If a course is listed in the College Catalog as "Letter Grade or Pass/No Pass Option," a student may choose to take the course with a P/NP grade. Log in to **myGateway**, go to "Registration Tools" and click "Update Grade to Pass/No Pass." Once the request is submitted, the grading option is **not** reversible.

PAY YOUR FEES

Students who are enrolled in classes and have not paid fees will have a hold placed on their records. Unpaid fees may be collected at a later date through the Chancellor's Office Tax Offset Program (paid from your tax refund).

PETITIONING CLOSED CLASSES

Students may petition closed classes by attending the first meeting. If space permits, the instructor will issue an Add Authorization Code, allowing students to add the closed class online through **myGateway**. Students are not officially registered until the class has been added online.

PREREQUISITES

A course that a student must pass (with a grade of C or better) before enrolling in the more advanced course. In some instances, an assessment exam with qualifying scores, or prior knowledge and/or experience that a student possesses may also be accepted as a prerequisite for a course.

PRIVACY RELEASE

Pursuant to the Federal Family Educational Rights and Privacy Act of 1974, the College may release or publish, without the student's prior consent, items in the category of public information, which include the student's name, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the student.

Any student who wishes to have this information restricted must submit a written request to the Admissions and Records Office. Directory information will then only be provided to individuals who have a current written and signed release from the student.

SCHEDULE/BILL RECEIPT

The Schedule/Bill receipt is proof of enrollment in classes and fees paid for the term. Schedule/Bill receipts are available in **myGateway**. Students should check the Schedule/Bill receipts carefully to verify registration and fee payment. Instructors, labs and any office on campus may request to see a student's Schedule/Bill receipt prior to providing services.

TIME CONFLICT

Students are not permitted to register for two classes that are scheduled during the same or overlapping time periods, *even if the instructor will allow it*. This includes online and/or hybrid courses with mandatory on-campus meetings that conflict with other on-campus courses.

VARIABLE UNIT COURSES

Units may be increased/decreased **no later than the withdrawal deadline of the course**. Students must increase/decrease units at the Admissions and Records Office. Additional fees will be charged for increased units and refund deadlines are enforced when decreasing units.

WITHDRAWAL POLICY

While an instructor may drop a student for excessive absences, it is the student's responsibility to officially withdraw from a class. Instructor approval is not required. Students must drop/withdraw classes by the appropriate deadline date through **myGateway**.

For all summer classes, refer to the comment line under the specific section (CRN) of the class for deadline dates. Every effort has been made to ensure the accuracy of these dates. These dates are subject to change without notice in order to comply with state accounting regulations.

Failure to officially withdraw from a class may result in a grade of F or NP.

Residency for Tuition Purposes

(per Education Code, Section 68060)

The Office of Admissions and Records determines the residency status of all new and returning students. Responses to the Application for Admission and, if necessary, other evidence furnished by the student are used in making this determination. The burden of proof to clearly demonstrate both physical presence and the intent to establish California residence lies with the student. A student who does not submit adequate information to establish the right to classification as a California resident will be classified as a nonresident. Some visa types are precluded by federal law from establishing residency.

The residence determination date is the day immediately preceding the opening day of instruction of the semester or term as set by the Board of Trustees. Generally, residency requires actual physical presence in California at least one year prior to the residence determination date, coupled with proof of intent to make California one's home. Generally, California residency is established by one of the following:

1. If the applicant is under the age of 18, his or her parents must have had legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.
2. If the applicant is 18 but not yet 19 years of age, the applicant and the applicant's parents or legal guardian must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.
3. If the applicant is 19 years of age or older, the applicant must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the term.

Non-citizen students holding visas which do not preclude them from establishing residency in California (for example: permanent resident visa or amnesty approval), must have legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester.

Factors Considered to Determine Residency

A person's presence in California and the factors below are considered in determining California residency. No one factor determines residency.

- Being licensed to practice a profession in California
- Filing California State Income taxes as a resident
- Having an active checking and/or savings account in California
- Having paid nonresident tuition in another state
- Owning residential property in California for personal use
- Possessing a California Driver's License and vehicle registration in California
- Showing proof of employment in California
- Possessing a divorce decree issued in California
- Voting in California
- Showing California as "home of record" on military records (DD214 or Leave and Earnings Statement)
- Being an active military member, military veteran, or a military dependent

IMPORTANT: Residency classification is determined for each student when the admission application is accepted. Any student who is classified as a resident, but who becomes a nonresident at any time by virtue of a change of residence, by his or her own action or by the person from whom his or her residence is derived, is obligated to notify the Admissions & Records office immediately.

Nonresident Student

A student's resident status is determined at the time of application. A nonresident student must pay nonresident tuition in addition to the enrollment fee and other fees (including a \$33 Capital Outlay Fee per Ed Code 76141) for credit classes.

Residency for Tuition Purposes (continued)

Assembly Bill 540

Any student, other than one with a nonimmigrant visa status who meet all of the following requirements, shall be exempt from paying nonresident tuition at all public colleges and universities in California. (Students who have been granted T or U visa status are also exempt per AB1899).

The requirements are:

- Attended high school in California for three or more years, OR
Attended a combination of California high school, California adult school, and/or California Community College for the equivalent of three or more years of full-time attendance, OR
Attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work **and** attended a combination of elementary, middle/secondary, and/or high schools in California for a total of 3 or more years.
- Graduated from a California high school or attained the equivalent (i.e., GED or Certificate of High School Proficiency) prior to the start of the term, OR
Attained an associate degree from a California Community College, OR
Completed the minimum requirements at a California Community College for transfer to a California State University or University of California.
- In the case of a person without lawful immigration status, the filing of an affidavit with the college stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
- All students who meet AB540 requirements must file an affidavit with the College. The affidavit is included in the California Nonresident Tuition Exemption form which is available in the Admissions and Records Office and Class Schedule (see Nonresident Tuition Exemption form in the back of the Class Schedule).
- Students living outside the state and enrolled in distance education are not eligible for the AB540 exemption.

Senate Bill 141

This bill requires districts to exempt nonresident tuition from a nonresident student who is a U.S. citizen and who resides in a foreign country, if that student meets all of the following requirements:

- Has a parent or guardian who has been deported or was permitted to depart voluntarily under the federal Immigration and Nationality Act and demonstrates a financial need for the exemption.
- Moved abroad as a result of the deportation or voluntary departure and lived in California immediately before moving abroad.
- Attended a public or private secondary school in California for three or more years.
- Upon enrollment, will be in his or her first academic year as a matriculated student in California public higher education.
- Will be living in California and will file an affidavit with the community college stating that he or she intends to establish residency in California as soon as possible.
- Documentation shall be provided by the student as required by statute as specified in Education Code section 76140(a)(5).

Assembly Bill 2364

This bill mandates Community College districts to exempt all qualifying nonresident special part-time students, who meet the requirements set forth in Section 76140 of the Education Code, from the requirement to pay nonresident tuition for community college credit courses. This exemption does not apply to special full-time students.

This exemption is not intended to apply to categories of students who would be precluded from qualifying for the AB540 nonresident tuition exemption; i.e., a) students who reside outside of California and enroll via Distance Education and b) students on most nonimmigrant visas.

DON'T DELAY YOUR REGISTRATION

Check for Prerequisites early

Before you enroll check to see if your class has a prerequisite.

Prerequisites must be cleared prior to enrollment.

Plan ahead and take care of this as early as possible to avoid waiting in long lines and delaying your enrollment in important classes.

How to clear a prerequisite

You are automatically cleared if:

- ▶ you are currently enrolled in the appropriate prerequisite course at Cypress College or Fullerton College
- ▶ you have completed the appropriate prerequisite course at Cypress College or Fullerton College
- ▶ you have tested into a particular course level in English, ESL, Reading and Math by taking the appropriate placement test
- ▶ for Fullerton College chemistry students: you have taken the Chemistry assessment test at Fullerton College and received the appropriate score for placement

You can also be cleared by:

- ▶ bringing high school transcripts, transcripts from another college and/or other appropriate documentation indicating completion of the prerequisite course. Because some classes fill up very quickly, it is recommended that you take care of this as soon as possible to avoid possible delays prior to your enrollment of classes. Unofficial documents can be sent to COUNdocs@fullcoll.edu for clearance purposes **ONLY**.

ATTENTION STUDENTS!

Please read the following, it may impact your schedule planning!

IMPORTANT COURSE REPETITION POLICY

IF YOU ARE REPEATING A COURSE DUE TO A SUBSTANDARD GRADE OR W (for a non-repeatable course)

- ▶ Students may repeat the same course no more than two times in colleges within the District (Fullerton and Cypress Colleges) in which substandard grades (D, F, NC, NP) or W were assigned.
- ▶ Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.
- ▶ When repeating a course with a substandard grade and submitting an Appeals Petition, the last grade earned will count toward the grade point average and previous grade(s) will be discounted or forgiven.
- ▶ Only the first two substandard grades may be excluded in GPA calculations. The student's permanent academic record will be annotated such that all course work that has been taken and forgiven or repeated will remain legible, insuring a true and complete academic history. (Refer to Appeals Petition under College Policy and Rules in the FC Catalog)
- ▶ Petitions may be filed with the Admissions and Records Office.

IF YOU ARE REPEATING A COURSE THAT ALLOWS REPEATS, WHETHER YOU RECEIVED A GRADE OR W

- ▶ A course may only be repeated the number of times indicated in the catalog.
- ▶ Once a student has completed the maximum number of allowable repetitions a student may be blocked from registering in this course. Students may file a Petition to Repeat a Course with the Admissions and Records Office to request additional repeats due to verifiable extenuating circumstances.

Incomplete (I) Grades

If an Incomplete (I) is received, the student **cannot** re-enroll in the course. Specified coursework must be completed no later than one year with the instructor who assigned the incomplete grade.

In Progress (IP) Grades

If an In Progress (IP) is received, the student **must** re-enroll in the course the following term.

Frequently Asked Questions...

WAITLISTS

What is a waitlist?

A waitlist is an electronic list of students who would like to enroll in a closed class. Waitlisting does NOT guarantee enrollment into any class and not all classes have waitlists. Waitlisted students must meet all registration requirements, including time conflicts and prerequisite requirements.

How do I place myself on to a waitlist?

Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes**”. Enter the CRN of the class. If the class is closed you will be given the option of adding to the waitlist if waitlist seats are available. To place yourself on the waitlist, use the drop-down menu and select “**Waitlist**”, then click “**Confirm Your Choices**”.

Can I add to more than one waitlist?

Yes, you can add to more than one waitlist for different subjects but you CANNOT add to more than one waitlist for the same course.

How can I monitor my waitlist position?

Log on to myGateway, go to “**Registration Tools**” and click “**Check Waitlist Status**”. If a seat is available for you to attempt to add, you will see a date and time in the “**Notification Expires**” field.

How will I know if a seat in the class becomes available while I am on the waitlist?

If a seat becomes available, you will be notified via “**Announcements**” on myGateway. We strongly recommend that you check your **Personal Announcements** daily! As a secondary means of notification, we will also send a waitlist notification to your preferred email address on file. (See the following email notice)

Important Student Email Information

Students have reported undelivered, delayed, and/or blank emails from various email providers. We strongly suggest that students frequently monitor the “**Announcements**” window in myGateway for messages regarding waitlisting.

The college is NOT responsible for undelivered, delayed, or incomplete email from ANY email provider.

How do I add the class once I am notified via “Announcements” or Waitlist email notification?

Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes**”. Go to the specific waitlisted class in your list of classes and use the drop-down box to register for the course. Don’t forget to click “**Confirm Your Choices**” and “**Complete Registration**”.

How long do I have to add the class when a seat is available and what if I miss my 48 hour deadline to add?

Once a seat becomes available you have **48 hours** to add the class **OR** until midnight prior to the start day of class, whichever comes first. If you miss the deadline to add the course your name is automatically removed from the waitlist and the next waitlisted student is notified.

What if I am on a waitlist and no seat becomes available before the first class meeting?

Waitlisting does NOT guarantee enrollment into any class. You must attend the first class meeting. Your name will appear on the instructor’s roster as waitlisted. If there are seats available, the instructor will provide you with an Add Authorization code. Be advised that although an instructor may give a waitlisted student an add authorization code, it is the student’s responsibility to officially register into the class through myGateway.

What if I am on a waitlist and the instructor provides me with an Add Authorization Code at the first class meeting?

IMPORTANT — You cannot add a course with an Add Code until **AFTER** the first class meeting. Log on to myGateway, go to “**Registration Tools**” and click “**Add or Drop Classes**”. Go to the specific waitlisted class and click “**Waitlisted — Drop**” to drop from the waitlist. Re-enter the same CRN, and follow the prompts to enter the 6-digit Add Code. Don’t forget to click “**Confirm Your Choices**” and “**Complete Registration**”. It is the student’s responsibility to verify class enrollment. Print your schedule/bill and make sure there is an “**RW**” registration status next to each course.

**Convenient, flexible, and accessible on and off campus.
Same application, registration, credits and fees as on-campus courses.**

IMPORTANT:

- Distance Education courses may require course log-in by a required date and attendance, on campus, for an orientation meeting, and/or taking tests and exams. Refer to Schedule of Classes for course specific information.
- Distance Education courses are taught using Canvas. Courses may not be available or show up on Canvas until the first day of the semester.
- Students are responsible for the compatibility of personal devices.
- Basic skills include using email, a word processing program, saving documents, uploading documents, downloading documents, and navigating the Internet.

The Honors Program offers students small classes with dedicated and engaged faculty. Most honors classes meet the general education requirements for most majors and include high impact practices like seminar discussions, presentations, and research. Courses are designed not to be harder than the traditional course, but to allow students to dive deeper into the material with a student-centered focus.

Students who complete the Honors Program and meet all transfer requirements will have priority consideration for admission to specific four-year institutions. Fullerton College is a member of the Honors Transfer Council of California.

Requirements for Membership: Minimum 3.4 GPA in either high school or college coursework OR a faculty recommendation; veteran and returning students do not need to meet the GPA requirements; completion of the Honors Program application; Apply at <http://honors.fullcoll.edu>

Mathematics Course Sequence — Summer 2021

This sequence shows the progression of math courses that students should take in order to complete their math requirement for the associate degree or to transfer. The type of mathematics you will be required to complete depends upon your major and/or transfer institution. The starting course can vary based on high school grades, college coursework, and other factors. **Please see a counselor before enrolling to discuss placement and the mathematics sequence.** You may also email mathplacement@fullcoll.edu or reference www.assist.org.

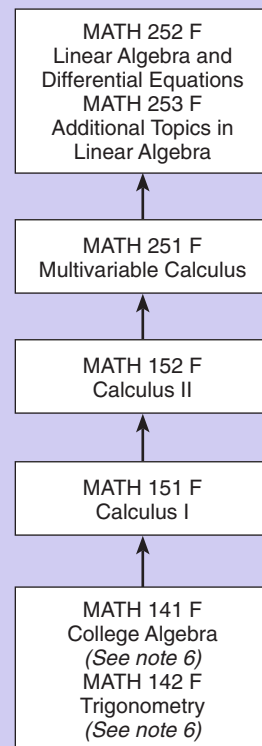

Students majoring in Liberal Arts or Social Sciences

Students majoring in Business

Students majoring in the Sciences

NOTES:

1. Sections of MATH 040 F (Intermediate Algebra) and MATH 041 F (Combined Elementary and Intermediate Algebra) are offered, but students should discuss with a counselor whether taking these courses is appropriate or necessary.
2. Courses numbered 040 or above fulfill the graduation requirement for the Associates' Degree.
3. Courses numbered less than 100 do not transfer to a 4-year institution.
4. Selected sections of MATH 100 F, MATH 120 F, MATH 141 F, and MATH 142 F are linked with support courses. Students must enroll in both the transfer course and the support course simultaneously. See the class listings for specific information.
5. Students majoring in any business field should consult with a Counselor before taking a transferable math course. Some business programs require students to complete Calculus (MATH 151 F), others require Business Calculus (MATH 130 F).
6. MATH 141 F and MATH 142 F may be taken in any order, or concurrently. Both are required for MATH 151 F.
7. MATH 252 F and MATH 253 F can be taken concurrently.
8. The Division offers honors courses: MATH 120HF, MATH 141HF, MATH 151HF, and MATH 152HF.
9. The Division offers other courses in Discrete Mathematics (MATH 171 F), Graph Theory (MATH 172 F), a course for prospective teachers (MATH 203 F), separate courses in Linear Algebra and in Differential Equations (MATH 255 F and MATH 260 F) and a series of Mathematics Seminars (MATH 290 F, MATH 290HF, MATH 291 F, MATH 291HF, MATH 295 F, MATH 295HF). Check the class listings since some of these courses are not offered every semester.

For questions about course offerings, contact the Math Division.

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION APPROVED COURSE LIST 2020–2021

IMPORTANT NOTE: Courses on this list are approved for a specific academic year which begins with the Fall 2020 semester. This list is valid through Summer 2021. New courses for 2020–2021 are listed in **bold**.

Students wishing to use a course to meet a CSU General Education requirement must be sure that the course is approved for the academic year in which it is taken. Courses on this list are approved by the CSU Chancellor's Office for the 2020–2021 academic year. A course used in the certification process must be on the CSU GE Breadth approved list during the term in which it is taken. If a course is taken before it is approved for inclusion on the list, it cannot be certified. Similarly, a course which is taken after it has been removed from the list cannot be certified.

Previous CSU General Education Approved Course Lists are available at www.assist.org. Information is also available at the Fullerton College Cadena Transfer Center and the Fullerton College Counseling Resource Center, or you may request verification from a counselor.

CSU General Education certification is available to community college transfers who complete the majority of their lower division units at the community college.

Students enrolled in high-unit majors (i.e., architecture, computer science, engineering, sciences) are often recommended not to be fully CSU GE certified but rather to meet transfer admission requirements and complete required lower division major and support courses. See your counselor to develop a student academic educational plan.

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) 2020–2021

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a California community college to a campus in either the CSU or UC system without the need, after transfer, to take additional lower-division, general education courses to satisfy the transfer institution's general education requirements.

It should be noted that completion of the IGETC is not a requirement for transfer to CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of the CSU or UC prior to transfer. Depending on a student's major and field of interest, the student may find it advantageous to take courses fulfilling either the CSU's general education requirements or those of the UC campus or college in which the student plans to transfer.

IMPORTANT NOTE: Courses on this list are approved for a specific academic year which begins with the Fall 2020 semester. Students wishing to use a course to meet an IGETC requirement must be sure that the course is approved for the academic year in which it is taken. This list is valid through Summer 2021.

Students enrolled in high unit majors (i.e., architecture, computer science, engineering, sciences) are frequently recommended not to use IGETC to meet general education certification but rather to meet transfer admission requirements and complete required lower division major and support courses. See your counselor to develop an academic student educational plan.

It is recommended that all IGETC requirements be completed prior to transfer. If you are unable to complete one or two IGETC courses, you may be eligible to complete IGETC after transfer. See your counselor for more information. UC transfers must provide official documentation to meet the Language Other Than English requirement. Documentation needs to be on record with the Fullerton College Records Office in advance (two semesters before transfer) if this requirement is met by any means other than Fullerton College foreign language courses.

Any coursework not completed at Fullerton College must be evaluated in writing by Admissions and Records through an academic counselor to assure that it meets IGETC standards set forth by the California Intersegmental Academic Senates.

A grade of "C" or higher is required in all coursework used for IGETC certification.

DRUG-FREE AND ALCOHOL-FREE DISTRICT POLICY

The Federal Government has mandated that as of October 1, 1990, there will be no drug usage by students, staff or faculty on college campuses anywhere in the United States.

On January 13, 1992, the Board of Trustees of the North Orange County Community College District adopted the following policy statement to comply with the law. The policy, which is to be shared in writing with students, staff and faculty is as follows:

On November 18, 1988, Congress passed the Drug-Free Workplace Act of 1988. (P.L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The statute requires contractors and grantees of Federal agencies to certify that they will provide a drug-free workplace. Making this required certification is a precondition for receiving a contract or grant from a Federal agency.

Pursuant to the Drug-Free Workplace Act of 1988, it is unlawful to manufacture, distribute, dispense, possess, or use controlled substances at all District worksites and/or while in the performance of District business or attending a District event or program.

The Drug-Free Schools and Communities Act Amendments of 1989 (P.L. 101-226) amends the previous law of 1988 to include that it is also unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in the workplace or at any District activities or events or while performing District business.

Compliance for Employees

The District intends to make every effort to provide and maintain a drug-free workplace. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the district. Any employee violating this policy will be subject to disciplinary action which may include termination. Any employee convicted under a criminal drug and/or alcohol statute for conduct in the workplace or while on District business must report this conviction within five (5) calendar days to the Vice Chancellor, Human Resources.

Compliance for Students

The District intends to make every effort to provide and maintain a drug-free campus. Pursuant to the Drug-Free Schools and Communities Act Amendments of 1989, it is unlawful to manufacture, distribute, dispense, possess, use or sell illicit drugs and alcohol in all buildings, property, facilities, service areas and satellite centers of the District. All students are required to comply with this policy as a condition of their continued enrollment. Any student violating this policy will be subject to disciplinary action, including suspension, and up to expulsion.

Legal Sanctions Under Federal, State and Local Laws are available in the following locations:

1. Student Activities Office, 200 Bldg, Room 214
2. Campus Public Safety Department, 1500 Bldg

Alcohol/Drug Abuse Counseling, Treatment, Rehabilitation Information

Personal counseling and complete referral information is available for students in the Student Health Center.

- 1.12 Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the District.
- 1.13 Possession, sale, use, or otherwise furnishing of explosives, dangerous chemicals, deadly weapons or other dangerous object including, but not limited to, any facsimile firearm, knife or explosive on District property, or at a District function, without prior written authorization of the Chancellor, college president, School of Continuing Education Provost, or authorized designee.

- 1.15 Violation of municipal, state, or federal laws in connection with attendance in programs or services offered by the District, or while on District property or at District-sponsored activities.
- 1.16 Soliciting or assisting another to do any act (including the purchasing, transporting or consumption of any controlled substance), while under the supervision of a District official, which would subject a student to expulsion, suspension, probation, or other discipline pursuant to this policy.
- 1.17 Attempting any act constituting cause for disciplinary action as identified in the above sections of this policy.

Violation of a restraining order shall, without more, constitute stalking under this policy.
- 1.24 Persistent, serious misconduct where other means of correction have failed to bring about proper conduct or where the presence of the student causes a continuing danger to the physical safety of students or others.
- 1.25 Engaging in expression which is obscene, libelous, or slanderous according to current legal standards, or which so incites students as to create a clear and present danger of the commission of unlawful acts on District property, or the violation of the lawful administrative procedures of the District or the substantial disruption of the orderly operation of the District.
- 1.26 Use of the District's computer systems or electronic communication systems and services for any purpose prohibited by Administrative Procedure 3720, Computer & Electronic Communication Systems, or for any act constituting cause for disciplinary action as provided in this policy.
